ubuntu community week

oneiric ocelot
July 18 - 22, 2011

Chris Crisafulli

is involved with the Ubuntu Community as a leader within the Florida Local Community Team, and a Member of the LoCo Council. By trade he's an IT Systems Administrator supporting the largest health care provider in Florida.

location: florida USA

"Simple Ways to Help Build a Stronger Local Community Team"

Wonder how you can help grow your team with quality people? Or how you can build relationships, synergy, and solidarity? While it's obvious that achieving these things is not an exact science, useful ideas will be shared and discussed.
