WHAT Spectrum Health Care's **REMARKABLE RACE – Beat The Clock Edition** is an exciting event loosely modeled after the television shows *The Amazing Race* and *Beat The Clock* with elements of *The Hunger Games* thrown in for some added excitement! This year's event is set in a game show atmosphere that engages the teams in a fun-filled afternoon of fierce and fun competition of mental and physical challenges including trivia, tasks of dexterity, and races. Supporters and spectators at the watch party may purchase "advantages" to assist their team in completing their task. We'll have snacks, drinks and a cash bar available for $25 donation. Time ends when each task is completed. The team with the lowest time after 10 challenges wins!

WHEN Sunday, November 3, 2019 – Doors open at 2:30pm. Event begins at 3:00pm.
