**SCHEDULES OF ASSETS AND LIABILITIES FOR  
ST. FRANCIS' HOSPITAL, POUGHKEEPSIE, NEW YORK  
(CASE NO. 13-37725 (CGM))**

---

<sup>1</sup> The debtors in these chapter 11 cases, along with the last four digits of each debtor's federal tax identification number include: St. Francis' Hospital, Poughkeepsie, New York (8503), Saint Francis Home Care Services Corporation (3842), SFH Ventures, Inc. (0024), Saint Francis Health Care Foundation, Inc. (5066), and Saint Francis Hospital Preschool Program (1079).

## **SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

### **GENERAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMER REGARDING DEBTOR'S<sup>1</sup> STATEMENT OF FINANCIAL AFFAIRS WITH SCHEDULES<sup>2</sup>**

1. The Schedules of Assets and Liabilities (the "Schedules") and the Statement of Financial Affairs (the "SOFA" and collectively, with the Schedules the "Schedules and SOFA") of St. Francis' Hospital, Poughkeepsie, New York d/b/a Saint Francis' Hospital and Health Care Centers ("SFHHC" or the "Debtor") have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by the Debtor's management with the assistance of their court-appointed advisors and are unaudited. The Debtor makes no representation that any of the financial information contained in the Schedules and SOFA has been prepared in accordance with Generally Accepted Accounting Principles ("GAAP").
2. Although management has made every reasonable effort to ensure that the Schedules and SOFA are accurate and complete based on the information that was available to it at the time of their preparation, subsequent information may result in material changes to these Schedules and SOFA, and inadvertent errors or omissions may exist. Moreover, because the Schedules and SOFA contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statement are complete. The Debtor reserves all rights to amend and/or supplement its Schedules and SOFAs as is necessary and appropriate. Furthermore, nothing contained in the Schedules and SOFAs shall constitute a waiver of any rights or claims of the Debtor against any third party, or in or with respect to any aspect of this chapter 11 case.
3. The contents of the Schedules and SOFA neither constitutes a waiver of any rights or claims of the Debtor nor is an admission of the existence, amount or nature of potential claims against the Debtor. The Debtor reserves its rights to dispute or challenge the status and amount of any claimant listed on Schedules D, E, and F; as well as its validity, priority, perfection, or the extent of any lien securing any claim listed on Schedule D.

---

<sup>1</sup> The debtors in these chapter 11 cases, along with the last four digits of each debtor's federal tax identification number include: St. Francis' Hospital, Poughkeepsie, New York d/b/a Saint Francis' Hospital and Health Care Centers (8503), Saint Francis Home Care Services Corporation (3842), SFH Ventures, Inc., d/b/a The Hearing Works (0024) ("SFH Ventures"), Saint Francis Health Care Foundation, Inc. (5066) (the "Foundation"), and Saint Francis Hospital Preschool Program (1079)(collectively, the "Debtors").

<sup>2</sup> The Statement of Financial Affairs or Schedules of Assets and Liabilities begins immediately after these Global Notes

4. **Basis of Presentation:** The Schedules require the Debtor to report assets at current market values. In instances where the Debtor has market values, the Schedules and SOFA reflect those values. Otherwise, the Debtor has reported assets on a net book value or other available basis and noted such treatment. For these and other reasons, the Schedules and SOFA may not reconcile to the Debtor's books and records recorded on a GAAP basis. The Debtor makes no representation of the value ultimately realizable from or the collectability of any assets presented herein. SFHHC does not maintain full, separate, stand-alone accounting records for certain entities. The Schedules and SOFA do not purport to represent financial statements prepared in accordance with GAAP and do not necessarily reflect the amounts that would be set forth in financial statements prepared in accordance with GAAP.
5. **Confidentiality:** There may be instances within the Schedules and SOFA where either names, addresses or amounts have been redacted. Due to the nature of an agreement between the Debtor and a third party, concerns of confidentiality, or concerns for the privacy of an individual based on the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") or otherwise, the Debtor may have deemed it appropriate and necessary to avoid listing such names, addresses, and amounts.
6. **Causes of Action:** The Debtor, despite its best efforts, may not have set forth all of its claims or causes of action against third parties as assets in its Schedules and SOFA. The Debtor reserves any and all of its rights with respect to any and all claims or causes of action it may have, and neither these General Notes, the Specific Notes, or the Schedules or SOFA shall be deemed a waiver of any such claim or cause of action.
7. **Claims Description:** Any failure to designate a claim on the Debtor's Schedules as "disputed", "contingent", or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed", "contingent", or "unliquidated." The Debtor reserves the right to dispute, or to assert offsets or defenses to, any claim reflected on the Schedules as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed", "contingent", or "unliquidated." Moreover, the Debtor reserves the right to challenge the amount, nature, and classification of any claim or item listed on its Schedules.
8. **Current Market Value of Assets:** It would be expensive and unduly burdensome to obtain current market valuations of the Debtor's property interests. Accordingly, unless otherwise indicated, net book values, rather than current market values, of the Debtor's interests in property are reflected in the Debtor's schedules and SOFA. Amounts ultimately realized from any asset, or the actual value of any such asset to the extent it must be determined in connection with this chapter 11 case, may vary from the values stated in the Schedules and SOFA and such variance may be material. The Debtor reserves the right to contend and/or prove that the value of any asset set forth in the Schedules may,

in fact, be different from the value ascribed to that asset in the Schedules and SOFA.

9. Specific Notes: These General Notes are in addition to the Specific Notes set forth in the Schedules and SOFA. Disclosure of information in one Schedule, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule or Statement. The fact that the Debtor has prepared a note with respect to a particular Schedule or Statement and not to others does not reflect, and should not be interpreted, as a decision by the Debtor to exclude the applicability of such note to any or all of the Debtor's remaining Schedules or SOFA, as appropriate.
10. Dates. Unless otherwise indicated, all amounts are listed as of December 17, 2013, the date the Debtor commenced its chapter 11 case (the "Commencement Date").
11. General Reservation of Rights: The Debtor specifically reserves the right to amend, modify, supply, correct, change, or alter any part of its Schedules and SOFA as and to the extent necessary as appropriate.

## **SCHEDULES**

12. Schedule F: Creditors Holding Unsecured Non Priority Claims. The liabilities identified in Schedule F are derived from the Debtor's books and records, which may or may not, in fact, be completely accurate, but they do represent a reasonable attempt by the Debtor to set forth its unsecured obligations. The Debtor has made every effort to allocate liabilities between the pre-and post-petition periods based upon the information and research that was conducted in connection with the preparation of the Schedules and SOFA. As additional information becomes available and further research is conducted, the allocation of liabilities between pre-petition and post-petition periods may change. Accordingly, the amounts shown on Schedule F may change and the actual amount of claims against the Debtor may vary significantly from the represented liabilities. Parties in interest should not accept that the listed liabilities necessarily reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims. Similarly, parties in interest should not anticipate that recoveries in these cases will reflect the relationship of aggregate asset values and aggregate liabilities set forth in the Schedules. Parties in interest should consult their own professionals and advisors with respect to pursuing a claim. Although the Debtor and its professionals have generated financial information the Debtor believes to be reasonable, actual liabilities (and assets) may deviate significantly from the Schedules due to certain events that occur throughout this chapter 11 case. The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose may be unknown or subject to dispute. Although reasonable efforts have

been made to determine the date upon which claims listed in Schedule F was incurred or arose, fixing that date for each claim in Schedule F would be unduly burdensome and cost prohibitive and, therefore, the Debtor has not listed a date for each claim listed on Schedule F.

The Debtor sought and received authorization of the Bankruptcy Court for the Southern District of New York to pay certain prepetition claims, including but not limited to, employee reimbursable expenses. Accordingly, the Debtor expects to pay during the pendency of these cases, certain prepetition claims included on Schedules F. The claim amounts for these items may, therefore, be eliminated or satisfied in whole or in part during this case.

13. Schedule G : Executory Contracts. Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions, or over-inclusion may have occurred. The Debtor does not make, and specifically disclaims, any representation or warranty as to the completeness or accuracy of the information set forth herein. The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contract or other agreement set forth in Schedule G that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed therein. Moreover, the Debtor reserves its rights to dispute the characterization of any contract in Schedule G as executory. The listing of a purported executory contract or unexpired lease on Schedule G is not an admission by the Debtor that the contract in fact is executory or the lease is in fact (a) a "true" lease - and not a disguised financing transaction or (b) unexpired. In some cases, the same supplier or provider appears multiple times in Schedule G. This multiple listing is intended to reflect distinct agreements between the Debtor and such supplier or provider. The failure to list a supplier or provider in multiple entries, however, is not a waiver of the Debtor's right to claim that an executory contract or unexpired lease is, in fact, multiple agreements rather than one integrated agreement. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of its business, such as easements, right of way, subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents are also not set forth in Schedule G.

## **STATEMENT OF FINANCIAL AFFAIRS (“SOFA”)**

### **SOFA 3(b) - PAYMENTS MADE WITHIN 90 DAYS TO ANY CREDITOR AND SOFA 3(c) - PAYMENTS MADE WITHIN ONE YEAR TO OR FOR THE BENEFIT OF CREDITORS WHO WERE INSIDERS**

Due to concerns over the confidential nature of the data, **SOFA 3(b)** lists the total payroll funded for each payroll period and does not provide employee level detail. The Debtor has retained and can make employee level information available in appropriate circumstances and to appropriate parties subject to the assurance of confidentiality. Payroll and related payments to insiders are detailed on **SOFA 3(c)**.

**SOFA 3(b)** and **SOFA 3(c)** detail all transfers between Debtors – intercompany transfers – within the 90 day period or one year period, respectively. It is the position of the Debtor that not all such transfers are “payments to creditors”; rather, many are transfers resulting from operation of the Debtor's consolidated, centralized cash management system. However, the Debtor has included this detail in the interest of completeness and full disclosure.

**SOFA 3(c)** includes payments to individuals who currently are or were Insiders during the last year. **SOFA 3(c)** does not include payments within one year to individuals who were previously insiders but were not insiders at any time during the one year immediately prior to the petition date.

Please note that some Debtor's SOFA do not include **SOFA 3(b)** and / or **SOFA 3(c)**.

### **SOFA 9 - PAYMENTS RELATED TO DEBT COUNSELING OR BANKRUPTCY**

The information responsive to **SOFA 9** is identical for each Debtor and, accordingly, is only completed for St. Francis' Hospital, Poughkeepsie, New York. St. Francis' Hospital, Poughkeepsie, New York made the payments detailed on **SOFA 9** on behalf of all Debtors as the services these professionals provided and continue to provide are for the benefit of all affiliated Debtors. The \$2.2 million shown on **SOFA 9** is the total amount of such payments made by the subject Debtors. All such payments were paid to the applicable professional as advance payment retainers.

## SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor", including the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community".

If the claim is contingent, place an "X" in the column labeled "Contingent". If the claim is unliquidated, place an "X" in the column labeled "Unliquidated". If the claim is disputed, place an "X" in the column labeled "Disputed". (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primary consumer debts filing a case under chapter 7, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding unsecured nonpriority claims to report on this Schedule F.

**STATEMENT OF FINANCIAL AFFAIRS FOR  
ST. FRANCIS' HOSPITAL, POUGHKEEPSIE, NEW YORK  
(CASE NO. 13-37725 (CGM))**

<sup>1</sup> The debtors in these chapter 11 cases, along with the last four digits of each debtor's federal tax identification number include: St. Francis' Hospital, Poughkeepsie, New York (8503), Saint Francis Home Care Services Corporation (3842), SFH Ventures, Inc. (0024), Saint Francis Health Care Foundation, Inc. (5066), and Saint Francis Hospital Preschool Program (1079).

## **SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

### **GENERAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMER REGARDING DEBTOR'S<sup>1</sup> STATEMENT OF FINANCIAL AFFAIRS WITH SCHEDULES<sup>2</sup>**

1. The Schedules of Assets and Liabilities (the "Schedules") and the Statement of Financial Affairs (the "SOFA" and collectively, with the Schedules the "Schedules and SOFA") of St. Francis' Hospital, Poughkeepsie, New York d/b/a Saint Francis' Hospital and Health Care Centers ("SFHHC" or the "Debtor") have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by the Debtor's management with the assistance of their court-appointed advisors and are unaudited. The Debtor makes no representation that any of the financial information contained in the Schedules and SOFA has been prepared in accordance with Generally Accepted Accounting Principles ("GAAP").
2. Although management has made every reasonable effort to ensure that the Schedules and SOFA are accurate and complete based on the information that was available to it at the time of their preparation, subsequent information may result in material changes to these Schedules and SOFA, and inadvertent errors or omissions may exist. Moreover, because the Schedules and SOFA contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statement are complete. The Debtor reserves all rights to amend and/or supplement its Schedules and SOFAs as is necessary and appropriate. Furthermore, nothing contained in the Schedules and SOFAs shall constitute a waiver of any rights or claims of the Debtor against any third party, or in or with respect to any aspect of this chapter 11 case.
3. The contents of the Schedules and SOFA neither constitutes a waiver of any rights or claims of the Debtor nor is an admission of the existence, amount or nature of potential claims against the Debtor. The Debtor reserves its rights to dispute or challenge the status and amount of any claimant listed on Schedules D, E, and F; as well as its validity, priority, perfection, or the extent of any lien securing any claim listed on Schedule D.

---

<sup>1</sup> The debtors in these chapter 11 cases, along with the last four digits of each debtor's federal tax identification number include: St. Francis' Hospital, Poughkeepsie, New York d/b/a Saint Francis' Hospital and Health Care Centers (8503), Saint Francis Home Care Services Corporation (3842), SFH Ventures, Inc., d/b/a The Hearing Works (0024) ("SFH Ventures"), Saint Francis Health Care Foundation, Inc. (5066) (the "Foundation"), and Saint Francis Hospital Preschool Program (1079)(collectively, the "Debtors").

<sup>2</sup> The Statement of Financial Affairs or Schedules of Assets and Liabilities begins immediately after these Global Notes

4. **Basis of Presentation:** The Schedules require the Debtor to report assets at current market values. In instances where the Debtor has market values, the Schedules and SOFA reflect those values. Otherwise, the Debtor has reported assets on a net book value or other available basis and noted such treatment. For these and other reasons, the Schedules and SOFA may not reconcile to the Debtor's books and records recorded on a GAAP basis. The Debtor makes no representation of the value ultimately realizable from or the collectability of any assets presented herein. SFHHC does not maintain full, separate, stand-alone accounting records for certain entities. The Schedules and SOFA do not purport to represent financial statements prepared in accordance with GAAP and do not necessarily reflect the amounts that would be set forth in financial statements prepared in accordance with GAAP.
5. **Confidentiality:** There may be instances within the Schedules and SOFA where either names, addresses or amounts have been redacted. Due to the nature of an agreement between the Debtor and a third party, concerns of confidentiality, or concerns for the privacy of an individual based on the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") or otherwise, the Debtor may have deemed it appropriate and necessary to avoid listing such names, addresses, and amounts.
6. **Causes of Action:** The Debtor, despite its best efforts, may not have set forth all of its claims or causes of action against third parties as assets in its Schedules and SOFA. The Debtor reserves any and all of its rights with respect to any and all claims or causes of action it may have, and neither these General Notes, the Specific Notes, or the Schedules or SOFA shall be deemed a waiver of any such claim or cause of action.
7. **Claims Description:** Any failure to designate a claim on the Debtor's Schedules as "disputed", "contingent", or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed", "contingent", or "unliquidated." The Debtor reserves the right to dispute, or to assert offsets or defenses to, any claim reflected on the Schedules as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed", "contingent", or "unliquidated." Moreover, the Debtor reserves the right to challenge the amount, nature, and classification of any claim or item listed on its Schedules.
8. **Current Market Value of Assets:** It would be expensive and unduly burdensome to obtain current market valuations of the Debtor's property interests. Accordingly, unless otherwise indicated, net book values, rather than current market values, of the Debtor's interests in property are reflected in the Debtor's schedules and SOFA. Amounts ultimately realized from any asset, or the actual value of any such asset to the extent it must be determined in connection with this chapter 11 case, may vary from the values stated in the Schedules and SOFA and such variance may be material. The Debtor reserves the right to contend and/or prove that the value of any asset set forth in the Schedules may,

in fact, be different from the value ascribed to that asset in the Schedules and SOFA.

9. Specific Notes: These General Notes are in addition to the Specific Notes set forth in the Schedules and SOFA. Disclosure of information in one Schedule, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule or Statement. The fact that the Debtor has prepared a note with respect to a particular Schedule or Statement and not to others does not reflect, and should not be interpreted, as a decision by the Debtor to exclude the applicability of such note to any or all of the Debtor's remaining Schedules or SOFA, as appropriate.
10. Dates. Unless otherwise indicated, all amounts are listed as of December 17, 2013, the date the Debtor commenced its chapter 11 case (the "Commencement Date").
11. General Reservation of Rights: The Debtor specifically reserves the right to amend, modify, supply, correct, change, or alter any part of its Schedules and SOFA as and to the extent necessary as appropriate.

## **SCHEDULES**

12. Schedule F: Creditors Holding Unsecured Non Priority Claims. The liabilities identified in Schedule F are derived from the Debtor's books and records, which may or may not, in fact, be completely accurate, but they do represent a reasonable attempt by the Debtor to set forth its unsecured obligations. The Debtor has made every effort to allocate liabilities between the pre-and post-petition periods based upon the information and research that was conducted in connection with the preparation of the Schedules and SOFA. As additional information becomes available and further research is conducted, the allocation of liabilities between pre-petition and post-petition periods may change. Accordingly, the amounts shown on Schedule F may change and the actual amount of claims against the Debtor may vary significantly from the represented liabilities. Parties in interest should not accept that the listed liabilities necessarily reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims. Similarly, parties in interest should not anticipate that recoveries in these cases will reflect the relationship of aggregate asset values and aggregate liabilities set forth in the Schedules. Parties in interest should consult their own professionals and advisors with respect to pursuing a claim. Although the Debtor and its professionals have generated financial information the Debtor believes to be reasonable, actual liabilities (and assets) may deviate significantly from the Schedules due to certain events that occur throughout this chapter 11 case. The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose may be unknown or subject to dispute. Although reasonable efforts have

been made to determine the date upon which claims listed in Schedule F was incurred or arose, fixing that date for each claim in Schedule F would be unduly burdensome and cost prohibitive and, therefore, the Debtor has not listed a date for each claim listed on Schedule F.

The Debtor sought and received authorization of the Bankruptcy Court for the Southern District of New York to pay certain prepetition claims, including but not limited to, employee reimbursable expenses. Accordingly, the Debtor expects to pay during the pendency of these cases, certain prepetition claims included on Schedules F. The claim amounts for these items may, therefore, be eliminated or satisfied in whole or in part during this case.

13. Schedule G : Executory Contracts. Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions, or over-inclusion may have occurred. The Debtor does not make, and specifically disclaims, any representation or warranty as to the completeness or accuracy of the information set forth herein. The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contract or other agreement set forth in Schedule G that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed therein. Moreover, the Debtor reserves its rights to dispute the characterization of any contract in Schedule G as executory. The listing of a purported executory contract or unexpired lease on Schedule G is not an admission by the Debtor that the contract in fact is executory or the lease is in fact (a) a "true" lease - and not a disguised financing transaction or (b) unexpired. In some cases, the same supplier or provider appears multiple times in Schedule G. This multiple listing is intended to reflect distinct agreements between the Debtor and such supplier or provider. The failure to list a supplier or provider in multiple entries, however, is not a waiver of the Debtor's right to claim that an executory contract or unexpired lease is, in fact, multiple agreements rather than one integrated agreement. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of its business, such as easements, right of way, subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents are also not set forth in Schedule G.

## **STATEMENT OF FINANCIAL AFFAIRS (“SOFA”)**

### **SOFA 3(b) - PAYMENTS MADE WITHIN 90 DAYS TO ANY CREDITOR AND SOFA 3(c) - PAYMENTS MADE WITHIN ONE YEAR TO OR FOR THE BENEFIT OF CREDITORS WHO WERE INSIDERS**

Due to concerns over the confidential nature of the data, **SOFA 3(b)** lists the total payroll funded for each payroll period and does not provide employee level detail. The Debtor has retained and can make employee level information available in appropriate circumstances and to appropriate parties subject to the assurance of confidentiality. Payroll and related payments to insiders are detailed on **SOFA 3(c)**.

**SOFA 3(b)** and **SOFA 3(c)** detail all transfers between Debtors – intercompany transfers – within the 90 day period or one year period, respectively. It is the position of the Debtor that not all such transfers are “payments to creditors”; rather, many are transfers resulting from operation of the Debtor's consolidated, centralized cash management system. However, the Debtor has included this detail in the interest of completeness and full disclosure.

**SOFA 3(c)** includes payments to individuals who currently are or were Insiders during the last year. **SOFA 3(c)** does not include payments within one year to individuals who were previously insiders but were not insiders at any time during the one year immediately prior to the petition date.

Please note that some Debtor's SOFA do not include **SOFA 3(b)** and / or **SOFA 3(c)**.

### **SOFA 9 - PAYMENTS RELATED TO DEBT COUNSELING OR BANKRUPTCY**

The information responsive to **SOFA 9** is identical for each Debtor and, accordingly, is only completed for St. Francis' Hospital, Poughkeepsie, New York. St. Francis' Hospital, Poughkeepsie, New York made the payments detailed on **SOFA 9** on behalf of all Debtors as the services these professionals provided and continue to provide are for the benefit of all affiliated Debtors. The \$2.2 million shown on **SOFA 9** is the total amount of such payments made by the subject Debtors. All such payments were paid to the applicable professional as advance payment retainers.

### FORM 7 - STATEMENT OF FINANCIAL AFFAIRS

This statement is to be completed by every debtor. Spouses filing a joint petition may file a single statement on which the information for both spouses is combined. If the case is filed under chapter 12 or chapter 13, a married debtor must furnish information for both spouses whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed. An individual debtor engaged in business as a sole proprietor, partner, family farmer, or self-employed professional, should provide the information requested on this statement concerning all such activities as well as the individual's personal affairs. To indicate payments, transfers and the like to minor children, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m).

Questions 1 - 18 are to be completed by all debtors. Debtors that are or have been in business, as defined below, also must complete Questions 19 - 25. If the answer to an applicable question is "None," mark the box labeled "None." If additional space is needed for the answer to any question, use and attach a separate sheet properly identified with the case name, case number (if known), and the number of the question.
