A ballot has been enclosed with this Disclosure Statement for use in voting on the Plan. In order to be tabulated for purposes of determining whether the Plan has been accepted or rejected, ballots must be received at the address indicated on the ballot no later than 4:00 p.m. Pacific Time on _______,2013.

2. SUMMARY OF PLAN

A copy of the Plan is attached hereto as **Exhibit 1** and discussed in detail later in this Disclosure Statement. The following description of the Plan is intended as a summary only and is qualified in its entirety by reference to the Plan. Debtor urges each holder of a Claim to carefully review the entire Plan, together with this Disclosure Statement, before voting on the Plan.

2.1. GENERAL

Generally, the Plan provides that (a) all membership interests in Debtor will be cancelled on the Effective Date; (b) North Park Development will purchase a \$400,000 membership interest in Reorganized Debtor; (c) all Insiders and Creditors of Debtor are offered the opportunity to purchase membership interests in Reorganized Debtor in \$50,000 increments; (d) membership interests in Reorganized Debtor will be allocated pro rata among all new investors; and (e) Debtor will operate in the ordinary course and pay all Creditors in full or in part over time pursuant to the Plan from revenue generated by operations, from cash savings, and from the new investment in Debtor.

2.2. SECURED CREDITORS

Reorganized Debtor will pay its Secured Creditors, R&H Construction, Multnomah County, and HomeStreet Bank as follows.

2.2.1. R&H Construction filed a proof of claim in the amount of \$146,946.80. The proof of claim asserts that the claim is secured by a construction lien arising from certain improvements made to the General Automotive Building. R&H Construction believes it is owed the claim amount plus (a) interest accruing at the rate of

Page 3 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

| 18% per annum until the Effective Date and (b) costs and reasonable attorneys' fees. The |
|---|
| Plan provides that R&H Construction will be paid the full amount of its Allowed Secured |
| Claim up to \$178,000 on the Effective Date. Any unpaid balance will be payable together |
| with interest at 4.5% per annum on the second anniversary of the Effective Date. Park & |
| Flanders filed an objection to the R&H Construction claim and initiated an adversary |
| proceeding seeking a determination of the validity and priority of the R&H Construction lien. |
| In the event that Park & Flanders prevails, then the R&H Construction claim may not be an |
| Allowed Secured Claim. Pursuant to the Stipulated Order Extending Interim Use of Cash |
| Collateral entered on September 5, 2012 [Dkt. #159], Park & Flanders was granted relief |
| from stay to settle or satisfy the mechanic's lien claim of R&H Construction. In the event |
| that Park & Flanders' settles or satisfies the Allowed Secured Claim of R&H Construction, |
| any amounts paid by Park & Flanders to R&H Construction will be added as a protective |
| advance to either the Class 3 or Class 10 Claim. The balance of R&H Construction's |
| Allowed Claim will be treated as a Class 4 Claim. |
| 2.2.2. As of the Petition Date, Multnomah County had a lien on the |
| General Automotive Building for unpaid real property taxes in the approximate amount of |
| \$90,000. Multnomah County's Secured Claim will be paid in full prior to the Effective Date. |
| Debtor anticipates that Multnomah County will have no money owing to it on the Effective |
| Date and, in turn, no Allowed Claim. |
| 2.2.3. HomeStreet Bank's ("HomeStreet") Allowed Secured Claim is |
| secured by a perfected security interest in substantially all of Debtor's assets, including rents. |
| HomeStreet will retain its interests in its Collateral with the same priority that it had as of the |
| Petition Date. HomeStreet will retain its interests in the Tenant Leases notwithstanding |
| Debtor's assignment of those leases pursuant to Section 9.2.3.8. HomeStreet's Claim will be |
| an Allowed Secured Claim up to the value of HomeStreet's interest in the property securing |

the Claim. In September of 2012, the Bankruptcy Court valued the General Auto Building at

\$10,800,000. HomeStreet's Allowed Secured Claim will be paid in full, together with interest at a fixed rate of 4.5%, or at such other rate fixed by the Court at confirmation. Commencing on the first day of the first month following the Effective Date and continuing on the first day of the following 11 months, HomeStreet will be paid monthly payments of interest only. Commencing on the first day of the thirteenth month following the Effective Date and continuing on the first day of each month thereafter, HomeStreet will be paid equal, monthly amortizing payments of principal and interest based upon a 30-year amortization schedule with a balloon payment of the unpaid principal plus accrued interest due on the tenth anniversary of the Effective Date. This means that Debtor will pay HomeStreet approximately \$39,938 per month in interest payments for 12 months, and then pay HomeStreet approximately \$53,962 per month in interest and principal for nine years. A balloon payment of approximately \$8,551,418 will then be paid to HomeStreet. After the Petition Date, HomeStreet assigned its claim to Park & Flanders. Reorganized Debtor will maintain and insure the General Automotive Building and promptly pay all real property taxes as they come due.

2.2.4. PDC assigned its claim to Park & Flanders. Park & Flanders has filed a notice of its election to have the PDC claim treated as a secured claim pursuant to 11 U.S.C. § 1111(b)(2). If the election is valid under the statute, then the PDC claim of \$1,477,000 will be treated as a secured claim.

2.3. UNSECURED CREDITORS

2.3.1. Commencing on the last business day of July 2013, and continuing on the last business day of each July, October, January, and July thereafter until paid or satisfied as hereafter provided, Reorganized Debtor shall pay to each holder of a Class 4 claim an amount equal to its pro rata share of Reorganized Debtor's Excess Cash as of the last day of the prior calendar quarter. Payments shall continue until the (a) holders of Class 4 Claims have been paid in full, together with interest at the Federal Judgment Rate; or (b) the

2.5. LEASES AND EXECUTORY CONTRACTS

All unexpired leases and executory contracts will be treated as set out in Section 8.1 below.

2.6. MISCELLANEOUS

The Effective Date of the Plan shall be the first day of the first month following the date that the Confirmation Order becomes a Final Order..

In the event any Class does not accept the Plan, Debtor reserves the right to request that the Bankruptcy Court confirm the Plan in accordance with Section 1129(b) of the Bankruptcy Code or otherwise modify the Plan.

3. BRIEF EXPLANATION OF CHAPTER 11

Chapter 11 of the Bankruptcy Code is the principal reorganization provision of the Bankruptcy Code. Pursuant to Chapter 11, a debtor attempts to reorganize its business for the benefit of the debtor, its creditors, and other parties in interest.

The formulation and confirmation of a plan of reorganization is the principal purpose of a Chapter 11 case. A plan of reorganization sets forth a proposed method for compensating the holders of claims and interests in the debtor. A claim or interest is impaired under a plan of reorganization if the plan provides that the legal, equitable, or contractual rights of the holder of such claim or interest are altered. A holder of an impaired claim or interest is entitled to vote to accept or reject the plan. Chapter 11 does not require all holders of claims and interests to vote in favor of a plan in order for the Bankruptcy Court to confirm it. However, the Bankruptcy Court must find that the plan meets a number of statutory tests before it may approve the plan. These tests are designed to protect the interests of holders of claims or interests who do not vote to accept the plan, but who will nonetheless be bound by the plan's provisions if it is confirmed by the Bankruptcy Court.

An official committee of unsecured creditors may be appointed by the trustee in Chapter 11 cases to, among other things, negotiate the plan of reorganization on behalf of the

Page 7 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

unsecured creditors of the debtor. A committee of unsecured creditors has not yet been appointed by the United States Trustee in this case.

4. VOTING PROCEDURES AND CONFIRMATION OF A PLAN

4.1. BALLOTS AND VOTING DEADLINE

A ballot to be used for voting to accept or reject the Plan is enclosed with each copy of this Disclosure Statement mailed to all Creditors entitled to vote. After carefully reviewing this Disclosure Statement and its exhibits, including the Plan, please indicate your acceptance or rejection of the Plan by voting in favor or against the Plan on the enclosed ballot as directed below.

The Bankruptcy Court has directed that, to be counted for voting purposes, ballots for the acceptance or rejection of the Plan must be received no later than 4:00 p.m. Pacific Time, on _______, 2013 by Debtor at the following address:

Tonkon Torp LLP, Attention: Ava L. Schoen 1600 Pioneer Tower 888 S.W. Fifth Avenue Portland, OR 97204-2099

Holders of each Claim scheduled by Debtor or with respect to which a Proof of Claim has been filed will receive ballots and are permitted to vote based on the amount of the Proof of Claim. If no Proof of Claim has been filed, then the vote will be based on the amount scheduled by Debtor in its Schedules. Holders of disputed Claims who have settled their dispute with Debtor are entitled to vote the settled amount of their Claim. The Bankruptcy Code provides that such votes will be counted unless the Claim has been disputed, disallowed, disqualified or suspended prior to computation of the vote on the Plan. The Claim to which an objection has been filed is not allowed to vote unless and until the Bankruptcy Court rules on the objection. The Bankruptcy Code provides that the Bankruptcy Court may, if requested to do so by the holder of such claim, estimate or temporarily allow a disputed claim for the purposes of voting on the Plan.

Page 8 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

If a person holds claims in more than one class entitled to vote on the Plan, such person will be entitled to complete and return a ballot for each Class. If you do not receive a ballot or if a ballot is damaged or lost, please contact:

Tonkon Torp LLP,

Tonkon Torp LLP, Attention: Ava L. Schoen 1600 Pioneer Tower 888 S.W. Fifth Avenue Portland, OR 97204-2099

All persons entitled to vote on the Plan may cast their vote for or against the Plan by completing, dating and signing the ballot accompanying this Disclosure Statement and returning it, by First Class Mail or hand delivery, to Debtor at the address indicated above. In order to be counted, all ballots must be executed and received at the above address no later than 4:00 p.m. Pacific Time on ______, 2013. Any ballots received after 4:00 p.m. Pacific Time on ______, 2013 will not be included in any calculation to determine whether the parties entitled to vote on the Plan have voted to accept or reject the Plan.

When a ballot is signed and returned without further instruction regarding acceptance or rejection of the Plan, the signed ballot shall be counted as a vote accepting the Plan. When a ballot is returned indicating acceptance or rejection of the Plan but is unsigned, the unsigned ballot will not be included in any calculation to determine whether parties entitled to vote on the Plan have voted to accept or reject the Plan. When a ballot is returned without indicating the amount of the Claim, the amount shall be as set forth on Debtor's Schedules or any Proof of Claim filed with respect to such Claim.

4.2. PARTIES ENTITLED TO VOTE

Pursuant to Section 1126 of the Bankruptcy Code, each class of impaired claims or interests that is not deemed to reject the Plan is entitled to vote to accept or reject the Plan. Any holder of an Allowed Claim that is in an impaired class under the Plan, and whose Class is not deemed to reject the Plan, is entitled to vote. A Class is "impaired" unless the legal, equitable and contractual rights of the holders of claims in that Class are left unaltered by the

Page 9 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

Plan or if the Plan reinstates the Claims held by members of such Class by (1) curing any defaults, (2) reinstating the maturity of such claim, (3) compensating the holder of such claim for damages that result from the reasonable reliance on any contractual provision of law that allows acceleration of such claim and (4) otherwise leaving unaltered any legal, equitable or contractual right of which the Claim entitles the holder of such claim. Because of their favorable treatment, classes that are not impaired are conclusively presumed to accept the Plan. Accordingly, it is not necessary to solicit votes from the holders of claims in classes that are not impaired.

Classes of Claims or Interests that will not receive or retain any money or property under a Plan on account of such Claims or Interests are deemed, as a matter of law under Section 1126(g) of the Bankruptcy Code, to have rejected the Plan and are likewise not entitled to vote on the Plan. Class 9 (Interests) are deemed to have rejected Debtor's Plan.

Class 1 (Other Priority Claims) and Class 5 (Multnomah County) are not impaired and therefore are deemed to have accepted the Plan. All other Classes of Claims, Classes 2 through 4, Classes 6 through 8, and Class 10, are impaired under the Plan and persons holding Class 2 through 4, Classes 6 through 8, and Class 10 Claims are entitled to vote to accept or reject the Plan. Class 9 Interests is deemed to have rejected the Plan because holders of Class 9 Interests will receive nothing in consideration of their Interests.

4.3. VOTES REQUIRED FOR CLASS ACCEPTANCE OF THE PLAN

As a condition to confirmation, the Bankruptcy Code requires that each impaired Class of Claims or Interests accept the Plan, subject to the exceptions described below in the section entitled "Cram Down of the Plan." At least one impaired Class of Claims must accept the Plan in order for the Plan to be confirmed.

For a Class of Claims to accept a plan, Section 1126 of the Bankruptcy Code requires acceptance by Creditors that hold at least two-thirds in dollar amount and a majority in number of the Allowed Claims of such Class, in both cases counting only those claims

Page 10 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

actually voting to accept or reject the plan. The holders of Claims who fail to vote are not counted as either accepting or rejecting the Plan. If the Plan is confirmed, the Plan will be binding with respect to all holders of Claims and Interests in each Class, including Classes and members of Classes that did not vote or that voted to reject the Plan.

4.4. "CRAM DOWN" OF THE PLAN

If the Plan is not accepted by all the impaired Classes of Claims, the Plan may still be confirmed by the Bankruptcy Court pursuant to Section 1129(b) of the Bankruptcy Code's "Cram Down" provision if the Plan has been accepted by at least one Impaired Class of Claims, without counting the acceptances of any insiders of Debtor, and the Bankruptcy Court determines, among other things, that the Plan "does not discriminate unfairly" and is "fair and equitable" with respect to each non-accepting Impaired Class of Claims or Interest.

4.5. CONFIRMATION HEARING

The Bankruptcy Court has scheduled a hearing on confirmation of the Plan to take place on ______, 2013 at _____ Pacific Time. The Confirmation Hearing will be held at the United States Bankruptcy Court for the District of Oregon, Courtroom 1, 1001 SW Fifth Avenue, 8th Floor, Portland, Oregon, before the Honorable Elizabeth L. Perris, United States Bankruptcy Judge. At the hearing, the Bankruptcy Court will consider whether the Plan satisfies the various requirements of the Bankruptcy Code, including whether it is feasible and whether it is in the best interest of the creditors of Debtor. At that time, Debtor will submit a report to the Bankruptcy Court concerning the votes for acceptance or rejection of the Plan by the persons entitled to vote thereon.

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to confirmation of the Plan. Any objections to confirmation of the Plan must be made in writing and filed with the Bankruptcy Court and received by counsel for Debtor no later than ______, by ______ Pacific Time. Unless an objection to confirmation is timely filed and received, it may not be considered by the Bankruptcy Court.

5. BACKGROUND AND GENERAL INFORMATION

5.1. **DEBTOR**

Debtor is an Oregon limited liability company formed in 2007 with its principal place of business in Spokane, Washington. Debtor was formed to renovate and lease commercial property located at 411 NW Park Avenue, Portland, OR 97205 (the "General Automotive Building"). The General Automotive Building includes 40,000 square feet divided into thirteen units of varying sizes. As of the Petition date, Debtor has developed virtually all of the General Automotive Building and has leased approximately 98% of the building's space to retail and commercial tenants. Debtor continues to seek tenants for the remaining spaces.

5.2. DEBTOR'S BUSINESS STRATEGY

Debtor's strategy was and is to lease commercial and retail units in a beautifully restored and well-managed former industrial building at competitive rental rates. The General Automotive Building offers desirable space to tenants and potential tenants: it is located in the heart of the Pearl District, provides abundant natural light with views of the adjacent North Park Blocks, and offers flexible work space. Debtor has obtained LEED Gold designation.

5.3. MANAGEMENT

Debtor is a limited liability company made up of four members: North Park Development, LLC; Revonoc LLC; KTP Development LLC; and David Sniderman. North Park Development is the managing member of Debtor. Pursuant to the Plan, all Interests in Debtor will be extinguished on the Effective Date and North Park Development will invest \$400,000 of new money in Reorganized Debtor. North Park has executed a subscription agreement reflecting its anticipated investment. North Park Development will be the initial managing member of Debtor. All Creditors and Insiders will also have the opportunity to invest in the Reorganized Debtor and acquire newly issued membership interests (see Section 10 of this Disclosure Statement).

Page 12 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

North Park Development or its successor managing member will be entitled to compensation not to exceed \$2,000 per month and reimbursement of expenses not to exceed \$1,000 per month. In addition, North Park Development (and any other entities that elect to acquire membership interest in the Reorganized Debtor pursuant to the Plan, will be entitled to distributions necessary to pay any federal, state, or local income taxes arising from taxable

Automotive Building.

Since filing for bankruptcy protection, Debtor has retained a third-party property management company, Deering Management Group, Inc. ("Deering"). Deering was formed in 1992. It manages approximately 75 assets in Oregon and Washington. Its services include asset and facility management for office, retail, and mixed use facilities. Prior to forming Deering, its president, Mariann Deering, spent 28 years in Portland, Oregon with companies such as CB Commercial Real Estate Group, Inc., Prendergast and Associates, Cushman and Wakefield, and First Interstate Bank. Debtor has no ownership interest in Deering and Deering has no ownership interest in Debtor. Deering acts as Debtor's exclusive agent for purposes of managing and operating the General Automotive Building. Deering's responsibilities include ensuring that repairs are made; entering into service contracts; collecting and segregating rent; and paying expenses, taxes and insurance Deering renders monthly statements to the managing member; these statements reflect income, operating and non-operating expenses, an activity reconciliation report (which includes details of rent payments), and an accounts payable distribution (which provides details on payments made). For its services, Deering is paid 2-1/2% of General Automotive Building's gross income each month. As of the Effective Date and consistent with the Tax Credit Documents, Deering will be retained by General Auto Lessee to carry out its work as property manager of the General

| extensive knowledge of the neighborhood in which the General Automotive Building is |
| located. Debtor anticipates that General Auto Lessee will continue to engage Apex as its |

To the extent no other Insiders or Creditors invest in the Reorganized Debtor, North Park Development will be the Reorganized Debtor's sole member and its managing member. North Park Development and Deering have in-depth experience in the commercial real estate industry and with the rental market in Portland, Oregon. North Park Development's members will include Robert Brewster, Sr., Robert Brewster, Jr. and David Sniderman.

5.4. FINANCIAL PERFORMANCE

Attached as **Exhibit 2** is a spreadsheet that presents in summary fashion the actual operating results for Debtor for fiscal year 2012 to date from the Petition Date and the projected operating results for Debtor through fiscal year 2022 on a monthly basis. **Exhibit 2** reflects that Debtor has had financial success leasing units in the General Automotive Building and that Debtor has projects that it will have adequate funds with which to repay its creditors.

Debtor's projections are based on the following:

Automotive Building. They do not reflect the Master Lease with General

to the Plan) because Debtor anticipates that the Master Lease will be

terminated in the first half of 2015, prior to projected distributions to

General Unsecured Creditors and, upon termination, all leases and

reserves will be assigned and transferred to Reorganized Debtor. There

will be no material impact on the projected results of operations. If you

would like detailed information on the Master Lease, please contact:

| 2 | • The HomeStreet secured claim is assumed to be \$10,800,000. Park & |
| 3 | Flanders disagrees with that assumption and asserts that HomeStreet's |
| 4 | secured claim will be \$11,000,000 or more. If HomeStreet is correct, then |
| 5 | the debt service payable to Park & Flanders will be greater than projected. |
| 6 | • The HomeStreet secured claim will accrue interest at 4.5% per annum. |
| 7 | Park & Flanders disagrees with this assumption and asserts that the |
| 8 | interest rate should be significantly higher. An increase in the interest rate |
| 9 | would result in an increase in debt service. |
| 10 | • The projections do not incorporate the \$14,000 annual payment on the |
| 11 | PDC Claim projected in the plan in the event that the 1111(b) election is |
| 12 | valid. The Court has not determined if the election is valid and the annual |
| 13 | payments would have little impact on the amount payable to unsecured |
| 14 | <u>creditors.</u> |
| 15 | • The Master Lease with General Auto Lessee is not reflected because it |
| 16 | will be terminated within two years and will have no impact on the |
| 17 | projected financial performance of Reorganized Debtor or the projected |
| 18 | distributions to Unsecured Creditors. |
| 19 | Debtor believes the projections are reasonable and achievable, but there are many |
| 20 | variables that can and will affect the actual financial results that are achieved by Reorganized |
| 21 | Debtor. Significant distributions to General Unsecured Creditors should begin by 2016. |
| 22 | Assuming the Park & Flanders 1111(b) election is valid, Debtor's projections reflect that |
| 23 | General Unsecured Creditors will be paid in full over the 10-year term of the plan payments. |
| 24 | Absent additional new investment or financing, it is unlikely that Reorganized Debtor will be |
| 25 | able to elect to satisfy General Unsecured Claims within five years by paying a total of 60% |
| 26 | of the amount of each Claim. On the other hand, if the plan is not confirmed, unsecured |

creditors will receive nothing because Park & Flanders will foreclose the lien it acquired from HomeStreet Bank.

6. THE BANKRUPTCY CASE

6.1. THE FILING

Debtor obtained a loan from HomeStreet in June 2008 in the principal amount of \$10,200,000 ("HomeStreet Loan"). Pursuant to an agreement between Debtor and HomeStreet in September 2010, the principal amount of the loan was reduced to \$10,000,000. To secure the obligations under the HomeStreet Loan, Debtor granted to HomeStreet a Line of Credit Commercial Deed of Trust, Assignment of Rents and Leases, and Security Agreement and Fixture Filing. The loan was originally due to mature on January 1, 2010, but was extended several times by agreement between HomeStreet and the Debtor.

Debtor also obtained a loan from PDC in June 2008 in the principal amount of \$1,400,000 ("PDC Loan"). To secure the obligations under the PDC Loan, Debtor granted to PDC a Line of Credit Commercial Deed of Trust, Security Agreement, Fixture Filing and Assignment of Leases and Rents. The loan was due to mature on June 1, 2019. Pursuant to a Subordination, Nondisturbance and Attornment Agreement, the PDC Loan is subordinate to the HomeStreet Loan.

In early 2012, debtor hired R&H Construction to perform work at the General Automotive Building and authorized tenant improvements for tenants based on an additional anticipated loan of \$225,000 from PDC. PDC ultimately did not fund that loan. Due to PDC's failure to fund the additional loan, the difficult economic and real estate markets in which Debtor was developing the General Automotive Building, and unanticipated rent concessions and tenant improvement costs, Debtor was unable to remain current on its payments to HomeStreet and PDC and defaulted on the HomeStreet Loan and PDC Loan. In January 2012, PDC demanded payment of the full loan balance from Debtor and in February

2012, HomeStreet demanded payment of the full loan balance from Debtor. Debtor was unable to make such payments. HomeStreet, in turn, commenced a non-judicial foreclosure of the deed of trust and filed a motion for appointment of a receiver.

In order to keep Debtor operating, and protect Debtor's creditors, Debtor resolved to seek the protection of Chapter 11 Bankruptcy.

6.2. TRANSFER OF CLAIMS TO PARK & FLANDERS

On May 29, 2012, HomeStreet transferred to Park & Flanders all HomeStreet's right, title and interest in and to HomeStreet's claims against the Debtor. On that same day, PDC transferred to Park & Flanders all of PDC's right, title and interest in and to PDC's claims against the Debtor.

On June 29, 2012, Park & Flanders filed a proof of claim for (a) \$10,529,361.87 based upon the claim transferred to it by HomeStreet and (b) \$1,477,761.30 based upon the claim transferred to it by PDC.

6.3. MOTION FOR RELIEF FROM STAY

Prior to transferring its claims to Park & Flanders, HomeStreet filed a motion for relief from the automatic stay seeking to terminate the automatic stay to permit HomeStreet to complete a non-judicial foreclosure of the General Automotive Building. Debtor filed a brief in opposition to the motion and Park & Flanders (having at this point become the transferee of HomeStreet's claim) filed a brief in support of the motion. On June 15, 2012, the Bankruptcy Court entered an order, which (a) neither granted nor denied the motion for relief from stay and (b) determined that a final hearing on the motion for relief from stay will be held immediately following the confirmation hearing. Debtor believes that if the motion for relief from stay is granted, Park & Flanders will foreclose on the General Automotive Building. If a foreclosure takes place, there will be no money available to make payments to any creditors other than Park & Flanders.

26

Page 18 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

In November of 2012, Park & Flanders filed a second motion for relief from stay, which the Court denied.

6.4. VALUATION OF THE GENERAL AUTOMOTIVE BUILDING

On June 26, 2012, Park & Flanders filed a motion with the Bankruptcy Court seeking an evidentiary hearing to determine the value of the General Automotive Building.

Thereafter, on August 27, August 29 and September 6, 2012 a hearing was held to determine the value of the General Automotive Building. The Bankruptcy Court heard and considered evidence, including the testimony of witnesses, expert appraisal reports, and other documentary evidence, and considered the arguments of counsel for the Debtor and Park & Flanders. The Bankruptcy Court valued the General Automotive Building at \$10,800,000.

In subsequent pleadings, Park & Flanders has asserted that the value of the General Automotive Building has increased since the September valuation as a result of Debtor's leasing efforts. Debtor anticipates that Park & Flanders will seek to revisit the valuation of the building at the confirmation hearing.

6.5. PARK & FLANDERS' OBJECTIONS TO DISCLOSURE STATEMENTS

Park & Flanders filed an objection to Debtor's original disclosure statement (filed May 31, 2012). Park & Flanders states that the May 31, 2012 disclosure statement was not adequate because it, (a) does not provide adequate disclosure regarding the terms of the Master Lease and General Auto Lessee's ability to make payments pursuant to the Master Lease, (b) does not state the correct value of the General Automotive Building, (c) fails to adequately treat secured and super priority claims transferred from the PDC to and asserted by Park & Flanders, (d) does not explain why R&H Construction's lien is senior to Park & Flanders' liens, (e) does not reflect property taxes paid by Debtor, and (f) does not adequately disclose North Park Development's willingness or ability to purchase a membership interest

Page 19 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

in the Reorganized Debtor. Debtor believes that it has addressed all of Park & Flanders' objections.

Park & Flanders further argues that it will not support Debtor's Plan and that the Plan should not be confirmed because it, (a) "transmutes" existing tenant leases into subleases, (b) does not satisfy the "cram down" provisions applicable to secured creditors, (c) violates the "absolute priority rule," (d) fails to properly treat Park & Flanders' secured and super priority claims, (v) is not feasible, and (vi) was not filed in good faith. Debtor disagrees with all of Park & Flanders' objections to confirmation.

Debtor filed a first amended disclosure statement on October 5, 2012, a second amended disclosure statement on November 27, 2012, and a third amended disclosure statement on December 17, 2012, and a Fourth Amended Disclosure Statement on January 23, 2013. Park & Flanders has objected to each disclosure statement asserting virtually the same positions. Park & Flanders continues to assert that the Plan is not confirmable. Debtor continues to believe that the Plan is confirmable. If the Plan is not confirmed, Park & Flanders will foreclose the deed of trust it acquired from HomeStreet and unsecured creditors will receive nothing.

7. ASSETS AND LIABILITIES

7.1. ASSETS

Debtor's principal asset is the commercial property and real estate located at 411 NW Park Avenue, Portland, OR 97205 (the General Automotive Building). As described above, the Bankruptcy Court has valued the General Automotive Building at \$10,800,000.

Debtor generates revenue from the leases with its tenants. Currently, Debtor is a party to twelve leases with its tenants generating approximately \$80,000 per month in revenues.

7.2. LIABILITIES

| 7.2.1. <u>R&H Construction</u> . R&H Construction performed construction in |
|--|
| and upon the General Automotive Building for which it was not paid. R&H Construction |
| recorded a claim of construction lien in Multnomah County on February 27, 2012. The |
| amount of debt owing to R&H Construction as of the Petition Date was \$146,946.80. If |
| R&H Construction holds a valid first priority lien, then R&H Construction is an oversecured |
| creditor and R&H Construction is entitled to post-petition contract interest and attorney fees |
| allowed by Oregon statute. Debtor believes that R&H Construction has a valid first priority |
| lien because the improvements constructed by R&H Construction were not repairs or |
| alterations. Park & Flanders has objected to the R&H Construction secured claim and has |
| commenced an adversary proceeding seeking a determination that the R&H Construction lien |
| is not valid and is subordinate to the Park & Flanders' secured claim. If Park & Flanders |
| prevails, then R&H Construction will not have an Allowed Secured Claim and will hold a |
| General Unsecured Claim. In the event that Park & Flanders and R&H Construction reach a |
| settlement on the validity and priority of R&H Construction's lien then the R&H |
| Construction Secured Claim may be satisfied and R&H Construction will have an unsecured |
| claim for any unpaid balance. |

- 7.2.2. <u>Multnomah County Assessment & Taxation</u>. On the Petition Date, Multnomah County was a secured creditor of Debtor. The amount of debt owing to Multnomah County was approximately \$90,000. The obligations of Debtor to Multnomah County were secured by a lien on the Property. All property taxes for the 2012-2013 and 2011-2012 tax years and prior years have been paid.
- 7.2.3. HomeStreet Bank. According to the proof of claim filed by Park & Flanders (the successor to HomeStreet's Claim), the principal amount of debt owing to HomeStreet as of the Petition Date is \$9,966,398.01 and the total debt owing to HomeStreet as of the Petition Date is \$10,529,361.87. The obligations of Debtor to HomeStreet are

Page 21 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

| 1 | secured by a perfected security interest in the General Automotive Building and rents. |
|----|---|
| 2 | HomeStreet is a secured creditor of Debtor up to the value of the collateral. In September of |
| 3 | 2012, the Bankruptcy Court found the value of the General Automotive Building to be |
| 4 | \$10,800,000. Park & Flanders has asserted that the value of the building has increased since |
| 5 | the Court's determination. |
| 6 | HomeStreet is undersecured. HomeStreet's secured claim, including post petition |
| 7 | interest and costs, will be capped by the value of its collateral and will be allowed in an |
| 8 | amount equal to HomeStreet's interest in Debtor's interest in the property securing |
| 9 | HomeStreet's claim. The claim will be determined at the Confirmation Hearing. Park & |
| 10 | Flanders disagrees with Debtor's characterization that HomeStreet's secured claim is |
| 11 | undersecured. |
| 12 | Debtor is analyzing the implications of HomeStreet's management of draw requests |
| 13 | and disbursements of funds in a manner that was inconsistent with Debtor's instructions. |
| 14 | Debtor has not determined whether it has a valid claim against HomeStreet. |
| 15 | 7.2.4. <u>Portland Development Commission</u> . The principal amount of debt |
| 16 | owing to PDC as of the Petition Date is \$1,400,000. PDC filed a claim for \$1,478,000. |
| 17 | Debtor believes the PDC's Allowed Claim is fully unsecured because the PDC Loan is |
| 18 | subordinate to the HomeStreet Loan and the R&H Construction lien and because PDC's |
| 19 | interest in the estate's interest in PDC's Collateral had no value on the Petition Date or at any |
| 20 | time thereafter. By contrast, PDC believes that its claim is secured in part and it has made an |
| 21 | election under 11 U.S.C. § 1111(b) as described below in section 9.2.3.10. The § 1111(b)(2) |
| 22 | election is not available to PDC if its claims in its Collateral are of inconsequential value. |
| 23 | The Plan proposes alternative treatments for PDC's Claim depending on whether the |

24

Page 22 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

§ 1111(b)(2) election is available to PDC.

| 1 | 7.2.5. <u>Unsecured Creditors</u> . Debtor owes approximately \$3,060,000 to |
|----|--|
| 2 | unsecured creditors excluding the claim of PDC, General Auto Lessee, and any unsecured |
| 3 | claim of HomeStreet. Approximately \$1,740,000 of that amount is owed to Insiders. |
| 4 | 7.2.6. <u>General Auto Lessee</u> . General Auto Lessee filed a proof of claim |
| 5 | asserting an unsecured claim of \$776,612.79 for damages arising from Debtor's default under |
| 6 | the Master Lease and the HTC Pass-Through Agreement, both executed by and between |
| 7 | Debtor and General Auto Lessee. The Tax Credit Documents were executed simultaneously |
| 8 | with the PDC and HomeStreet loan agreements and were an integral part of the financing |
| 9 | package that funded the development and rehabilitation of the General Automotive Building. |
| 10 | Both HomeStreet and PDC contemplated and approved the execution by Debtor of its |
| 11 | agreements with General Auto Lessee and relied on the payment by General Auto Lessee of |
| 12 | its obligations under the agreements. The General Auto Lessee claim is treated as the Class 8 |
| 13 | Claim. |
| 14 | On June 13, 2008, Debtor executed loan agreements with HomeStreet and PDC. |
| 15 | Simultaneously, Debtor executed the Tax Credit Documents with General Auto Lessee: the |
| 16 | Master Lease, the HTC Pass-Through Agreement (the "Pass-Through Agreement") and the |
| 17 | Tenant Improvement and Commission Payment Agreement (the "Payment Agreement"). |
| 18 | The three agreements between Debtor and General Auto Lessee resulted in the payment by |
| 19 | General Auto Lessee of approximately \$700,000 to Debtor for the development of the |
| 20 | General Automotive Building. The General Auto Lessee financing was essential to the |
| 21 | development and was relied upon by both HomeStreet and PDC in their investment |
| 22 | decisions. |
| 23 | Debtor rehabilitated the General Automotive Building in a manner that qualified for |
| 24 | the 10% historical rehabilitation tax credit (the "Historic Tax Credit") described in Section 47 |
| 25 | of the Internal Revenue Code. Debtor leased the Building to General Auto Lessee pursuant |

Property. The Pass-Through Agreement provided for the pass-through of the Historic Tax Credit to General Auto Lessee. The Payment Agreement provided for the payment of an amount that ultimately approximated \$700,000 by General Auto Lessee to Debtor. Simultaneously with the execution of the three agreements between Debtor and General Auto Lessee, several agreements were executed relating to the capitalization, ownership, and control of General Auto Lessee, including the General Auto Lessee, LLC Operating Agreement, a Purchase Agreement, and a Guarantee Agreement. Debtor is not a party to any of those agreements. TCC and General Auto Development Manager are parties to all three agreements. Robert C. Brewster, Jr. ("Brewster") is a party to the Guarantee Agreement. Generally, the Agreements provide that TCC will own 99.9% of General Auto Lessee in exchange for a capital investment approaching \$800,000. General Auto Development Manager owns .1% and is the manager of General Auto Lessee. Pursuant to the Purchase Agreement, General Auto Development Manager has the right and obligation to purchase the interest of TCC in General Auto Lessee under certain conditions from and after January 1, 2015. It is contemplated that General Auto Development Manager will acquire the interests of TCC in General Auto Lessee in the first half of 2015. The Guarantee Agreement provides that Brewster guarantees for the benefit of TCC that General Auto Lessee and General Auto Development will perform their obligations to TCC. After the PDC loan documents, HomeStreet loan documents, and General Auto Lessee agreements were executed by Debtor, Debtor commenced the rehabilitation and development of the General Automotive Building. The rehabilitation took longer and cost more than were originally projected. The General Automotive Building certificate of occupancy was issued in October of 2009 and the building was placed into service at that time. The start date for the first lease of space in the building was June 1, 2010.

The Master Lease provided that, after the "Possession Date," Debtor was to assign all Existing Leases to General Auto Lessee, and General Auto Lessee was to operate the General

Page 24 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

| Automotive Building and pay rent to Debtor. The "Possession Date" coincided with the |
|--|
| completion of "Landlord's Work." Both terms are defined in the Master Lease. The delay in |
| completion of the project raises ambiguities relating to adjustments to the rent schedule in the |
| Master Lease. Further, Debtor continued to enter into leases in its own name and the |
| operation of the Building was not transitioned to General Auto Lessee. Consequently, rental |
| income did not flow through General Auto Lessee and General Auto Lessee did not make |
| lease payments to Debtor, although General Auto Lessee did pay approximately \$700,000 to |
| Debtor pursuant to the Payment Agreement. |

Article 31 of the Master Lease contains very broad exculpation provisions. Article 31 provides that in the case of a default by Debtor or General Auto Lessee, the parties can look solely to the assets of the other party, including its interests in the Building and leases. No member of either party will have any liability. General Auto Lessee has no significant assets other than its leasehold interests under the Master Lease and its claim against Debtor.

General Auto Lessee filed its claim for \$776,612.79 principally because the default by Debtor in the performance of its obligations under the Master Lease may, unless remedied, result in the recapture of the Historic Tax Credit from General Auto Lessee and its members. The Plan treatment of the General Auto Lessee claim reflects a settlement between the parties whereby (a) Debtor will assign the Tenant Leases to General Auto Lessee; and (b) the Master Lease will be amended by modifying the rent schedule and clarifying the terms on which the Master Lease may be terminated. Debtor and General Auto Lessee also release each other from claims arising from the failure of Debtor to assign leases and turn over the operation of the General Automotive Building to General Auto Lessee and the failure of General Auto Lessee to pay the rent originally scheduled in the lease.

Debtor believes that the Plan's treatment of General Auto Lessee's claim and the settlement is in the best interests of Debtor, its estate, and its creditors for the following reasons:

Page 25 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

- The \$776,612 claim of General Auto Lessee will be released to the benefit of all unsecured creditors.
- General Auto Lessee and TCC will receive the benefit of their bargain.
- Park & Flanders will retain all of the security interests in property of the estate that it had prior to the Effective Date because (a) the Tenant Leases will be assigned to General Auto Lessee subject to the security interests and liens of Park & Flanders; (b) Park & Flanders will have a security interest and lien on the Master Lease, all subleases hereafter entered into by General Auto Lessee, and rents, proceeds, and profits generated by such leases, including all cash of General Auto Lessee.
- being released have absolutely no value because (a) Debtor's default in failing to assign leases and transfer operations to General Auto Lessee excused General Auto Lessee's failure to pay rent; (b) the terms of the Master Lease explicitly limit any claim for damages against General Auto Lessee to its interests in the Master Lease and its other assets. Absent settlement, General Auto Lessee will have no assets other than the Master Lease and its claim against Debtor. After settlement, Debtor and Park & Flanders will have a security interest in all the assets of General Auto Lessee and, in the event of a default, all such assets will be available to Debtor or Park & Flanders.
- The Master Lease is a pass-through. The rent schedule is designed to require the payment of rent to Debtor that is substantially equal to the net operating income received by General Auto Lessee after payment of operating expenses.
- The Master Lease will be terminable within approximately two years.

• The Pass-Through Agreement and the Payment Agreement are not being modified.

The effect of the delay in the occurrence of the Completion Date, the Credit Commencement Date, and the Possession Date on General Auto Lessee's rent obligations is uncertain and the settlement will eliminate the possibility of unnecessary and expensive litigation.

It should also be noted that the Operating Agreement, Purchase Agreement, and Guarantee are not being modified. Debtor is not a party to those agreements and the rights of other parties in or to those agreements will not be modified by the Plan. In particular, the guarantee of Brewster pursuant to the Guarantee Agreement is not modified.

8. ADMINISTRATIVE EXPENSES

Debtor has retained Tonkon Torp LLP as its counsel in this case. Debtor has retained Apex Real Estate Partners to provide leasing services and anticipates retaining Anton Collins Mitchell LLP to provide tax services. Debtor anticipates it will incur approximately \$275,000 in professional fees and expenses through confirmation of the Plan.

Park & Flanders has asserted that the PDC loan is entitled to a super priority administrative expense claim pursuant to section 507(b) of the Bankruptcy Code because of a failure of adequate protection. Debtor disputes that assertion because, among other things, PDC's claim was unsecured as of the Petition Date because secured claims with priority over the secured claim of PDC exceeded the value of PDC's collateral as of the Petition Date. Therefore, PDC's interest in Debtor's interest in PDC's collateral had no value and is not entitled to adequate protection. In the event that PDC is entitled to a super priority administrative expense claim pursuant to Section 507(b) of the Bankruptcy Code, the claim will be paid on the Effective Date. In any event, the The Plan provides for the payment in

full to PDC on the Effective Date of the value as of the Petition Date of PDC's interest in Debtor's interest in PDC's Collateral, consistent with PDC's section 1111(b) election. 8.1. **EXECUTORY CONTRACTS** Debtor is a party to (a) a contract with Kone for elevator maintenance (b) leases with the tenants in the General Automotive Building, and (c) a Master Lease with General Auto Lessee. Debtor will assume its contract with Kone and cure any default of that contract on the Effective Date. Debtor is in default of the lease with tenant Lapchi due to unreimbursed tenant improvements owed by Debtor to Lapchi. On the Effective Date, Debtor will assume all Tenant Leases, including the lease with Lapchi, assign all Tenant Leases to General Auto Lessee subject to HomeStreet Bank's interests in the Tenant Leases, and cure the default in the Lapchi lease by paying the outstanding balance owing to Lapchi. Nothing in the terms of the Tenant Leases prohibits Debtor from assigning those leases to General Auto Lessee. Thereafter, General Auto Lessee will collect rent from all tenants of the General Automotive Building and perform its obligations under the Master Lease, which will be modified as necessary to conform to circumstances as of the Effective Date, including paying all expenses relating to the General Automotive Building and paying rent to Reorganized Debtor pursuant to the Master Lease. These transactions were contemplated by the loan documents

9.1. BRIEF EXPLANATION OF CHAPTER 11

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code.

Under Chapter 11, a debtor is authorized to reorganize its business for the benefit of itself, its creditors and equity holders. In addition to permitting rehabilitation of the debtor, another

between Debtor and HomeStreet and Debtor and PDC and will have no material economic

impact on Reorganized Debtor or its ability to perform its obligations under this Plan.

Page 28 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

goal of Chapter 11 is to promote equality of treatment of creditors and equity holders of equal rank with respect to the distribution of a debtor's assets. In furtherance of these two goals, upon the filing of the reorganization under Chapter 11, Section 362 of the Bankruptcy Code generally provides for an automatic stay of substantially all acts and proceedings against the debtor and its property, including all attempts to collect debts or enforce liens that arose prior to commencement of the debtor's case under Chapter 11.

The confirmation of a plan of reorganization is the principal objective of a Chapter 11 reorganization case. A plan of reorganization sets forth the means for satisfying claims against, and interests in, a debtor. Confirmation of a plan of reorganization by a bankruptcy court makes the plan binding upon the debtor, any issuer of securities under the plan, any person acquiring property under the plan, and any creditor and any equity holder of the debtor. Subject to certain limited exceptions provided by the Bankruptcy Code and except as specifically provided in the plan of reorganization, the confirmation order discharges the debtor from any debt that arose prior to the date of such confirmation and order and substitutes therefor the obligations specified in the plan.

9.2. SOLICITATION AND CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS

9.2.1. General. Pursuant to Section 1123(a)(1) of the Bankruptcy Code, a plan of reorganization must designate classes of claims and classes of interest. The plan classifies all Claims and Interests into ten classes, including a class of Small Unsecured Claims for administrative convenience pursuant to Section 1122(b) of the Bankruptcy Code. The classification of Claims and Interests is made for the purpose of voting on the plan and making distributions thereunder, and for ease of administration of the Plan. A Claim or Interest is classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and is classified in a different Class to the extent that the Claim or Interest qualifies within the description of such different Class. A Claim or Interest

| is entitled to vote in a particular Class and to receive distribution in such Class only to the |
|---|
| extent that such Claim or Interest is an Allowed Claim or Allowed Interest in that Class and |
| has not been paid prior to the Effective Date. Under the Plan, a Claim or Interest is an |
| Allowed Claim against or an Allowed Interest in Debtor to the extent that (a) proof of the |
| Claim or Interest was (a) timely filed or (b) deemed filed under applicable law by reason of |
| an order of the Bankruptcy Court; or (c) scheduled by Debtor on its Schedules of Liabilities |
| as neither contingent, unliquidated or disputed; and (b) (a) no party in interest has filed an |
| objection within the time fixed by the Bankruptcy Court; or (b) the Claim or Interest is |
| allowed by Final Order; and (c) with respect to an application for compensation or |
| reimbursement of an Administrative Expense Claim, the amount of Administrative Expense |
| Claim of which has been approved by the Bankruptcy Court. |
| 9.2.2. <u>Unclassified Claims</u> . Administrative Expense Claims and Priority |
| Tax Claims are not classified. An Administrative Expense Claim is a claim against Debtor |
| constituting an expense of administration of the Bankruptcy Case allowed under |

Tax Claims are not classified. An Administrative Expense Claim is a claim against Debtor constituting an expense of administration of the Bankruptcy Case allowed under Section 503(b) of the Bankruptcy Code, including, without limitation, the actual and necessary costs and expenses of preserving the estate and operating the business of Debtor during the case, any indebtedness or obligations incurred by Debtor during the pendency of the case in connection with the conduct of, the acquisition or lease of property by, or the rendition of services to, Debtor and compensation for legal and other professional services and reimbursement of expenses and statutory fees payable to the United States Trustee.

A "Priority Tax Claim" is a claim of a governmental unit of the kind entitled to priority under Section 507(a)(8) of the Bankruptcy Code. Debtor does not believe it owes any significant amount of Priority Tax Claims.

Pursuant to the Plan, Administrative Expense Claims will be paid in full on the later of the Effective Date or the date on which any such Administrative Expense Claim becomes an Allowed Claim; provided, however, that the Administrative Expense Claim representing

| will be paid in accordance with the terms and conditions of the particular transactions and |
| any other agreements relating thereto. Debtor will provide a list of unpaid ordinary course |
| administrative expenses to the Court at the confirmation hearing on Debtor's Plan. |
| Priority Tax Claims will be paid as allowed by Section 1129(a)(9) within 30 days |
| following the Effective Date or the date the claim is Allowed, whichever first occurs. |
| 9.2.3. <u>Classified Claims</u> . The following summary of distributions under |
| the Plan to Classified Claims does not purport to be complete and is subject to, and is |
| qualified in its entirety by reference to, the Plan attached hereto as Exhibit 1. |
| 9.2.3.1. <u>Class 1 - Allowed Other Priority Claims</u> . An "Other |
| Priority Claim" is a claim against Debtor entitled to priority under Section 507(a) of the |
| Bankruptcy Code (other than an Administrative Expense Claim or Priority Tax Claim). |
| Debtor is unaware of any unpaid Other Priority Claim. However, pursuant to the Plan, unless |
| otherwise agreed by any holder of an Allowed Other Priority Claim, any such holder shall be |
| paid in full on the latest to occur of (1) the Effective Date, (2) the date such claim becomes |
| an Allowed Claim and (3) the date that the such claim becomes due and owing. |
| 9.2.3.2. <u>Class 2 – R&H Construction</u> . Class 2 consists of the |
| Allowed Secured Claim of R&H Construction. Debtor believes that R&H Construction |
| holds an Allowed Secured Claim secured by a perfected lien in the real property located at |
| 411 NW Park Ave., Portland, Oregon. R&H Construction will be paid the full amount of its |
| Allowed Secured Claim up to \$178,000 on the Effective Date (or, pursuant to Article 6 of the |
| Plan, on the date the secured claim is Allowed). In the event the Allowed Secured Claim of |
| R&H Construction exceeds \$178,000, then the unpaid balance will continue to be secured by |
| the assets of Reorganized Debtor to the same extent and with the same priority as on the |
| Petition Date and will be paid together with interest at the rate of 4.5% per annum on the |

second anniversary of the Effective Date. R&H Construction asserts that its lien is entitled to priority over HomeStreet's Secured Claim pursuant to ORS 87.025 because the lien is not for the alteration or repair of an improvement. Rather, R&H Construction asserts it is for the making or partial construction of an improvement. Although Debtor agrees with R&H Construction, Park & Flanders has objected to the R&H Construction Secured Claim and has filed an adversary proceeding seeking a determination of the validity and priority of the R&H Construction lien. In the event that Park & Flanders prevails or settles and satisfies R&H Construction's secured claim, then R&H Construction will not have an Allowed Secured Claim and the R&H Construction claim will be a General Unsecured Claim.

Class 2 is impaired and R&H Construction is entitled to vote on the Plan.

9.2.3.3. Class 3 – HomeStreet's Secured Claim. Class 3 consists of the Allowed Secured Claim of HomeStreet. HomeStreet's Allowed Secured Claim is secured by a perfected security interest in substantially all of Debtor's assets, including rents. HomeStreet will retain its interests in its Collateral with the same priority that it had as of the Petition Date. HomeStreet will retain its interests in the Tenant Leases notwithstanding Debtor's assignment of those leases pursuant to section 9.2.3.8. HomeStreet's claim will be an Allowed Secured Claim up to the value of the property securing the claim as agreed by the parties or set by the Court. HomeStreet's Allowed Secured Claim will be paid in full, together with interest at a fixed rate of 4.5%, or at such other rate fixed by the Court at confirmation. Commencing on the Effective Date, HomeStreet will be paid monthly payments of interest only for 12 months. Commencing on the first day of the thirteenth month following the Effective Date, HomeStreet will be paid equal, monthly amortizing payments of principal and interest based upon a 30-year amortization schedule with a balloon payment of the unpaid principal plus accrued interest due on the tenth anniversary of the Effective Date. Reorganized Debtor will maintain and insure the General Automotive Building and promptly pay all real property taxes as they come due.

1 Class 3 is impaired and HomeStreet is entitled to vote on the Plan. 2 9.2.3.4. Class 4 – General Unsecured Claims. Commencing on 3 the last business day of July, 2013 and continuing on the last business day of each October, 4 January, April, and July thereafter until paid or satisfied as hereafter provided, Reorganized 5 Debtor shall pay to each holder of a Class 4 claim an amount equal to its pro rata share of 6 Reorganized Debtor's Excess Cash as of the last day of the prior calendar quarter. Payments 7 shall continue until the (a) holders of Class 4 Claims have been paid in full, together with 8 interest at the Federal Judgment Rate; or (b) the last day of April 2023, whichever shall first 9 occur, provided, however that, in the event that holders of Class 4 Claims have received 10 payments totaling at least 60% of their Class 4 Claim on or before April 30, 2018, then the 11 Class 4 Claims will be deemed to have been paid and satisfied in full and Reorganized 12 Debtor will have no further payment obligations. Debtor believes that General Unsecured 13 Claims, excluding Insider claims and General Auto Lessee's claim could total up to 14 \$2,800,000. If the 1111(b) election of Park & Flanders relating to the PDC Claim is valid, 15 then General Unsecured Claims will total approximately \$1,300,000. 16 Class 4 is impaired and General Unsecured Creditors are entitled to vote on the Plan. 9.2.3.5. Class 5 – Multnomah County's Secured Claim. Class 5 17 18 consists of the Allowed Secured Claim of Multnomah County. Multnomah County has a lien 19 on the General Auto Building for unpaid real property taxes. Multnomah County's Secured 20 Claim will be paid in full prior to the Effective Date. Debtor anticipates that Multnomah 21 County will have no money owing to it on the Effective Date and, in turn, no Allowed Claim. 22 Class 5 is unimpaired. 23 9.2.3.6. Class 6 – Small Unsecured Claims. Class 6 consists of all Allowed Unsecured Claims in the amount of \$6,000 or less, or that have been reduced to 24 25 \$6,000 by election of the holders thereof. There are approximately \$18,750 of Class 6 26 Claims excluding those creditors who may elect to be included in Class 6. | 2 | or the date on which the Claim is Allowed. |
| 3 | Class 6 is impaired and Small Unsecured Creditors are entitled to vote on the Plan. |
| 4 | 9.2.3.7. <u>Class 7 – Insider Claims</u> . Insider Claims will be |
| 5 | subordinated to Class 4 Claims and no payment will be made on or in respect of Insider |
| 6 | Claims unless and until all Class 4 Claims have been paid as provided in Section 5.3 of the |
| 7 | Plan. Debtor believes that the Insider Claims exceed \$1,700,000. |
| 8 | Class 7 is impaired and Insider Claims are entitled to vote on the Plan. |
| 9 | 9.2.3.8. <u>Class 8 – General Auto Lessee.</u> General Auto Lessee's |
| 10 | Allowed Unsecured Claim will be satisfied by Reorganized Debtor's performance as follows: |
| 11 | On the Effective Date, (a) Debtor will assign all Tenant Leases to General Auto Lessee |
| 12 | subject to HomeStreet Bank's interests in the Tenant Leases and (b) Debtor and General Auto |
| 13 | Lessee will amend the Master Lease by modifying the annual base rent schedule set forth in |
| 14 | Section 4.1 of the Master Lease to be consistent with projected revenue from General |
| 15 | Automotive Building and Reorganized Debtor's obligations under this Plan and by modifying |
| 16 | the terms on which the Master Lease may be terminated. Debtor and General Auto Lessee |
| 17 | will execute an amendment in substantially the form and with substantially the content of the |
| 18 | amendment attached as Exhibit 2 to the Plan. General Auto Lessee will release any claims it |
| 19 | has against Debtor for Debtor's failure to assign Tenant Leases to General Auto Lessee and |
| 20 | Debtor will release any claims it has against General Auto Lessee for General Auto Lessee's |
| 21 | failure to make rent payments to Debtor. Debtor believes that the releases benefit the Estate |
| 22 | because the effect of such releases is that General Auto Lessee will release its claim for |
| 23 | approximately \$776,600 filed in this Chapter 11 Case. |
| 24 | Class 8 is impaired and General Auto Lessee is entitled to vote on the Plan. |
| 25 | 9.2.3.9. <u>Class 9 - Interests</u> . The Plan provides that holders of |
| 26 | Class 9 Interests will be extinguished. |
| | |

Class 9 is deemed to have rejected the Plan.

| 9.2.3.10. <u>Class 10 – PDC</u> . Class 10 consists of the Allowed Claim |
|---|
| of PDC. PDC has made an election under 11 U.S.C. § 1111(b). Unless the Court |
| determines that the Claim of PDC must be treated as an unsecured claim, the Class 10 Claim |
| will be satisfied by the following payments: (a) on the Effective Date, PDC will be paid an |
| amount equal to the value as of the Petition Date of its interest in Debtor's interest in PDC's |
| Collateral; (b) annual payments of \$14,000 each commencing on May 1, 2014 and |
| continuing on the first day of each May thereafter; and (c) the unpaid balance of PDC's |
| Allowed Claim will be paid in full on the earlier of the closing of a sale of the General |
| Automotive Building or the 15th anniversary of the Effective Date. Debtor believes this |
| treatment satisfies the requirements of 11 U.S.C. §§ 1111(b) and 1129(b)(2)(A)(II) because |
| PDC will receive payments equal to the full amount of its Allowed Claim with a present |
| value equal to not less than the value of PDC's interest in Debtor's interest in PDC's |
| Collateral. PDC will retain its interests in its Collateral with the same priority that it had as |
| of the Petition Date. Debtor shall have the right to refinance the General Automotive |
| Building subject to PDC's lien. PDC's lien shall be subordinated to any debt incurred in |
| connection with a refinance of the HomeStreet Secured Claim so long as the principal |
| balance owing on the refinanced loan does not exceed the then-principal amount owing on |
| the HomeStreet Secured Claim. If the Court finds that PDC's interest in Debtor's interest in |
| PDC's Collateral is of inconsequential value such that PDC was not entitled to make an |
| election under 11 U.S.C. § 1111(b), then PDC's Allowed Claim will be treated as a Class 4 |
| Claim. |

10. RECAPITALIZATION AND OFFER OF MEMBERSHIP INTERESTS

The Plan provides that all existing membership interests in Debtor will be cancelled on the Effective Date. All Creditors and Insiders are offered the opportunity to invest in the Reorganized Debtor and acquire newly issued membership interests. Such investments may

Page 35 of 49 - DEBTOR'S FOURTH FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

be made in \$50,000 increments. North Park Development has executed a subscription agreement and agreed to purchase a \$400,000 membership interest on the Effective Date. Any other Creditor or Insider that wishes to acquire a membership interest in the Reorganized Debtor must execute a subscription agreement in the form attached as Exhibit 1 to the Plan and deliver it to Debtor's counsel on or before the date set for the return of ballots accepting or rejecting the Plan. Membership Interests in the Reorganized Debtor will be allocated on a pro rata basis based on the total amount of new investments.

11. EXECUTORY CONTRACTS AND UNEXPIRED LEASES

The Bankruptcy Code gives debtors the right, after commencement of their Chapter 11 Cases, subject to the approval of the Bankruptcy Court, to assume or reject executory contracts and unexpired leases. Generally, an "executory contract" is a contract under which material performance (other than the payment of money) is still due by each party. The Plan provides for the assumption by the Debtor of all executory contracts and unexpired leases that are not expressly rejected or subject to a motion for rejection filed on or before the Confirmation Date.

If an executory contract or unexpired lease is or has been rejected, the other party to the agreement may file a Proof of Claim for damages resulting from such rejection. The Plan provides that a Proof of Claim with respect to any such Claim must be filed within 30 days of approval of the Bankruptcy Court of the rejection of the relevant executory contract or unexpired lease. Any such Claim shall constitute a Class 4 or Class 6 Claim to the extent that such Claim is finally treated as an Allowed Claim. To the extent Debtor rejects an unexpired lease of nonresidential real property, the Claim for damages resulting from such rejection will be limited to the amount allowed under the Bankruptcy Code.

Upon assumption of an executory contract or unexpired lease, Debtor must cure or provide adequate assurance of prompt cure of any monetary defaults. The Plan provides that Reorganized Debtor will promptly cure all monetary defaults. Debtor is in default with

Page 36 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

regards to one of the aforementioned residential leases with tenant (Lapchi). Debtor owes a prepetition balance to Lapchi, which monetary default will be cured upon the Effective Date.

12. EFFECT OF CONFIRMATION

12.1.1. Discharge. The treatment of, and consideration received by, holders of Allowed Claims and Allowed Interests pursuant to the Plan of Reorganization will be in full satisfaction, release and discharge of their respective Claims against or interests in the Debtor. Confirmation Orders shall discharge Debtor from any liability that arose before the Effective Date as provided in Sections 524 and 1141 of the Bankruptcy Code and any debt and liability of a kind specified in Sections 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not: (a) a Proof of Claim based on such debt or liability is filed or deemed filed under Section 501 of the Bankruptcy Code; (b) a Claim based on such debt or liability is Allowed; or (c) the holder of the Claim based on such debt or liability has accepted the Plan.

12.1.2. Revesting, Operation of Business. All property of the estate shall

12.1.2. <u>Revesting, Operation of Business</u>. All property of the estate shall revest in the Reorganized Debtor on the Effective Date free and clear of all rights, claims, liens, charges, encumbrances and interests, except as otherwise provided in the Plan.

12.1.3. <u>Injunction</u>. Except as otherwise expressly provided in the Plan, all persons who have held, hold, or may hold Claims or who may have held, hold or may hold any Interest are permanently enjoined from and after the Effective Date from

(a) commencing or continuing in any manner any action or other proceedings of any kind with respect to any Claims or Interests against Reorganized Debtor; (b) enforcing, attaching, collecting or recovering by any manner or any means any judgment, award, decree or order against Reorganized Debtor; (c) creating, perfecting or enforcing any encumbrances of any kind against Reorganized Debtor with respect to any such Claim except as specifically set forth in the Plan; (d) asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due to Debtor, Reorganized Debtor or their property; and

(e) proceeding in any manner in any place whatsoever that does not conform to, does not

| 1 | comply with, or is inconsistent with the provisions of the Plan or the order confirming the |
|----|--|
| 2 | Plan. |
| 3 | 12.1.4. Event of Default. Upon the occurrence of an Event of Default, the |
| 4 | holder of an Allowed Claim to whom performance is due shall have all rights and remedies |
| 5 | granted by law (namely, state law breach of contract rights), this Plan or any agreement |
| 6 | between the holder of such Claim and Debtor or Reorganized Debtor. |
| 7 | 12.1.5. <u>Utility Deposits</u> . The Plan provides that all utilities holding a Utility |
| 8 | Deposit shall immediately after the Effective Date return or refund such Utility Deposit to |
| 9 | Reorganized Debtor. At the sole option of Reorganized Debtor, Reorganized Debtor may |
| 10 | apply any Utility Deposit that has not been refunded to Reorganized Debtor in satisfaction of |
| 11 | any payments due or to become due from Reorganized Debtor to a utility holding such a |
| 12 | Utility Deposit. |
| 13 | 12.1.6. <u>Modification of the Plan; Revocation or Withdrawal of the Plan</u> . |
| 14 | Subject to Section 1127 of the Bankruptcy Code, Debtor reserves the right to alter, |
| 15 | amend or modify the Plan before its substantial consummation so long as the treatment of |
| 16 | holders of Claims and Interests under the Plan is not adversely affected. |
| 17 | 12.1.7. <u>Retention of Jurisdiction</u> . Notwithstanding the entry of the |
| 18 | Confirmation Order or the Effective Date having occurred, the Bankruptcy Court shall retain |
| 19 | exclusive jurisdiction over all matters arising out of or relating to the Chapter 11 Case, |
| 20 | including but not limited to the following matters to: (a) hear and determine any pending |
| 21 | applications for the rejection of executory contracts or unexpired leases, and the allowance of |
| 22 | Claims resulting therefrom; (b) determine any adversary proceedings, applications, contested |
| 23 | matters or other litigation matters pending on the Effective Date; (c) insure that distributions |
| 24 | to holders of Allowed Claims are accomplished; (d) hear and determine objections to or |
| 25 | requests for estimations of Claims, including any objections to the classification of any Claim |

and to allow, disallow and/or estimate any Claim in whole or in part; (e) enter and implement

such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, revoked, modified or vacated; (f) issue any appropriate orders in aid of execution of the Plan or to enforce the Confirmation Order and/or the discharge, or the effect of such discharge, provided to Debtor; (g) hear and determine any applications to modify the Plan, to cure any defective or omission or to reconcile any inconsistency in the Plan or in any order of the Bankruptcy Court, including, without limitation, the Confirmation Order; (h) hear and determine all applications for compensation and reimbursement of expenses of professionals under the Bankruptcy Code; (a) hear and determine disputes arising in connection with the interpretation, implementation or enforcement of the Plan; (j) hear and determine other issues presented or arising under the Plan; (k) hear and determine any other matters related hereto and not inconsistent with Chapter 11 of the Bankruptcy Code; and (l) enter a final decree closing the Chapter 11 Case.

12.1.8. <u>U.S. Trustee Fees</u>. Reorganized Debtor shall be responsible for timely payment of fees incurred pursuant to 28 U.S.C. § 1930(a)(6) until the case is closed, converted or dismissed. After confirmation, Reorganized Debtor shall serve on the United States Trustee a financial report for each quarter, or portion thereof, that the case remains open. The quarterly financial report shall include a statement of all disbursements made during the course of the quarter, whether or not pursuant to the Plan.

13. LIQUIDATION ANALYSIS

A Plan of Reorganization cannot be confirmed unless the Bankruptcy Court finds the Plan is in the "best interest of creditors" of holders of claims against, and interests in, debtor subject to such plan. The best interest test is satisfied if the plan provides each dissenting or non-voting member of each impaired Class with a recovery not less than the recovery such member would receive if the debtor was liquidated in a hypothetical case under Chapter 7 of the Bankruptcy Code by a Chapter 7 Trustee. Debtor believes the holders of impaired Claims will receive more than they would receive under a Chapter 7 liquidation. In applying

Page 39 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

| the "best interest" test, the Bankruptcy Court would ascertain the hypothetical recovery in a |
|--|
| Chapter 7 proceeding to secured Creditors, priority claimants, general Unsecured Creditors |
| and equity interest holders. The hypothetical Chapter 7 recoveries would then be compared |
| with the distribution offered to each Class of Claims or Interests under the Plan to determine |
| that the Plan satisfied the "best interest" test set forth in the Bankruptcy Code. |
| In a liquidation, it is likely that Multnomah County (Class 5) would be paid in full (to |
| the extent it is owed any money), R&H Construction (Class 2) would be paid in full, |
| HomeStreet's Secured Claim (Class 3) would be paid at least in part from the proceeds of its |
| Collateral, and General Unsecured Claims (Class 4) Small Unsecured Claims (Class 6), |
| General Auto Lessee (Class 8), and PDC (Class 10) would receive nothing. The following |
| chart demonstrates this: |
| Total Assets (Liquidation Value of Building) \$10,800,000 ¹ |
| Less Selling Expenses (10%) \$1,080,000 |
| Net Available to Creditors \$9,720,000 |
| Less Secured Claims: |
| Multnomah County R&H Construction HomeStreet S9,966,398 Net Available After Payment of Secured Claims Other Claimants: Administrative Expenses Unsecured Claims \$275,000 \$4,539,000 |

| 14. CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN |

Page 40 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

TO ENSURE COMPLIANCE WITH REQUIREMENTS IMPOSED BY THE INTERNAL REVENUE SERVICE, EACH CREDITOR AND EACH MEMBER IS HEREBY NOTIFIED THAT (A) ANY DISCUSSION OF U.S. FEDERAL TAX ISSUES IN THIS DISCLOSURE STATEMENT IS NOT INTENDED OR WRITTEN TO BE RELIED UPON, AND CANNOT BE RELIED UPON BY ANY CREDITOR OR MEMBER, FOR PURPOSES OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON SUCH CREDITOR OR MEMBER UNDER THE INTERNAL REVENUE CODE OF 1986, AS AMENDED; (B) SUCH DISCUSSION IS WRITTEN TO SUPPORT THE PROMOTION OF THE PLAN; AND (C) EACH CREDITOR AND EACH MEMBER SHOULD SEEK ADVICE BASED ON SUCH CREDITOR'S OR MEMBER'S PARTICULAR CIRCUMSTANCE FROM AN INDEPENDENT TAX ADVISOR.

14.1 INTRODUCTION

Implementation of the Plan may have federal, state, local and foreign tax consequences to the Debtor, Creditors and Members. No tax opinion or ruling has been sought or will be obtained with respect to any tax consequences of the Plan, and the following discussion does not constitute and is not intended to constitute either a tax opinion or tax advice to any person.

The following discussion is based upon the provisions of the Internal Revenue Code of 1986, as amended (the "IRC"), the Treasury regulations promulgated thereunder, and published rulings and court decisions in effect as of the date hereof, all of which are subject to change, possibly retroactively, and such changes could modify or adversely affect the federal income tax consequences summarized below. There can be no assurance that the Internal Revenue Service will agree with the federal income tax consequences described below.

The federal income tax consequences of the Plan are complex. Each Creditor and each Member is strongly urged to consult its own tax advisors as to the particular federal,

Page 41 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

state, local and foreign income and other tax consequences of the transactions contemplated by the Plan.

14.2 CANCELLATION OF DEBT INCOME: GENERAL RULE

Subject to certain exceptions, a debtor realizes income (referred to herein as "cancellation of debt" or "COD" income) upon the discharge or cancellation of its outstanding indebtedness in an amount equal to the excess (if any) of (a) the amount of the indebtedness discharged over (b) the amount of cash plus the issue price of any new indebtedness issued plus the fair market value of any other consideration given in satisfaction of the indebtedness.

One of the exceptions to this general rule provides that a debtor is not required to include COD income in gross income if the debtor is under the jurisdiction of the court in a Title 11 case and the discharge is granted by the court or the discharge is pursuant to a plan approved by the court (the "Bankruptcy Exception"). Instead, the amount excluded from gross income is applied to reduce certain tax attributes of the debtor in a specified order. Tax attributes generally are reduced by one dollar for each dollar excluded from gross income, except that tax credits are reduced by one-third of the amount excluded from gross income. Notwithstanding the general order of attribute reduction, the IRC provides a debtor with an election to reduce its tax basis in depreciable assets prior to reducing net operating losses. The reduction in tax attributes generally takes place after the federal income tax is determined for the tax year in which the debt discharge occurs. As Debtor is a partnership for federal income tax purposes, the COD rules will apply at the Member level only.

14.3 GENERAL DISCUSSION AND CANCELLATION OF DEBT INCOME: DEBTOR AND MEMBERS

The Debtor is classified as a partnership for federal income tax purposes. Section 1399 of the IRC provides that no separate taxable entity is created as a result of a partnership in bankruptcy. Therefore, the commencement of a bankruptcy proceeding by or against the

Page 42 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

Debtor will not result in the creation of a new taxable entity, nor will the commencement of the proceedings result in the recognition of any income, gain or loss to the Debtor, or result in the acceleration of any income or recapture of any tax benefits to the Debtor or its Members. Moreover, following the cancellation and extinguishment of the Interests and the issuance of new membership interests, income and deductions of the Reorganized Debtor will continue to flow through to each Member in the same manner as before the bankruptcy except to the extent that there has been a change in the percentage of outstanding membership interests owned by the Member.

Under the IRC, any cancellation of debt income recognized by the Debtor flows through to the ultimate beneficial owners of membership interests in the Debtor. Because the IRC exclusions from cancellation of debt income for discharge of debt in a Title 11 bankruptcy case or with respect to an insolvent taxpayer are applied at the ultimate beneficial owner level, they are not available with respect to a Member's allocable share of cancellation of debt income of the Debtor, unless that ultimate beneficial owner is itself the subject of a Title 11 bankruptcy case or is insolvent.

14.4 HISTORIC TAX CREDITS

Debtor and General Auto Lessee, LLC previously entered into certain agreements whereby (a) Debtor leased the General Automotive Building to General Auto Lessee, LLC and (b) Debtor elected to pass through to General Auto Lessee, LLC certain rehabilitation tax credits. The five-year recapture period for the pass-through rehabilitation tax credits has not yet expired.

The rehabilitation tax credit is subject to recapture if the rehabilitation tax credit property is disposed of, or otherwise ceases to be rehabilitation tax credit property with respect to the taxpayer, before the close of the recapture period. With respect to rehabilitation tax credits for which a pass-through election has been made by a lessor, the lessee is the "taxpayer" at issue. Accordingly, no recapture event is deemed to have occurred

Page 43 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

with respect to the General Automotive Building on account of the transactions contemplated by the Plan because (a) the Master Lease is being assumed by Debtor (with the effect that no disposition of the property has been made by General Auto Lessee, LLC, as lessee) and (b) the General Automotive Building does not cease to be rehabilitation tax credit property (i.e., the business use of the General Automotive Building has not changed and all of the new membership interests in Debtor will be held by persons that do not disqualify the property as rehabilitation tax credit property). The bankruptcy of Debtor, as lessor, is not a recapture event.

14.5 INFORMATION REPORTING AND BACKUP WITHHOLDING

Certain payments, including the payments with respect to Claims pursuant to the Plan, are generally subject to information reporting by the payor to the IRS. Moreover, under certain circumstances, a holder of a Claim may be subject to "backup withholding" with respect to payments made pursuant to the Plan, unless such holder either (a) comes within certain exempt categories (which generally include corporations) and, when required, demonstrates this fact, or (b) provides a correct United States taxpayer identification number and certifies under penalty of perjury that the holder is a United States person, the taxpayer identification number is correct, and that the taxpayer is not subject to backup withholding because of a failure to report all dividend and interest income. Backup withholding is not an additional tax. Amounts withheld under the backup withholding rules may be credited against the holder's United States federal income tax liability, and the holder may obtain a refund of any excess amounts withheld under the backup withholding rules by filing an appropriate claim for refund with the IRS.

14.6 GENERAL DISCLAIMER

The federal income tax consequences of the Plan are complex. The foregoing discussion is not intended to be a substitute for careful tax planning, particularly since certain of the federal income tax consequences of the Plan will not be the same for all Creditors or

| 15. ACCEPTANCE AND CONFIRMATION OF THE PLAN |
| 15.1. CONFIRMATION HEARING |
| The Bankruptcy Court has scheduled a hearing on confirmation of the Plan on |
| at Pacific Time. The hearing will be held at the United States |
| Bankruptcy Court for the District of Oregon, Courtroom 1, 1001 SW Fifth Avenue, Portland, |
| Oregon 97204, before the Honorable Elizabeth L. Perris, United States Bankruptcy Judge. |
| At that hearing, the Bankruptcy Court will consider whether the Plan satisfies the various |
| requirements of the Bankruptcy Code, including whether it is feasible and whether it is in the |
| best interest of Creditors and Interest holders of Debtor. Debtor will submit a report to the |
| Bankruptcy Court at that time concerning the votes for acceptance or rejection of the Plan by |
| the parties entitled to vote thereon. Any objection to confirmation of the Plan must be timely |
| filed as stated above. |
| 15.2. REQUIREMENTS OF CONFIRMATION |
| At the hearing on confirmation, the Bankruptcy Court will determine whether the |
| provisions of Section 1129 of the Bankruptcy Code have been satisfied. If all of the |
| provisions of Section 1129 are met, the Bankruptcy Court may enter an order confirming the |
| Plan. Debtor believes the Plan satisfies all of the requirements of Chapter 11 of the |
| Bankruptcy Code, that it has complied or will have complied with all of the requirements of |
| Chapter 11, and that the Plan has been proposed and is made in good faith. |
| 15.2.1. <u>The Best Interests of Creditors - Liquidation Alternative</u> . |
| Notwithstanding acceptance of the Plan by each impaired Class, to confirm the Plan the |
| Bankruptcy Court must determine that the Plan meets the requirements of Section 1129(a)(7) |
| of the Bankruptcy Code; that is, that the Plan is in the best interests of each holder of a Claim |

| or Interest in an impaired Class that has not voted to accept the Plan. Accordingly, if an |
|--|
| impaired Class does not unanimously accept the Plan, the "best interests" test requires that |
| the Bankruptcy Court find that the Plan provides to each holder of a Claim or Interest in such |
| impaired Class a recovery on account of the holder's Claim or Interest that has a value at least |
| equal to the value of the distribution that each such holder would receive if the debtor was |
| liquidated under Chapter 7 of the Bankruptcy Code. In the opinion of Debtor, confirmation |
| of the Plan is in the best interests of the holders of Claims and Interests because it provides to |
| holders of impaired Claims a distribution having a present value as of the Effective Date of |
| not less than the value such holders would likely receive if Debtor were liquidated under |
| Chapter 7 of the Bankruptcy Code. |
| |

Debtor believes that Chapter 7 liquidation would result in a diminution in the value to be realized by holders of Claims and Interests due to, among other factors, (a) the loss of the going concern value of Debtor's assets; (b) additional costs and expenses in the appointment of a Chapter 7 trustee and attorneys, accountants and other professionals to assist such trustee in the Chapter 7 case; and (c) additional expenses and Claims, some of which would be entitled to priority in payment, which would arise by reason of the liquidation, including Claims resulting from the breach of Debtor's real estate leases and in connection with cessation of the Debtor's business. Consequently, Debtor believes the Plan, which provides for the continuation of Debtor's business, will provide a greater ultimate return to the holders of Claims and Interests than would a Chapter 7 liquidation.

At the confirmation hearing, the Bankruptcy Court will determine whether the holders of impaired Claims and Interests receive a distribution under the Plan that is at least as great as the distribution that such holders would receive upon liquidation of Debtor pursuant to Chapter 7 of the Bankruptcy Code.

15.2.2. <u>Feasibility of the Plan</u>. Debtor believes that confirmation of the Plan is not likely to be followed by the liquidation of Reorganized Debtor or a need for a further

financial reorganization of Reorganized Debtor. The projections of Debtor's post-confirmation business, attached hereto as **Exhibit 2**, show sufficient earnings, investment, and cash flow from operations to support and meet the ongoing financial needs of Reorganized Debtor, which financial needs will be paid by both Debtor and General Auto Lessee, pursuant to the Tax Credit Documents. The projections indicate that the Plan as proposed by Debtor is feasible and that Reorganized Debtor will be financially viable after confirmation of the Plan.

15.3. CRAM DOWN

A Court may confirm a Plan, even if it is not accepted by all impaired classes if the Plan has been accepted by at least one impaired class of claims and the Plan meets the cram down requirements set forth in Section 1129(b) of the Bankruptcy Code. In the event any impaired Class of Claims does not accept the Plan, Debtor hereby requests the Bankruptcy Court to confirm the Plan in accordance with Section 1129(b) of the Bankruptcy Code or otherwise permit Debtor to modify the Plan.

15.4. RISK FACTORS

There are a number of risks associated with Debtor's proposed Plan. Each Creditor should carefully consider those risks in evaluating its vote on Debtor's Plan. All of the risks associated with Debtor's Plan are too numerous to identify, however, a few of those risks are set forth below.

15.4.1. General Financial Market Conditions. The recent disruption with numerous major financial institutions and the resulting crisis in the financial markets has rippled through the economy, and has impacted the real estate industry in particular. While the ultimate effects of this crisis on the owners and operators of buildings, such as Debtor, are as yet unclear, it is possible that this financial market will prevent even qualified borrowers from being able to obtain mortgages on affordable terms, if at all. A continued freeze of the credit markets could have a significant adverse impact on the Debtor.

Page 47 of 49 - DEBTOR'S FOURTH-FIFTH AMENDED DISCLOSURE STATEMENT (January 23FEBRUARY 11, 2013)

| 15.4.2. <u>Projected Financial Results</u> . The Debtor's projected financial results |
|---|
| reflect management's best estimate of Reorganized Debtor's future financial performance |
| based on currently known facts and hypothetical assumptions about, among other matters, the |
| timing, confirmation and consummation of the Plan in accordance with its terms, the |
| anticipated future performance of the Reorganized Debtor, and the real estate market. Many |
| of these factors are beyond the control of the Reorganized Debtor. As a consequence, the |
| actual financial results may differ significantly from the projections. Specifically, the |
| Reorganized Debtor may not be able to meet the projected financial results or achieve the |
| revenue or cash flow that it has assumed in projecting future leases and lease rates. Further, |
| in the event that the Court fixes an interest rate on the Class 3 Claim substantially higher than |
| 4.5% per annum, then Debtor's ability to meet the projected financial results will be |
| jeopardized. |

16. ALTERNATIVES TO CONFIRMATION OF THE PLAN

If a Plan is not confirmed, Debtor or another party in interest may attempt to formulate or propose a different Plan or Plans of Reorganization. Such Plans might involve a reorganization and continuation of Debtor's business, a sale of Debtor's business as a going concern, an orderly liquidation of Debtor's assets or any combination thereof. If no Plan of Reorganization is determined by the Bankruptcy Court to be confirmable, the Chapter 11 case may be converted to a liquidation proceeding under Chapter 7 of the Bankruptcy Code.

In a liquidation, a Chapter 7 Trustee would be appointed with the purpose of liquidating the assets of Debtor. Typically, in a liquidation, assets are sold for less than their going concern value and, accordingly, the return to Creditors and Interest holders is less than the return in a reorganization, which derives the value to be distributed in a Plan from the business as a going concern. Proceeds from liquidation would be distributed to Creditors and Interest holders of Debtor in accordance with the priorities set forth in the Bankruptcy Code.

| 1 | Debtor believes there is no currently available alternative that would offer holders of | |
|----|--|--|
| 2 | Claims and Interests in Debtor greater than the Plan. In fact, the likely alternative to | |
| 3 | confirmation of the Plan is that Park & Flanders will foreclose on the General Automotive | |

| 5 | vote on the Plan to vote to accept the Plan. | |

This Disclosure Statement has been prepared by Debtor based on information contained in its books and records. The information contained herein has been prepared in good faith, based upon information available to it. The information concerning the Plan has not been subject to a verified audit. Debtor believes this Disclosure Statement complies with the requirements of the Bankruptcy Code.

The statements contained in this Disclosure Statement are made as of the date hereof, unless another time is specified herein, and the delivery of this Disclosure Statement shall not imply there has been no change in the facts set forth herein since the date of this Disclosure Statement and the date of the material relied on in preparation of this Disclosure Statement was compiled. The description of the Plan contained in this Disclosure Statement is intended as a summary only and is qualified in its entirety by reference to the Plan itself. If any inconsistency exists between the Plan and this Disclosure Statement, the terms of the Plan are controlling. Each holder of a Claim is encouraged to read, consider, and carefully analyze the terms and provisions of the Plan. This Disclosure Statement may not be relied on for any purpose other than to determine how to vote on the Plan. Nothing contained herein shall constitute an admission of any fact or liability by any party, or be admissible in any proceeding involving Debtor or any other party, or be deemed conclusive advice on the tax or other legal effects of the reorganization on the holders of Claims or Interests.

A ballot has been enclosed with this Disclosure Statement for use in voting on the Plan. In order to be tabulated for purposes of determining whether the Plan has been accepted or rejected, ballots must be received at the address indicated on the ballot no later than 4:00 p.m. Pacific Time on _______,2013.

2. SUMMARY OF PLAN

A copy of the Plan is attached hereto as **Exhibit 1** and discussed in detail later in this Disclosure Statement. The following description of the Plan is intended as a summary only and is qualified in its entirety by reference to the Plan. Debtor urges each holder of a Claim to carefully review the entire Plan, together with this Disclosure Statement, before voting on the Plan.

2.1. GENERAL

Generally, the Plan provides that (a) all membership interests in Debtor will be cancelled on the Effective Date; (b) North Park Development will purchase a \$400,000 membership interest in Reorganized Debtor; (c) all Insiders and Creditors of Debtor are offered the opportunity to purchase membership interests in Reorganized Debtor in \$50,000 increments; (d) membership interests in Reorganized Debtor will be allocated pro rata among all new investors; and (e) Debtor will operate in the ordinary course and pay all Creditors in full or in part over time pursuant to the Plan from revenue generated by operations, from cash savings, and from the new investment in Debtor.

2.2. SECURED CREDITORS

Reorganized Debtor will pay its Secured Creditors, R&H Construction, Multnomah County, and HomeStreet Bank as follows.

2.2.1. R&H Construction filed a proof of claim in the amount of \$146,946.80. The proof of claim asserts that the claim is secured by a construction lien arising from certain improvements made to the General Automotive Building. R&H Construction believes it is owed the claim amount plus (a) interest accruing at the rate of

Page 3 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

| 18% per annum until the Effective Date and (b) costs and reasonable attorneys' fees. The |
|---|
| Plan provides that R&H Construction will be paid the full amount of its Allowed Secured |
| Claim up to \$178,000 on the Effective Date. Any unpaid balance will be payable together |
| with interest at 4.5% per annum on the second anniversary of the Effective Date. Park & |
| Flanders filed an objection to the R&H Construction claim and initiated an adversary |
| proceeding seeking a determination of the validity and priority of the R&H Construction lien. |
| In the event that Park & Flanders prevails, then the R&H Construction claim may not be an |
| Allowed Secured Claim. Pursuant to the Stipulated Order Extending Interim Use of Cash |
| Collateral entered on September 5, 2012 [Dkt. #159], Park & Flanders was granted relief |
| from stay to settle or satisfy the mechanic's lien claim of R&H Construction. In the event |
| that Park & Flanders' settles or satisfies the Allowed Secured Claim of R&H Construction, |
| any amounts paid by Park & Flanders to R&H Construction will be added as a protective |
| advance to either the Class 3 or Class 10 Claim. The balance of R&H Construction's |
| Allowed Claim will be treated as a Class 4 Claim. |
| 2.2.2. As of the Petition Date, Multnomah County had a lien on the |
| General Automotive Building for unpaid real property taxes in the approximate amount of |
| \$90,000. Multnomah County's Secured Claim will be paid in full prior to the Effective Date. |
| Debtor anticipates that Multnomah County will have no money owing to it on the Effective |
| Date and, in turn, no Allowed Claim. |
| 2.2.3. HomeStreet Bank's ("HomeStreet") Allowed Secured Claim is |
| secured by a perfected security interest in substantially all of Debtor's assets, including rents. |
| HomeStreet will retain its interests in its Collateral with the same priority that it had as of the |
| Petition Date. HomeStreet will retain its interests in the Tenant Leases notwithstanding |
| Debtor's assignment of those leases pursuant to Section 9.2.3.8. HomeStreet's Claim will be |
| an Allowed Secured Claim up to the value of HomeStreet's interest in the property securing |
| the Claim. In September of 2012, the Bankruptcy Court valued the General Auto Building at |

Page 4 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

\$10,800,000. HomeStreet's Allowed Secured Claim will be paid in full, together with interest at a fixed rate of 4.5%, or at such other rate fixed by the Court at confirmation. Commencing on the first day of the first month following the Effective Date and continuing on the first day of the following 11 months, HomeStreet will be paid monthly payments of interest only. Commencing on the first day of the thirteenth month following the Effective Date and continuing on the first day of each month thereafter, HomeStreet will be paid equal, monthly amortizing payments of principal and interest based upon a 30-year amortization schedule with a balloon payment of the unpaid principal plus accrued interest due on the tenth anniversary of the Effective Date. This means that Debtor will pay HomeStreet approximately \$39,938 per month in interest payments for 12 months, and then pay HomeStreet approximately \$53,962 per month in interest and principal for nine years. A balloon payment of approximately \$8,551,418 will then be paid to HomeStreet. After the Petition Date, HomeStreet assigned its claim to Park & Flanders. Reorganized Debtor will maintain and insure the General Automotive Building and promptly pay all real property taxes as they come due.

2.2.4. PDC assigned its claim to Park & Flanders. Park & Flanders has filed a notice of its election to have the PDC claim treated as a secured claim pursuant to 11 U.S.C. § 1111(b)(2). If the election is valid under the statute, then the PDC claim of \$1,477,000 will be treated as a secured claim.

2.3. UNSECURED CREDITORS

2.3.1. Commencing on the last business day of July 2013, and continuing on the last business day of each July, October, January, and July thereafter until paid or satisfied as hereafter provided, Reorganized Debtor shall pay to each holder of a Class 4 claim an amount equal to its pro rata share of Reorganized Debtor's Excess Cash as of the last day of the prior calendar quarter. Payments shall continue until the (a) holders of Class 4 Claims have been paid in full, together with interest at the Federal Judgment Rate; or (b) the

Page 5 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

| last day of April 2023, whichever shall first occur; provided, however that, in the event that |
|--|
| holders of Class 4 Claims have received payments totaling at least 60% of their Class 4 |
| Claim on or before April 30, 2018, then the Class 4 Claims will be deemed to have been paid |
| and satisfied in full and Reorganized Debtor will have no further payment obligations. If |
| Park & Flanders prevails on its objection to the R&H Construction secured claim, then the |
| R&H Construction claim will be a General Unsecured Claim, in whole or in part. In the |
| event that the PDC § 1111(b)(2) election is not upheld, then the PDC claim will be a Class 4 |
| unsecured claim. |
| 2.3.2. Small Unsecured Creditors (creditors with claims of \$6,000 or less) |
| will be paid 60% of their Allowed Claim in cash on the later of the Effective Date of the Plan |
| or the date on which the Claim is Allowed. Small Unsecured Creditors will not receive any |
| interest payment. |
| 2.3.3. General Auto Lessee's Allowed Unsecured Claim will be satisfied by |
| Reorganized Debtor as follows: On the Effective Date, Debtor will assign all Tenant Leases |
| to General Auto Lessee subject to HomeStreet Bank's interests in the Tenant Leases and |
| Debtor and General Auto Lessee will enter into an amendment to the Master Lease that will |
| (a) amend the schedule of base rent provided in Section 4.1 of the Master Lease as necessary |
| given Debtor's projected financial performance; (b) clarify Debtor's rights to terminate the |
| Master Lease; and (c) release Debtor and General Auto Lessee from any Pre-Effective Date |
| Claims arising under the Master Lease. Debtor and General Auto Lessee reaffirm their rights |
| and obligations arising from and after the Effective Date under the Tax Credit Documents. |
| 2.3.4. The Allowed Unsecured Claims of Insiders will be subordinated to |
| the payment of all other allowed unsecured claims. |
| 2.4. EQUITY INTERESTS |
| The Plan provides that existing equity interests in the Debtor will be extinguished. |

2.5. LEASES AND EXECUTORY CONTRACTS

All unexpired leases and executory contracts will be treated as set out in Section 8.1 below.

2.6. MISCELLANEOUS

The Effective Date of the Plan shall be the first day of the first month following the date that the Confirmation Order becomes a Final Order..

In the event any Class does not accept the Plan, Debtor reserves the right to request that the Bankruptcy Court confirm the Plan in accordance with Section 1129(b) of the Bankruptcy Code or otherwise modify the Plan.

3. BRIEF EXPLANATION OF CHAPTER 11

Chapter 11 of the Bankruptcy Code is the principal reorganization provision of the Bankruptcy Code. Pursuant to Chapter 11, a debtor attempts to reorganize its business for the benefit of the debtor, its creditors, and other parties in interest.

The formulation and confirmation of a plan of reorganization is the principal purpose of a Chapter 11 case. A plan of reorganization sets forth a proposed method for compensating the holders of claims and interests in the debtor. A claim or interest is impaired under a plan of reorganization if the plan provides that the legal, equitable, or contractual rights of the holder of such claim or interest are altered. A holder of an impaired claim or interest is entitled to vote to accept or reject the plan. Chapter 11 does not require all holders of claims and interests to vote in favor of a plan in order for the Bankruptcy Court to confirm it. However, the Bankruptcy Court must find that the plan meets a number of statutory tests before it may approve the plan. These tests are designed to protect the interests of holders of claims or interests who do not vote to accept the plan, but who will nonetheless be bound by the plan's provisions if it is confirmed by the Bankruptcy Court.

An official committee of unsecured creditors may be appointed by the trustee in Chapter 11 cases to, among other things, negotiate the plan of reorganization on behalf of the

Page 7 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

unsecured creditors of the debtor. A committee of unsecured creditors has not yet been appointed by the United States Trustee in this case.

4. VOTING PROCEDURES AND CONFIRMATION OF A PLAN

4.1. BALLOTS AND VOTING DEADLINE

A ballot to be used for voting to accept or reject the Plan is enclosed with each copy of this Disclosure Statement mailed to all Creditors entitled to vote. After carefully reviewing this Disclosure Statement and its exhibits, including the Plan, please indicate your acceptance or rejection of the Plan by voting in favor or against the Plan on the enclosed ballot as directed below.

The Bankruptcy Court has directed that, to be counted for voting purposes, ballots for the acceptance or rejection of the Plan must be received no later than 4:00 p.m. Pacific Time, on ________, 2013 by Debtor at the following address:

Tonkon Torp LLP, Attention: Ava L. Schoen 1600 Pioneer Tower 888 S.W. Fifth Avenue Portland, OR 97204-2099

Holders of each Claim scheduled by Debtor or with respect to which a Proof of Claim has been filed will receive ballots and are permitted to vote based on the amount of the Proof of Claim. If no Proof of Claim has been filed, then the vote will be based on the amount scheduled by Debtor in its Schedules. Holders of disputed Claims who have settled their dispute with Debtor are entitled to vote the settled amount of their Claim. The Bankruptcy Code provides that such votes will be counted unless the Claim has been disputed, disallowed, disqualified or suspended prior to computation of the vote on the Plan. The Claim to which an objection has been filed is not allowed to vote unless and until the Bankruptcy Court rules on the objection. The Bankruptcy Code provides that the Bankruptcy Court may, if requested to do so by the holder of such claim, estimate or temporarily allow a disputed claim for the purposes of voting on the Plan.

Page 8 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

If a person holds claims in more than one class entitled to vote on the Plan, such person will be entitled to complete and return a ballot for each Class. If you do not receive a ballot or if a ballot is damaged or lost, please contact:

Tonkon Torp LLP, Attention: Ava L. Schoen 1600 Pioneer Tower 888 S.W. Fifth Avenue Portland, OR 97204-2099

All persons entitled to vote on the Plan may cast their vote for or against the Plan by completing, dating and signing the ballot accompanying this Disclosure Statement and returning it, by First Class Mail or hand delivery, to Debtor at the address indicated above. In order to be counted, all ballots must be executed and received at the above address no later than 4:00 p.m. Pacific Time on ______, 2013. Any ballots received after 4:00 p.m. Pacific Time on ______, 2013 will not be included in any calculation to determine whether the parties entitled to vote on the Plan have voted to accept or reject the Plan.

When a ballot is signed and returned without further instruction regarding acceptance or rejection of the Plan, the signed ballot shall be counted as a vote accepting the Plan. When a ballot is returned indicating acceptance or rejection of the Plan but is unsigned, the unsigned ballot will not be included in any calculation to determine whether parties entitled to vote on the Plan have voted to accept or reject the Plan. When a ballot is returned without indicating the amount of the Claim, the amount shall be as set forth on Debtor's Schedules or any Proof of Claim filed with respect to such Claim.

4.2. PARTIES ENTITLED TO VOTE

Pursuant to Section 1126 of the Bankruptcy Code, each class of impaired claims or interests that is not deemed to reject the Plan is entitled to vote to accept or reject the Plan. Any holder of an Allowed Claim that is in an impaired class under the Plan, and whose Class is not deemed to reject the Plan, is entitled to vote. A Class is "impaired" unless the legal, equitable and contractual rights of the holders of claims in that Class are left unaltered by the

Page 9 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

Plan or if the Plan reinstates the Claims held by members of such Class by (1) curing any defaults, (2) reinstating the maturity of such claim, (3) compensating the holder of such claim for damages that result from the reasonable reliance on any contractual provision of law that allows acceleration of such claim and (4) otherwise leaving unaltered any legal, equitable or contractual right of which the Claim entitles the holder of such claim. Because of their favorable treatment, classes that are not impaired are conclusively presumed to accept the Plan. Accordingly, it is not necessary to solicit votes from the holders of claims in classes that are not impaired.

Classes of Claims or Interests that will not receive or retain any money or property under a Plan on account of such Claims or Interests are deemed, as a matter of law under Section 1126(g) of the Bankruptcy Code, to have rejected the Plan and are likewise not entitled to vote on the Plan. Class 9 (Interests) are deemed to have rejected Debtor's Plan.

Class 1 (Other Priority Claims) and Class 5 (Multnomah County) are not impaired and therefore are deemed to have accepted the Plan. All other Classes of Claims, Classes 2 through 4, Classes 6 through 8, and Class 10, are impaired under the Plan and persons holding Class 2 through 4, Classes 6 through 8, and Class 10 Claims are entitled to vote to accept or reject the Plan. Class 9 Interests is deemed to have rejected the Plan because holders of Class 9 Interests will receive nothing in consideration of their Interests.

4.3. VOTES REQUIRED FOR CLASS ACCEPTANCE OF THE PLAN

As a condition to confirmation, the Bankruptcy Code requires that each impaired Class of Claims or Interests accept the Plan, subject to the exceptions described below in the section entitled "Cram Down of the Plan." At least one impaired Class of Claims must accept the Plan in order for the Plan to be confirmed.

For a Class of Claims to accept a plan, Section 1126 of the Bankruptcy Code requires acceptance by Creditors that hold at least two-thirds in dollar amount and a majority in number of the Allowed Claims of such Class, in both cases counting only those claims

Page 10 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

actually voting to accept or reject the plan. The holders of Claims who fail to vote are not counted as either accepting or rejecting the Plan. If the Plan is confirmed, the Plan will be binding with respect to all holders of Claims and Interests in each Class, including Classes and members of Classes that did not vote or that voted to reject the Plan.

4.4. "CRAM DOWN" OF THE PLAN

If the Plan is not accepted by all the impaired Classes of Claims, the Plan may still be confirmed by the Bankruptcy Court pursuant to Section 1129(b) of the Bankruptcy Code's "Cram Down" provision if the Plan has been accepted by at least one Impaired Class of Claims, without counting the acceptances of any insiders of Debtor, and the Bankruptcy Court determines, among other things, that the Plan "does not discriminate unfairly" and is "fair and equitable" with respect to each non-accepting Impaired Class of Claims or Interest.

4.5. CONFIRMATION HEARING

The Bankruptcy Court has scheduled a hearing on confirmation of the Plan to take place on ______, 2013 at ______ Pacific Time. The Confirmation Hearing will be held at the United States Bankruptcy Court for the District of Oregon, Courtroom 1, 1001 SW Fifth Avenue, 8th Floor, Portland, Oregon, before the Honorable Elizabeth L. Perris, United States Bankruptcy Judge. At the hearing, the Bankruptcy Court will consider whether the Plan satisfies the various requirements of the Bankruptcy Code, including whether it is feasible and whether it is in the best interest of the creditors of Debtor. At that time, Debtor will submit a report to the Bankruptcy Court concerning the votes for acceptance or rejection of the Plan by the persons entitled to vote thereon.

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to confirmation of the Plan. Any objections to confirmation of the Plan must be made in writing and filed with the Bankruptcy Court and received by counsel for Debtor no later than _____, by Pacific Time. Unless an objection to confirmation is timely

filed and received, it may not be considered by the Bankruptcy Court.

5. BACKGROUND AND GENERAL INFORMATION

5.1. **DEBTOR**

Debtor is an Oregon limited liability company formed in 2007 with its principal place of business in Spokane, Washington. Debtor was formed to renovate and lease commercial property located at 411 NW Park Avenue, Portland, OR 97205 (the "General Automotive Building"). The General Automotive Building includes 40,000 square feet divided into thirteen units of varying sizes. As of the Petition date, Debtor has developed virtually all of the General Automotive Building and has leased approximately 98% of the building's space to retail and commercial tenants. Debtor continues to seek tenants for the remaining spaces.

5.2. DEBTOR'S BUSINESS STRATEGY

Debtor's strategy was and is to lease commercial and retail units in a beautifully restored and well-managed former industrial building at competitive rental rates. The General Automotive Building offers desirable space to tenants and potential tenants: it is located in the heart of the Pearl District, provides abundant natural light with views of the adjacent North Park Blocks, and offers flexible work space. Debtor has obtained LEED Gold designation.

5.3. MANAGEMENT

Debtor is a limited liability company made up of four members: North Park Development, LLC; Revonoc LLC; KTP Development LLC; and David Sniderman. North Park Development is the managing member of Debtor. Pursuant to the Plan, all Interests in Debtor will be extinguished on the Effective Date and North Park Development will invest \$400,000 of new money in Reorganized Debtor. North Park has executed a subscription agreement reflecting its anticipated investment. North Park Development will be the initial managing member of Debtor. All Creditors and Insiders will also have the opportunity to invest in the Reorganized Debtor and acquire newly issued membership interests (see Section 10 of this Disclosure Statement).

North Park Development or its successor managing member will be entitled to compensation not to exceed \$2,000 per month and reimbursement of expenses not to exceed \$1,000 per month. In addition, North Park Development (and any other entities that elect to acquire membership interest in the Reorganized Debtor pursuant to the Plan, will be entitled to distributions necessary to pay any federal, state, or local income taxes arising from taxable income of the Reorganized Debtor.

Since filing for bankruptcy protection, Debtor has retained a third-party property management company, Deering Management Group, Inc. ("Deering"). Deering was formed in 1992. It manages approximately 75 assets in Oregon and Washington. Its services include asset and facility management for office, retail, and mixed use facilities. Prior to forming Deering, its president, Mariann Deering, spent 28 years in Portland, Oregon with companies such as CB Commercial Real Estate Group, Inc., Prendergast and Associates, Cushman and Wakefield, and First Interstate Bank. Debtor has no ownership interest in Deering and Deering has no ownership interest in Debtor. Deering acts as Debtor's exclusive agent for purposes of managing and operating the General Automotive Building. Deering's responsibilities include ensuring that repairs are made; entering into service contracts; collecting and segregating rent; and paying expenses, taxes and insurance Deering renders monthly statements to the managing member; these statements reflect income, operating and non-operating expenses, an activity reconciliation report (which includes details of rent payments), and an accounts payable distribution (which provides details on payments made). For its services, Deering is paid 2-1/2% of General Automotive Building's gross income each month. As of the Effective Date and consistent with the Tax Credit Documents, Deering will be retained by General Auto Lessee to carry out its work as property manager of the General Automotive Building.

Debtor has also engaged Apex Real Estate Partners ("Apex") as its exclusive listing agent to help secure satisfactory tenants for any units in the General Automotive Building

| that are vacant or become vacant. Apex has considerable experience as a leasing agent and |
|---|
| extensive knowledge of the neighborhood in which the General Automotive Building is |
| located. Debtor anticipates that General Auto Lessee will continue to engage Apex as its |
| leasing agent. |

To the extent no other Insiders or Creditors invest in the Reorganized Debtor, North Park Development will be the Reorganized Debtor's sole member and its managing member. North Park Development and Deering have in-depth experience in the commercial real estate industry and with the rental market in Portland, Oregon. North Park Development's members will include Robert Brewster, Sr., Robert Brewster, Jr. and David Sniderman.

5.4. FINANCIAL PERFORMANCE

Attached as **Exhibit 2** is a spreadsheet that presents in summary fashion the actual operating results for Debtor from the Petition Date and the projected operating results for Debtor through fiscal year 2022 on a monthly basis. **Exhibit 2** reflects that Debtor has had financial success leasing units in the General Automotive Building and that Debtor projects that it will have adequate funds with which to repay its creditors.

Debtor's projections are based on the following:

• The projections reflect the projected operating performance of the General Automotive Building. They do not reflect the Master Lease with General Auto Lessee (see Section 7.2.6 of this Disclosure Statement and Exhibit 2 to the Plan) because Debtor anticipates that the Master Lease will be terminated in the first half of 2015, prior to projected distributions to General Unsecured Creditors and, upon termination, all leases and reserves will be assigned and transferred to Reorganized Debtor. There will be no material impact on the projected results of operations. If you would like detailed information on the Master Lease, please contact:

| 9 | market and the space will be leased at the end of each existing term, with |
| 10 | annual rent increases of 3%. |
| 11 | In November of 2013, rent payable on the Shop Ignitor space will increase |
| 12 | to \$17,500 per month from \$11,844 per month. Thereafter, the rent will |
| 13 | increase at 3% per year. |
| 14 | Vacancy and collection loss will be 5%. |

| 4 | secured claim will be \$11,000,000 or more. If HomeStreet is correct, then |
| 5 | the debt service payable to Park & Flanders will be greater than projected. |
| 6 | • The HomeStreet secured claim will accrue interest at 4.5% per annum. |
| 7 | Park & Flanders disagrees with this assumption and asserts that the |
| 8 | interest rate should be significantly higher. An increase in the interest rate |
| 9 | would result in an increase in debt service. |
| 10 | • The projections do not incorporate the \$14,000 annual payment on the |
| 11 | PDC Claim projected in the plan in the event that the 1111(b) election is |
| 12 | valid. The Court has not determined if the election is valid and the annual |
| 13 | payments would have little impact on the amount payable to unsecured |
| 14 | creditors. |
| 15 | • The Master Lease with General Auto Lessee is not reflected because it |
| 16 | will be terminated within two years and will have no impact on the |
| 17 | projected financial performance of Reorganized Debtor or the projected |
| 18 | distributions to Unsecured Creditors. |
| 19 | Debtor believes the projections are reasonable and achievable, but there are many |
| 20 | variables that can and will affect the actual financial results that are achieved by Reorganized |
| 21 | Debtor. Significant distributions to General Unsecured Creditors should begin by 2016. |
| 22 | Assuming the Park & Flanders 1111(b) election is valid, Debtor's projections reflect that |
| 23 | General Unsecured Creditors will be paid in full over the 10-year term of the plan payments. |
| 24 | Absent additional new investment or financing, it is unlikely that Reorganized Debtor will be |
| 25 | able to elect to satisfy General Unsecured Claims within five years by paying a total of 60% |
| 26 | of the amount of each Claim. On the other hand, if the plan is not confirmed, unsecured |

creditors will receive nothing because Park & Flanders will foreclose the lien it acquired from HomeStreet Bank.

6. THE BANKRUPTCY CASE

6.1. THE FILING

Debtor obtained a loan from HomeStreet in June 2008 in the principal amount of \$10,200,000 ("HomeStreet Loan"). Pursuant to an agreement between Debtor and HomeStreet in September 2010, the principal amount of the loan was reduced to \$10,000,000. To secure the obligations under the HomeStreet Loan, Debtor granted to HomeStreet a Line of Credit Commercial Deed of Trust, Assignment of Rents and Leases, and Security Agreement and Fixture Filing. The loan was originally due to mature on January 1, 2010, but was extended several times by agreement between HomeStreet and the Debtor.

Debtor also obtained a loan from PDC in June 2008 in the principal amount of \$1,400,000 ("PDC Loan"). To secure the obligations under the PDC Loan, Debtor granted to PDC a Line of Credit Commercial Deed of Trust, Security Agreement, Fixture Filing and Assignment of Leases and Rents. The loan was due to mature on June 1, 2019. Pursuant to a Subordination, Nondisturbance and Attornment Agreement, the PDC Loan is subordinate to the HomeStreet Loan.

In early 2012, debtor hired R&H Construction to perform work at the General Automotive Building and authorized tenant improvements for tenants based on an additional anticipated loan of \$225,000 from PDC. PDC ultimately did not fund that loan. Due to PDC's failure to fund the additional loan, the difficult economic and real estate markets in which Debtor was developing the General Automotive Building, and unanticipated rent concessions and tenant improvement costs, Debtor was unable to remain current on its payments to HomeStreet and PDC and defaulted on the HomeStreet Loan and PDC Loan. In January 2012, PDC demanded payment of the full loan balance from Debtor and in February

Page 17 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

2012, HomeStreet demanded payment of the full loan balance from Debtor. Debtor was unable to make such payments. HomeStreet, in turn, commenced a non-judicial foreclosure of the deed of trust and filed a motion for appointment of a receiver.

In order to keep Debtor operating, and protect Debtor's creditors, Debtor resolved to seek the protection of Chapter 11 Bankruptcy.

6.2. TRANSFER OF CLAIMS TO PARK & FLANDERS

On May 29, 2012, HomeStreet transferred to Park & Flanders all HomeStreet's right, title and interest in and to HomeStreet's claims against the Debtor. On that same day, PDC transferred to Park & Flanders all of PDC's right, title and interest in and to PDC's claims against the Debtor.

On June 29, 2012, Park & Flanders filed a proof of claim for (a) \$10,529,361.87 based upon the claim transferred to it by HomeStreet and (b) \$1,477,761.30 based upon the claim transferred to it by PDC.

6.3. MOTION FOR RELIEF FROM STAY

Prior to transferring its claims to Park & Flanders, HomeStreet filed a motion for relief from the automatic stay seeking to terminate the automatic stay to permit HomeStreet to complete a non-judicial foreclosure of the General Automotive Building. Debtor filed a brief in opposition to the motion and Park & Flanders (having at this point become the transferee of HomeStreet's claim) filed a brief in support of the motion. On June 15, 2012, the Bankruptcy Court entered an order, which (a) neither granted nor denied the motion for relief from stay and (b) determined that a final hearing on the motion for relief from stay will be held immediately following the confirmation hearing. Debtor believes that if the motion for relief from stay is granted, Park & Flanders will foreclose on the General Automotive Building. If a foreclosure takes place, there will be no money available to make payments to any creditors other than Park & Flanders.

Page 18 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

In November of 2012, Park & Flanders filed a second motion for relief from stay, which the Court denied.

6.4. VALUATION OF THE GENERAL AUTOMOTIVE BUILDING

On June 26, 2012, Park & Flanders filed a motion with the Bankruptcy Court seeking an evidentiary hearing to determine the value of the General Automotive Building.

Thereafter, on August 27, August 29 and September 6, 2012 a hearing was held to determine the value of the General Automotive Building. The Bankruptcy Court heard and considered evidence, including the testimony of witnesses, expert appraisal reports, and other documentary evidence, and considered the arguments of counsel for the Debtor and Park & Flanders. The Bankruptcy Court valued the General Automotive Building at \$10,800,000.

In subsequent pleadings, Park & Flanders has asserted that the value of the General Automotive Building has increased since the September valuation as a result of Debtor's leasing efforts. Debtor anticipates that Park & Flanders will seek to revisit the valuation of the building at the confirmation hearing.

6.5. PARK & FLANDERS' OBJECTIONS TO DISCLOSURE STATEMENTS

Park & Flanders filed an objection to Debtor's original disclosure statement (filed May 31, 2012). Park & Flanders states that the May 31, 2012 disclosure statement was not adequate because it, (a) does not provide adequate disclosure regarding the terms of the Master Lease and General Auto Lessee's ability to make payments pursuant to the Master Lease, (b) does not state the correct value of the General Automotive Building, (c) fails to adequately treat secured and super priority claims transferred from the PDC to and asserted by Park & Flanders, (d) does not explain why R&H Construction's lien is senior to Park & Flanders' liens, (e) does not reflect property taxes paid by Debtor, and (f) does not adequately disclose North Park Development's willingness or ability to purchase a membership interest

Page 19 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

in the Reorganized Debtor. Debtor believes that it has addressed all of Park & Flanders' objections.

Park & Flanders further argues that it will not support Debtor's Plan and that the Plan should not be confirmed because it, (a) "transmutes" existing tenant leases into subleases, (b) does not satisfy the "cram down" provisions applicable to secured creditors, (c) violates the "absolute priority rule," (d) fails to properly treat Park & Flanders' secured and super priority claims, (v) is not feasible, and (vi) was not filed in good faith. Debtor disagrees with all of Park & Flanders' objections to confirmation.

Debtor filed a first amended disclosure statement on October 5, 2012, a second amended disclosure statement on November 27, 2012, a third amended disclosure statement on December 17, 2012, and a Fourth Amended Disclosure Statement on January 23, 2013. Park & Flanders has objected to each disclosure statement asserting virtually the same positions. Park & Flanders continues to assert that the Plan is not confirmable. Debtor continues to believe that the Plan is confirmable. If the Plan is not confirmed, Park & Flanders will foreclose the deed of trust it acquired from HomeStreet and unsecured creditors will receive nothing.

7. ASSETS AND LIABILITIES

7.1. ASSETS

Debtor's principal asset is the commercial property and real estate located at 411 NW Park Avenue, Portland, OR 97205 (the General Automotive Building). As described above, the Bankruptcy Court has valued the General Automotive Building at \$10,800,000.

Debtor generates revenue from the leases with its tenants. Currently, Debtor is a party to twelve leases with its tenants generating approximately \$80,000 per month in revenues.

Page 20 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

7.2. LIABILITIES

| 7.2.1. <u>R&H Construction</u> . R&H Construction performed construction in |
|--|
| and upon the General Automotive Building for which it was not paid. R&H Construction |
| recorded a claim of construction lien in Multnomah County on February 27, 2012. The |
| amount of debt owing to R&H Construction as of the Petition Date was \$146,946.80. If |
| R&H Construction holds a valid first priority lien, then R&H Construction is an oversecured |
| creditor and R&H Construction is entitled to post-petition contract interest and attorney fees |
| allowed by Oregon statute. Debtor believes that R&H Construction has a valid first priority |
| lien because the improvements constructed by R&H Construction were not repairs or |
| alterations. Park & Flanders has objected to the R&H Construction secured claim and has |
| commenced an adversary proceeding seeking a determination that the R&H Construction lien |
| is not valid and is subordinate to the Park & Flanders' secured claim. If Park & Flanders |
| prevails, then R&H Construction will not have an Allowed Secured Claim and will hold a |
| General Unsecured Claim. In the event that Park & Flanders and R&H Construction reach a |
| settlement on the validity and priority of R&H Construction's lien then the R&H |
| Construction Secured Claim may be satisfied and R&H Construction will have an unsecured |
| claim for any unpaid balance. |

- 7.2.2. <u>Multnomah County Assessment & Taxation</u>. On the Petition Date, Multnomah County was a secured creditor of Debtor. The amount of debt owing to Multnomah County was approximately \$90,000. The obligations of Debtor to Multnomah County were secured by a lien on the Property. All property taxes for the 2012-2013 and 2011-2012 tax years and prior years have been paid.
- 7.2.3. HomeStreet Bank. According to the proof of claim filed by Park & Flanders (the successor to HomeStreet's Claim), the principal amount of debt owing to HomeStreet as of the Petition Date is \$9,966,398.01 and the total debt owing to HomeStreet as of the Petition Date is \$10,529,361.87. The obligations of Debtor to HomeStreet are

| HomeStreet is a secured creditor of Debtor up to the value of the collateral. In September of |
| 2012, the Bankruptcy Court found the value of the General Automotive Building to be |
| \$10,800,000. Park & Flanders has asserted that the value of the building has increased since |
| the Court's determination. |
| HomeStreet is undersecured. HomeStreet's secured claim will be allowed in an |
| amount equal to HomeStreet's interest in Debtor's interest in the property securing |
| HomeStreet's claim. The claim will be determined at the Confirmation Hearing. Park & |
| Flanders disagrees with Debtor's characterization that HomeStreet's secured claim is |
| undersecured. |
| Debtor is analyzing the implications of HomeStreet's management of draw requests |
| and disbursements of funds in a manner that was inconsistent with Debtor's instructions. |
| Debtor has not determined whether it has a valid claim against HomeStreet. |

| Debtor and General Auto Lessee. The Tax Credit Documents were executed simultaneously |
| with the PDC and HomeStreet loan agreements and were an integral part of the financing |
| package that funded the development and rehabilitation of the General Automotive Building. |
| Both HomeStreet and PDC contemplated and approved the execution by Debtor of its |
| agreements with General Auto Lessee and relied on the payment by General Auto Lessee of |
| its obligations under the agreements. The General Auto Lessee claim is treated as the Class 8 |
| Claim. |
| On June 13, 2008, Debtor executed loan agreements with HomeStreet and PDC. |
| Simultaneously, Debtor executed the Tax Credit Documents with General Auto Lessee: the |
| Master Lease, the HTC Pass-Through Agreement (the "Pass-Through Agreement") and the |
| Tenant Improvement and Commission Payment Agreement (the "Payment Agreement"). |
| The three agreements between Debtor and General Auto Lessee resulted in the payment by |
| General Auto Lessee of approximately \$700,000 to Debtor for the development of the |
| General Automotive Building. The General Auto Lessee financing was essential to the |
| development and was relied upon by both HomeStreet and PDC in their investment |
| decisions. |
| Debtor rehabilitated the General Automotive Building in a manner that qualified for |
| the 10% historical rehabilitation tax credit (the "Historic Tax Credit") described in Section 47 |
| of the Internal Revenue Code. Debtor leased the Building to General Auto Lessee pursuant |
| to the Master Lease, and General Auto Lessee was to operate the Building as a commercial |
| Property. The Pass-Through Agreement provided for the pass-through of the Historic Tax |
| Credit to General Auto Lessee. The Payment Agreement provided for the payment of an |
| amount that ultimately approximated \$700,000 by General Auto Lessee to Debtor. |

Simultaneously with the execution of the three agreements between Debtor and General Auto Lessee, several agreements were executed relating to the capitalization, ownership, and control of General Auto Lessee, including the General Auto Lessee, LLC Operating Agreement, a Purchase Agreement, and a Guarantee Agreement. Debtor is not a party to any of those agreements. TCC and General Auto Development Manager are parties to all three agreements. Robert C. Brewster, Jr. ("Brewster") is a party to the Guarantee Agreement. Generally, the Agreements provide that TCC will own 99.9% of General Auto Lessee in exchange for a capital investment approaching \$800,000. General Auto Development Manager owns .1% and is the manager of General Auto Lessee. Pursuant to the Purchase Agreement, General Auto Development Manager has the right and obligation to purchase the interest of TCC in General Auto Lessee under certain conditions from and after January 1, 2015. It is contemplated that General Auto Development Manager will acquire the interests of TCC in General Auto Lessee in the first half of 2015. The Guarantee Agreement provides that Brewster guarantees for the benefit of TCC that General Auto Lessee and General Auto Development will perform their obligations to TCC. After the PDC loan documents, HomeStreet loan documents, and General Auto Lessee agreements were executed by Debtor, Debtor commenced the rehabilitation and development of the General Automotive Building. The rehabilitation took longer and cost more than were originally projected. The General Automotive Building certificate of occupancy was issued in October of 2009 and the building was placed into service at that time. The start date for the first lease of space in the building was June 1, 2010.

The Master Lease provided that, after the "Possession Date," Debtor was to assign all Existing Leases to General Auto Lessee, and General Auto Lessee was to operate the General Automotive Building and pay rent to Debtor. The "Possession Date" coincided with the completion of "Landlord's Work." Both terms are defined in the Master Lease. The delay in completion of the project raises ambiguities relating to adjustments to the rent schedule in the

Page 24 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

Master Lease. Further, Debtor continued to enter into leases in its own name and the operation of the Building was not transitioned to General Auto Lessee. Consequently, rental income did not flow through General Auto Lessee and General Auto Lessee did not make lease payments to Debtor, although General Auto Lessee did pay approximately \$700,000 to Debtor pursuant to the Payment Agreement.

Article 31 of the Master Lease contains very broad exculpation provisions. Article 31 provides that in the case of a default by Debtor or General Auto Lessee, the parties can look solely to the assets of the other party, including its interests in the Building and leases. No

member of either party will have any liability. General Auto Lessee has no significant assets other than its leasehold interests under the Master Lease and its claim against Debtor.

General Auto Lessee filed its claim for \$776,612.79 principally because the default by Debtor in the performance of its obligations under the Master Lease may, unless

by Debtor in the performance of its obligations under the Master Lease may, unless remedied, result in the recapture of the Historic Tax Credit from General Auto Lessee and its members. The Plan treatment of the General Auto Lessee claim reflects a settlement between the parties whereby (a) Debtor will assign the Tenant Leases to General Auto Lessee; and (b) the Master Lease will be amended by modifying the rent schedule and clarifying the terms on which the Master Lease may be terminated. Debtor and General Auto Lessee also release each other from claims arising from the failure of Debtor to assign leases and turn over the operation of the General Automotive Building to General Auto Lessee and the failure of General Auto Lessee to pay the rent originally scheduled in the lease.

Debtor believes that the Plan's treatment of General Auto Lessee's claim and the settlement is in the best interests of Debtor, its estate, and its creditors for the following reasons:

- The \$776,612 claim of General Auto Lessee will be released to the benefit of all unsecured creditors.
- General Auto Lessee and TCC will receive the benefit of their bargain.

Page 25 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

- Park & Flanders will retain all of the security interests in property of the estate that it had prior to the Effective Date because (a) the Tenant Leases will be assigned to General Auto Lessee subject to the security interests and liens of Park & Flanders; (b) Park & Flanders will have a security interest and lien on the Master Lease, all subleases hereafter entered into by General Auto Lessee, and rents, proceeds, and profits generated by such leases, including all cash of General Auto Lessee.
- being released have absolutely no value because (a) Debtor's default in failing to assign leases and transfer operations to General Auto Lessee excused General Auto Lessee's failure to pay rent; (b) the terms of the Master Lease explicitly limit any claim for damages against General Auto Lessee to its interests in the Master Lease and its other assets. Absent settlement, General Auto Lessee will have no assets other than the Master Lease and its claim against Debtor. After settlement, Debtor and Park & Flanders will have a security interest in all the assets of General Auto Lessee and, in the event of a default, all such assets will be available to Debtor or Park & Flanders.
- The Master Lease is a pass-through. The rent schedule is designed to require the payment of rent to Debtor that is substantially equal to the net operating income received by General Auto Lessee after payment of operating expenses.
- The Master Lease will be terminable within approximately two years.
- The Pass-Through Agreement and the Payment Agreement are not being modified.

The effect of the delay in the occurrence of the Completion Date, the
 Credit Commencement Date, and the Possession Date on General Auto
 Lessee's rent obligations is uncertain and the settlement will eliminate the
 possibility of unnecessary and expensive litigation.

It should also be noted that the Operating Agreement, Purchase Agreement, and Guarantee are not being modified. Debtor is not a party to those agreements and the rights of other parties in or to those agreements will not be modified by the Plan. In particular, the guarantee of Brewster pursuant to the Guarantee of Brewster pursuant to the Guarantee Agreement is not modified.

8. ADMINISTRATIVE EXPENSES

Debtor has retained Tonkon Torp LLP as its counsel in this case. Debtor has retained Apex Real Estate Partners to provide leasing services and anticipates retaining Anton Collins Mitchell LLP to provide tax services. Debtor anticipates it will incur approximately \$275,000 in professional fees and expenses through confirmation of the Plan.

Park & Flanders has asserted that the PDC loan is entitled to a super priority administrative expense claim pursuant to section 507(b) of the Bankruptcy Code because of a failure of adequate protection. Debtor disputes that assertion because, among other things, PDC's claim was unsecured as of the Petition Date because secured claims with priority over the secured claim of PDC exceeded the value of PDC's collateral as of the Petition Date. Therefore, PDC's interest in Debtor's interest in PDC's collateral had no value and is not entitled to adequate protection. In the event that PDC is entitled to a super priority administrative expense claim pursuant to Section 507(b) of the Bankruptcy Code, the claim will be paid on the Effective Date. The Plan provides for the payment in full to PDC on the Effective Date of the value as of the Petition Date of PDC's interest in Debtor's interest in PDC's Collateral.

8.1. EXECUTORY CONTRACTS

Debtor is a party to (a) a contract with Kone for elevator maintenance (b) leases with the tenants in the General Automotive Building, and (c) a Master Lease with General Auto Lessee.

Debtor will assume its contract with Kone and cure any default of that contract on the Effective Date.

Debtor is in default of the lease with tenant Lapchi due to unreimbursed tenant improvements owed by Debtor to Lapchi. On the Effective Date, Debtor will assume all Tenant Leases, including the lease with Lapchi, assign all Tenant Leases to General Auto Lessee subject to HomeStreet Bank's interests in the Tenant Leases, and cure the default in the Lapchi lease by paying the outstanding balance owing to Lapchi. Nothing in the terms of the Tenant Leases prohibits Debtor from assigning those leases to General Auto Lessee. Thereafter, General Auto Lessee will collect rent from all tenants of the General Automotive Building and perform its obligations under the Master Lease, which will be modified as necessary to conform to circumstances as of the Effective Date, including paying all expenses relating to the General Automotive Building and paying rent to Reorganized Debtor pursuant to the Master Lease. These transactions were contemplated by the loan documents between Debtor and HomeStreet and Debtor and PDC and will have no material economic impact on Reorganized Debtor or its ability to perform its obligations under this Plan.

9. DESCRIPTION OF PLAN OF REORGANIZATION

9.1. BRIEF EXPLANATION OF CHAPTER 11

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code.

Under Chapter 11, a debtor is authorized to reorganize its business for the benefit of itself, its creditors and equity holders. In addition to permitting rehabilitation of the debtor, another goal of Chapter 11 is to promote equality of treatment of creditors and equity holders of equal rank with respect to the distribution of a debtor's assets. In furtherance of these two

Page 28 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

goals, upon the filing of the reorganization under Chapter 11, Section 362 of the Bankruptcy Code generally provides for an automatic stay of substantially all acts and proceedings against the debtor and its property, including all attempts to collect debts or enforce liens that arose prior to commencement of the debtor's case under Chapter 11.

The confirmation of a plan of reorganization is the principal objective of a Chapter 11 reorganization case. A plan of reorganization sets forth the means for satisfying claims against, and interests in, a debtor. Confirmation of a plan of reorganization by a bankruptcy court makes the plan binding upon the debtor, any issuer of securities under the plan, any person acquiring property under the plan, and any creditor and any equity holder of the debtor. Subject to certain limited exceptions provided by the Bankruptcy Code and except as specifically provided in the plan of reorganization, the confirmation order discharges the debtor from any debt that arose prior to the date of such confirmation and order and substitutes therefor the obligations specified in the plan.

9.2. SOLICITATION AND CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS

9.2.1. General. Pursuant to Section 1123(a)(1) of the Bankruptcy Code, a plan of reorganization must designate classes of claims and classes of interest. The plan classifies all Claims and Interests into ten classes, including a class of Small Unsecured Claims for administrative convenience pursuant to Section 1122(b) of the Bankruptcy Code. The classification of Claims and Interests is made for the purpose of voting on the plan and making distributions thereunder, and for ease of administration of the Plan. A Claim or Interest is classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and is classified in a different Class to the extent that the Claim or Interest qualifies within the description of such different Class. A Claim or Interest is entitled to vote in a particular Class and to receive distribution in such Class only to the extent that such Claim or Interest is an Allowed Claim or Allowed Interest in that Class and

Page 29 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

| has not been paid prior to the Effective Date. Under the Plan, a Claim or Interest is an |
|--|
| Allowed Claim against or an Allowed Interest in Debtor to the extent that (a) proof of the |
| Claim or Interest was (a) timely filed or (b) deemed filed under applicable law by reason of |
| an order of the Bankruptcy Court; or (c) scheduled by Debtor on its Schedules of Liabilities |
| as neither contingent, unliquidated or disputed; and (b) (a) no party in interest has filed an |
| objection within the time fixed by the Bankruptcy Court; or (b) the Claim or Interest is |
| allowed by Final Order; and (c) with respect to an application for compensation or |
| reimbursement of an Administrative Expense Claim, the amount of Administrative Expense |
| Claim of which has been approved by the Bankruptcy Court. |

9.2.2. <u>Unclassified Claims</u>. Administrative Expense Claims and Priority Tax Claims are not classified. An Administrative Expense Claim is a claim against Debtor constituting an expense of administration of the Bankruptcy Case allowed under Section 503(b) of the Bankruptcy Code, including, without limitation, the actual and necessary costs and expenses of preserving the estate and operating the business of Debtor during the case, any indebtedness or obligations incurred by Debtor during the pendency of the case in connection with the conduct of, the acquisition or lease of property by, or the rendition of services to, Debtor and compensation for legal and other professional services and reimbursement of expenses and statutory fees payable to the United States Trustee.

A "Priority Tax Claim" is a claim of a governmental unit of the kind entitled to priority under Section 507(a)(8) of the Bankruptcy Code. Debtor does not believe it owes any significant amount of Priority Tax Claims.

Pursuant to the Plan, Administrative Expense Claims will be paid in full on the later of the Effective Date or the date on which any such Administrative Expense Claim becomes an Allowed Claim; provided, however, that the Administrative Expense Claim representing liabilities incurred in the ordinary course of business (including amounts owed to vendors and suppliers that have sold products or furnished services to Debtor after the Petition Date)

Page 30 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

| 1 | will be paid in accordance with the terms and conditions of the particular transactions and | |
|----|---|--|
| 2 | any other agreements relating thereto. Debtor will provide a list of unpaid ordinary course | |
| 3 | administrative expenses to the Court at the confirmation hearing on Debtor's Plan. | |
| 4 | Priority Tax Claims will be paid as allowed by Section 1129(a)(9) within 30 days | |
| 5 | following the Effective Date or the date the claim is Allowed, whichever first occurs. | |
| 6 | 9.2.3. <u>Classified Claims</u> . The following summary of distributions under | |
| 7 | the Plan to Classified Claims does not purport to be complete and is subject to, and is | |
| 8 | qualified in its entirety by reference to, the Plan attached hereto as Exhibit 1 . | |
| 9 | 9.2.3.1. <u>Class 1 - Allowed Other Priority Claims</u> . An "Other | |
| 10 | Priority Claim" is a claim against Debtor entitled to priority under Section 507(a) of the | |
| 11 | Bankruptcy Code (other than an Administrative Expense Claim or Priority Tax Claim). | |
| 12 | Debtor is unaware of any unpaid Other Priority Claim. However, pursuant to the Plan, unless | |
| 13 | otherwise agreed by any holder of an Allowed Other Priority Claim, any such holder shall be | |
| 14 | paid in full on the latest to occur of (1) the Effective Date, (2) the date such claim becomes | |
| 15 | an Allowed Claim and (3) the date that the such claim becomes due and owing. | |
| 16 | 9.2.3.2. <u>Class 2 – R&H Construction</u> . Class 2 consists of the | |
| 17 | Allowed Secured Claim of R&H Construction. Debtor believes that R&H Construction | |
| 18 | holds an Allowed Secured Claim secured by a perfected lien in the real property located at | |
| 19 | 411 NW Park Ave., Portland, Oregon. R&H Construction will be paid the full amount of its | |
| 20 | Allowed Secured Claim up to \$178,000 on the Effective Date (or, pursuant to Article 6 of the | |
| 21 | Plan, on the date the secured claim is Allowed). In the event the Allowed Secured Claim of | |
| 22 | R&H Construction exceeds \$178,000, then the unpaid balance will continue to be secured by | |
| 23 | the assets of Reorganized Debtor to the same extent and with the same priority as on the | |
| 24 | Petition Date and will be paid together with interest at the rate of 4.5% per annum on the | |
| 25 | second anniversary of the Effective Date. R&H Construction asserts that its lien is entitled to | |
| 26 | priority over HomeStreet's Secured Claim pursuant to ORS 87.025 because the lien is not for | |
| | | |

Page 31 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

| the alteration or repair of an improvement. Rather, R&H Construction asserts it is for the |
|---|
| making or partial construction of an improvement. Although Debtor agrees with R&H |
| Construction, Park & Flanders has objected to the R&H Construction Secured Claim and has |
| filed an adversary proceeding seeking a determination of the validity and priority of the R&H |
| Construction lien. In the event that Park & Flanders prevails or settles and satisfies |
| R&H Construction's secured claim, then R&H Construction will not have an Allowed |
| Secured Claim and the R&H Construction claim will be a General Unsecured Claim. |
| Class 2 is impaired and R&H Construction is entitled to vote on the Plan. |
| 9.2.3.3. <u>Class 3 – HomeStreet's Secured Claim</u> . Class 3 consists |
| of the Allowed Secured Claim of HomeStreet. HomeStreet's Allowed Secured Claim is |
| secured by a perfected security interest in substantially all of Debtor's assets, including rents. |
| HomeStreet will retain its interests in its Collateral with the same priority that it had as of the |
| Petition Date. HomeStreet will retain its interests in the Tenant Leases notwithstanding |
| Debtor's assignment of those leases pursuant to section 9.2.3.8. HomeStreet's claim will be |
| an Allowed Secured Claim up to the value of the property securing the claim as agreed by the |
| parties or set by the Court. HomeStreet's Allowed Secured Claim will be paid in full, |
| together with interest at a fixed rate of 4.5%, or at such other rate fixed by the Court at |
| confirmation. Commencing on the Effective Date, HomeStreet will be paid monthly |
| payments of interest only for 12 months. Commencing on the first day of the thirteenth |
| month following the Effective Date, HomeStreet will be paid equal, monthly amortizing |
| payments of principal and interest based upon a 30-year amortization schedule with a balloon |
| payment of the unpaid principal plus accrued interest due on the tenth anniversary of the |
| Effective Date. Reorganized Debtor will maintain and insure the General Automotive |
| Building and promptly pay all real property taxes as they come due. |
| Class 3 is impaired and HomeStreet is entitled to vote on the Plan. |

Page 32 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

| 9.2.3.4. <u>Class 4 – General Unsecured Claims</u> . Commencing on | | |
|---|--|--|
| the last business day of July, 2013 and continuing on the last business day of each October, | | |
| January, April, and July thereafter until paid or satisfied as hereafter provided, Reorganized | | |
| Debtor shall pay to each holder of a Class 4 claim an amount equal to its pro rata share of | | |
| Reorganized Debtor's Excess Cash as of the last day of the prior calendar quarter. Payments | | |
| shall continue until the (a) holders of Class 4 Claims have been paid in full, together with | | |
| interest at the Federal Judgment Rate; or (b) the last day of April 2023, whichever shall first | | |
| occur, provided, however that, in the event that holders of Class 4 Claims have received | | |
| payments totaling at least 60% of their Class 4 Claim on or before April 30, 2018, then the | | |
| Class 4 Claims will be deemed to have been paid and satisfied in full and Reorganized | | |
| Debtor will have no further payment obligations. Debtor believes that General Unsecured | | |
| Claims, excluding Insider claims and General Auto Lessee's claim could total up to | | |
| \$2,800,000. If the 1111(b) election of Park & Flanders relating to the PDC Claim is valid, | | |
| then General Unsecured Claims will total approximately \$1,300,000. | | |
| Class 4 is impaired and General Unsecured Creditors are entitled to vote on the Plan. | | |
| 9.2.3.5. <u>Class 5 – Multnomah County's Secured Claim</u> . Class 5 | | |
| consists of the Allowed Secured Claim of Multnomah County. Multnomah County has a lier | | |
| on the General Auto Building for unpaid real property taxes. Multnomah County's Secured | | |
| Claim will be paid in full prior to the Effective Date. Debtor anticipates that Multnomah | | |
| County will have no money owing to it on the Effective Date and, in turn, no Allowed Claim | | |
| Class 5 is unimpaired. | | |
| 9.2.3.6. <u>Class 6 – Small Unsecured Claims</u> . Class 6 consists of | | |
| all Allowed Unsecured Claims in the amount of \$6,000 or less, or that have been reduced to | | |
| \$6,000 by election of the holders thereof. There are approximately \$18,750 of Class 6 | | |
| Claims excluding those creditors who may elect to be included in Class 6. Small Unsecured | | |
| | | |

Page 33 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

| 1 | Creditors will be paid 60% of their Allowed Claim in cash on the later of the Effective Date, | |
|----|---|--|
| 2 | or the date on which the Claim is Allowed. | |
| 3 | Class 6 is impaired and Small Unsecured Creditors are entitled to vote on the Plan. | |
| 4 | 9.2.3.7. <u>Class 7 – Insider Claims</u> . Insider Claims will be | |
| 5 | subordinated to Class 4 Claims and no payment will be made on or in respect of Insider | |
| 6 | Claims unless and until all Class 4 Claims have been paid as provided in Section 5.3 of the | |
| 7 | Plan. Debtor believes that the Insider Claims exceed \$1,700,000. | |
| 8 | Class 7 is impaired and Insider Claims are entitled to vote on the Plan. | |
| 9 | 9.2.3.8. <u>Class 8 – General Auto Lessee.</u> General Auto Lessee's | |
| 10 | Allowed Unsecured Claim will be satisfied by Reorganized Debtor's performance as follows: | |
| 11 | On the Effective Date, (a) Debtor will assign all Tenant Leases to General Auto Lessee | |
| 12 | subject to HomeStreet Bank's interests in the Tenant Leases and (b) Debtor and General Auto | |
| 13 | Lessee will amend the Master Lease by modifying the annual base rent schedule set forth in | |
| 14 | Section 4.1 of the Master Lease to be consistent with projected revenue from General | |
| 15 | Automotive Building and Reorganized Debtor's obligations under this Plan and by modifying | |
| 16 | the terms on which the Master Lease may be terminated. Debtor and General Auto Lessee | |
| 17 | will execute an amendment in substantially the form and with substantially the content of the | |
| 18 | amendment attached as Exhibit 2 to the Plan. General Auto Lessee will release any claims it | |
| 19 | has against Debtor for Debtor's failure to assign Tenant Leases to General Auto Lessee and | |
| 20 | Debtor will release any claims it has against General Auto Lessee for General Auto Lessee's | |
| 21 | failure to make rent payments to Debtor. Debtor believes that the releases benefit the Estate | |
| 22 | because the effect of such releases is that General Auto Lessee will release its claim for | |
| 23 | approximately \$776,600 filed in this Chapter 11 Case. | |
| 24 | Class 8 is impaired and General Auto Lessee is entitled to vote on the Plan. | |
| 25 | 9.2.3.9. <u>Class 9 - Interests</u> . The Plan provides that holders of | |
| 26 | Class 9 Interests will be extinguished. | |
| | | |

9.2.3.10. <u>Class 10 – PDC</u>. Class 10 consists of the Allowed Claim of PDC. PDC has made an election under 11 U.S.C. § 1111(b). Unless the Court determines that the Claim of PDC must be treated as an unsecured claim, the Class 10 Claim will be satisfied by the following payments: (a) on the Effective Date, PDC will be paid an amount equal to the value as of the Petition Date of its interest in Debtor's interest in PDC's Collateral; (b) annual payments of \$14,000 each commencing on May 1, 2014 and continuing on the first day of each May thereafter; and (c) the unpaid balance of PDC's Allowed Claim will be paid in full on the earlier of the closing of a sale of the General Automotive Building or the 15th anniversary of the Effective Date. Debtor believes this treatment satisfies the requirements of 11 U.S.C. §§ 1111(b) and 1129(b)(2)(A)(II) because PDC will receive payments equal to the full amount of its Allowed Claim with a present value equal to not less than the value of PDC's interest in Debtor's interest in PDC's Collateral. PDC will retain its interests in its Collateral with the same priority that it had as of the Petition Date. Debtor shall have the right to refinance the General Automotive Building subject to PDC's lien. PDC's lien shall be subordinated to any debt incurred in connection with a refinance of the HomeStreet Secured Claim so long as the principal balance owing on the refinanced loan does not exceed the then-principal amount owing on the HomeStreet Secured Claim. If the Court finds that PDC's interest in Debtor's interest in PDC's Collateral is of inconsequential value such that PDC was not entitled to make an election under 11 U.S.C. § 1111(b), then PDC's Allowed Claim will be treated as a Class 4 Claim.

10. RECAPITALIZATION AND OFFER OF MEMBERSHIP INTERESTS

The Plan provides that all existing membership interests in Debtor will be cancelled on the Effective Date. All Creditors and Insiders are offered the opportunity to invest in the Reorganized Debtor and acquire newly issued membership interests. Such investments may

Page 35 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

be made in \$50,000 increments. North Park Development has executed a subscription agreement and agreed to purchase a \$400,000 membership interest on the Effective Date. Any other Creditor or Insider that wishes to acquire a membership interest in the Reorganized Debtor must execute a subscription agreement in the form attached as Exhibit 1 to the Plan and deliver it to Debtor's counsel on or before the date set for the return of ballots accepting or rejecting the Plan. Membership Interests in the Reorganized Debtor will be allocated on a pro rata basis based on the total amount of new investments.

11. EXECUTORY CONTRACTS AND UNEXPIRED LEASES

The Bankruptcy Code gives debtors the right, after commencement of their Chapter 11 Cases, subject to the approval of the Bankruptcy Court, to assume or reject executory contracts and unexpired leases. Generally, an "executory contract" is a contract under which material performance (other than the payment of money) is still due by each party. The Plan provides for the assumption by the Debtor of all executory contracts and unexpired leases that are not expressly rejected or subject to a motion for rejection filed on or before the Confirmation Date.

If an executory contract or unexpired lease is or has been rejected, the other party to the agreement may file a Proof of Claim for damages resulting from such rejection. The Plan provides that a Proof of Claim with respect to any such Claim must be filed within 30 days of approval of the Bankruptcy Court of the rejection of the relevant executory contract or unexpired lease. Any such Claim shall constitute a Class 4 or Class 6 Claim to the extent that such Claim is finally treated as an Allowed Claim. To the extent Debtor rejects an unexpired lease of nonresidential real property, the Claim for damages resulting from such rejection will be limited to the amount allowed under the Bankruptcy Code.

Upon assumption of an executory contract or unexpired lease, Debtor must cure or provide adequate assurance of prompt cure of any monetary defaults. The Plan provides that Reorganized Debtor will promptly cure all monetary defaults. Debtor is in default with

Page 36 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

regards to one of the aforementioned residential leases with tenant (Lapchi). Debtor owes a prepetition balance to Lapchi, which monetary default will be cured upon the Effective Date.

12. EFFECT OF CONFIRMATION

12.1.1. Discharge. The treatment of, and consideration received by, holders

of Allowed Claims and Allowed Interests pursuant to the Plan of Reorganization will be in full satisfaction, release and discharge of their respective Claims against or interests in the Debtor. Confirmation Orders shall discharge Debtor from any liability that arose before the Effective Date as provided in Sections 524 and 1141 of the Bankruptcy Code and any debt and liability of a kind specified in Sections 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not: (a) a Proof of Claim based on such debt or liability is filed or deemed filed under Section 501 of the Bankruptcy Code; (b) a Claim based on such debt or liability has accepted the Plan.

12.1.2. <u>Revesting, Operation of Business</u>. All property of the estate shall revest in the Reorganized Debtor on the Effective Date free and clear of all rights, claims, liens, charges, encumbrances and interests, except as otherwise provided in the Plan.

12.1.3. <u>Injunction</u>. Except as otherwise expressly provided in the Plan, all persons who have held, hold, or may hold Claims or who may have held, hold or may hold any Interest are permanently enjoined from and after the Effective Date from (a) commencing or continuing in any manner any action or other proceedings of any kind with respect to any Claims or Interests against Reorganized Debtor; (b) enforcing, attaching, collecting or recovering by any manner or any means any judgment, award, decree or order against Reorganized Debtor; (c) creating, perfecting or enforcing any encumbrances of any kind against Reorganized Debtor with respect to any such Claim except as specifically set forth in the Plan; (d) asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due to Debtor, Reorganized Debtor or their property; and (e) proceeding in any manner in any place whatsoever that does not conform to, does not

| comply with, or is inconsistent with the provisions of the Plan or the order confirming the |
|--|
| Plan. |
| 12.1.4. Event of Default. Upon the occurrence of an Event of Default, the |
| holder of an Allowed Claim to whom performance is due shall have all rights and remedies |
| granted by law (namely, state law breach of contract rights), this Plan or any agreement |
| between the holder of such Claim and Debtor or Reorganized Debtor. |
| 12.1.5. <u>Utility Deposits</u> . The Plan provides that all utilities holding a Utility |
| Deposit shall immediately after the Effective Date return or refund such Utility Deposit to |
| Reorganized Debtor. At the sole option of Reorganized Debtor, Reorganized Debtor may |
| apply any Utility Deposit that has not been refunded to Reorganized Debtor in satisfaction of |
| any payments due or to become due from Reorganized Debtor to a utility holding such a |
| Utility Deposit. |
| 12.1.6. <u>Modification of the Plan; Revocation or Withdrawal of the Plan</u> . |
| Subject to Section 1127 of the Bankruptcy Code, Debtor reserves the right to alter, |
| amend or modify the Plan before its substantial consummation so long as the treatment of |
| holders of Claims and Interests under the Plan is not adversely affected. |
| 12.1.7. <u>Retention of Jurisdiction</u> . Notwithstanding the entry of the |
| Confirmation Order or the Effective Date having occurred, the Bankruptcy Court shall retain |
| exclusive jurisdiction over all matters arising out of or relating to the Chapter 11 Case, |
| including but not limited to the following matters to: (a) hear and determine any pending |
| applications for the rejection of executory contracts or unexpired leases, and the allowance of |
| Claims resulting therefrom; (b) determine any adversary proceedings, applications, contested |
| matters or other litigation matters pending on the Effective Date; (c) insure that distributions |

12.1.8. <u>U.S. Trustee Fees</u>. Reorganized Debtor shall be responsible for timely payment of fees incurred pursuant to 28 U.S.C. § 1930(a)(6) until the case is closed, converted or dismissed. After confirmation, Reorganized Debtor shall serve on the United States Trustee a financial report for each quarter, or portion thereof, that the case remains open. The quarterly financial report shall include a statement of all disbursements made during the course of the quarter, whether or not pursuant to the Plan.

13. LIQUIDATION ANALYSIS

A Plan of Reorganization cannot be confirmed unless the Bankruptcy Court finds the Plan is in the "best interest of creditors" of holders of claims against, and interests in, debtor subject to such plan. The best interest test is satisfied if the plan provides each dissenting or non-voting member of each impaired Class with a recovery not less than the recovery such member would receive if the debtor was liquidated in a hypothetical case under Chapter 7 of the Bankruptcy Code by a Chapter 7 Trustee. Debtor believes the holders of impaired Claims will receive more than they would receive under a Chapter 7 liquidation. In applying

Page 39 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

| 1 | the "best interest" test, the Bankruptcy Court would ascertain the hypothetical recovery in a | | |
|----|---|----------------------------|--|
| 2 | Chapter 7 proceeding to secured Creditors, priority claimants, general Unsecured Creditors | | |
| 3 | and equity interest holders. The hypothetical Chapter 7 recoveries would then be compared | | |
| 4 | with the distribution offered to each Class of Claims or Interests under the Plan to determine | | |
| 5 | that the Plan satisfied the "best interest" test set forth in the Bankruptcy Code. | | |
| 6 | In a liquidation, it is likely that Multnomah County (Class 5) would be paid in full (to | | |

| 8 | HomeStreet's Secured Claim (Class 3) would be paid at least in part from the proceeds of its | | |
| 9 | Collateral, and General Unsecured Claims (Class 4) Small Unsecured Claims (Class 6), | | |
| 10 | General Auto Lessee (Class 8), and PDC (Class 10) would receive nothing. The following | | |

14. CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN

Internal Revenue Service Circular 230 Notice

TO ENSURE COMPLIANCE WITH REQUIREMENTS IMPOSED BY THE INTERNAL REVENUE SERVICE, EACH CREDITOR AND EACH MEMBER IS HEREBY NOTIFIED THAT (A) ANY DISCUSSION OF U.S. FEDERAL TAX ISSUES IN THIS DISCLOSURE STATEMENT IS NOT INTENDED OR WRITTEN TO BE RELIED UPON, AND CANNOT BE RELIED UPON BY ANY CREDITOR OR MEMBER, FOR PURPOSES OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON SUCH CREDITOR OR MEMBER UNDER THE INTERNAL REVENUE CODE OF 1986, AS AMENDED; (B) SUCH DISCUSSION IS WRITTEN TO SUPPORT THE PROMOTION OF THE PLAN; AND (C) EACH CREDITOR AND EACH MEMBER SHOULD SEEK ADVICE BASED ON SUCH CREDITOR'S OR MEMBER'S PARTICULAR CIRCUMSTANCE FROM AN INDEPENDENT TAX ADVISOR.

14.1 INTRODUCTION

Implementation of the Plan may have federal, state, local and foreign tax consequences to the Debtor, Creditors and Members. No tax opinion or ruling has been sought or will be obtained with respect to any tax consequences of the Plan, and the following discussion does not constitute and is not intended to constitute either a tax opinion or tax advice to any person.

The following discussion is based upon the provisions of the Internal Revenue Code of 1986, as amended (the "IRC"), the Treasury regulations promulgated thereunder, and published rulings and court decisions in effect as of the date hereof, all of which are subject to change, possibly retroactively, and such changes could modify or adversely affect the federal income tax consequences summarized below. There can be no assurance that the Internal Revenue Service will agree with the federal income tax consequences described below.

Page 41 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

The federal income tax consequences of the Plan are complex. Each Creditor and each Member is strongly urged to consult its own tax advisors as to the particular federal, state, local and foreign income and other tax consequences of the transactions contemplated by the Plan.

14.2 CANCELLATION OF DEBT INCOME: GENERAL RULE

Subject to certain exceptions, a debtor realizes income (referred to herein as "cancellation of debt" or "COD" income) upon the discharge or cancellation of its outstanding indebtedness in an amount equal to the excess (if any) of (a) the amount of the indebtedness discharged over (b) the amount of cash plus the issue price of any new indebtedness issued plus the fair market value of any other consideration given in satisfaction of the indebtedness.

One of the exceptions to this general rule provides that a debtor is not required to include COD income in gross income if the debtor is under the jurisdiction of the court in a Title 11 case and the discharge is granted by the court or the discharge is pursuant to a plan approved by the court (the "Bankruptcy Exception"). Instead, the amount excluded from gross income is applied to reduce certain tax attributes of the debtor in a specified order. Tax attributes generally are reduced by one dollar for each dollar excluded from gross income, except that tax credits are reduced by one-third of the amount excluded from gross income. Notwithstanding the general order of attribute reduction, the IRC provides a debtor with an election to reduce its tax basis in depreciable assets prior to reducing net operating losses. The reduction in tax attributes generally takes place after the federal income tax is determined for the tax year in which the debt discharge occurs. As Debtor is a partnership for federal income tax purposes, the COD rules will apply at the Member level only.

14.3 GENERAL DISCUSSION AND CANCELLATION OF DEBT INCOME: DEBTOR AND MEMBERS

The Debtor is classified as a partnership for federal income tax purposes. Section 1399 of the IRC provides that no separate taxable entity is created as a result of a partnership in bankruptcy. Therefore, the commencement of a bankruptcy proceeding by or against the Debtor will not result in the creation of a new taxable entity, nor will the commencement of the proceedings result in the recognition of any income, gain or loss to the Debtor, or result in the acceleration of any income or recapture of any tax benefits to the Debtor or its Members. Moreover, following the cancellation and extinguishment of the Interests and the issuance of new membership interests, income and deductions of the Reorganized Debtor will continue to flow through to each Member in the same manner as before the bankruptcy except to the extent that there has been a change in the percentage of outstanding membership interests owned by the Member.

Under the IRC, any cancellation of debt income recognized by the Debtor flows through to the ultimate beneficial owners of membership interests in the Debtor. Because the IRC exclusions from cancellation of debt income for discharge of debt in a Title 11 bankruptcy case or with respect to an insolvent taxpayer are applied at the ultimate beneficial owner level, they are not available with respect to a Member's allocable share of cancellation of debt income of the Debtor, unless that ultimate beneficial owner is itself the subject of a Title 11 bankruptcy case or is insolvent.

14.4 HISTORIC TAX CREDITS

Debtor and General Auto Lessee, LLC previously entered into certain agreements whereby (a) Debtor leased the General Automotive Building to General Auto Lessee, LLC and (b) Debtor elected to pass through to General Auto Lessee, LLC certain rehabilitation tax credits. The five-year recapture period for the pass-through rehabilitation tax credits has not yet expired.

Page 43 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

The rehabilitation tax credit is subject to recapture if the rehabilitation tax credit property is disposed of, or otherwise ceases to be rehabilitation tax credit property with respect to the taxpayer, before the close of the recapture period. With respect to rehabilitation tax credits for which a pass-through election has been made by a lessor, the lessee is the "taxpayer" at issue. Accordingly, no recapture event is deemed to have occurred with respect to the General Automotive Building on account of the transactions contemplated by the Plan because (a) the Master Lease is being assumed by Debtor (with the effect that no disposition of the property has been made by General Auto Lessee, LLC, as lessee) and (b) the General Automotive Building does not cease to be rehabilitation tax credit property (i.e., the business use of the General Automotive Building has not changed and all of the new membership interests in Debtor will be held by persons that do not disqualify the property as rehabilitation tax credit property). The bankruptcy of Debtor, as lessor, is not a recapture event.

14.5 INFORMATION REPORTING AND BACKUP WITHHOLDING

Certain payments, including the payments with respect to Claims pursuant to the Plan, are generally subject to information reporting by the payor to the IRS. Moreover, under certain circumstances, a holder of a Claim may be subject to "backup withholding" with respect to payments made pursuant to the Plan, unless such holder either (a) comes within certain exempt categories (which generally include corporations) and, when required, demonstrates this fact, or (b) provides a correct United States taxpayer identification number and certifies under penalty of perjury that the holder is a United States person, the taxpayer identification number is correct, and that the taxpayer is not subject to backup withholding because of a failure to report all dividend and interest income. Backup withholding is not an additional tax. Amounts withheld under the backup withholding rules may be credited against the holder's United States federal income tax liability, and the holder may obtain a

Page 44 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

refund of any excess amounts withheld under the backup withholding rules by filing an appropriate claim for refund with the IRS.

14.6 GENERAL DISCLAIMER

The federal income tax consequences of the Plan are complex. The foregoing discussion is not intended to be a substitute for careful tax planning, particularly since certain of the federal income tax consequences of the Plan will not be the same for all Creditors or Members due to their individual circumstances. Each Creditor and each Member is strongly urged to consult with its own tax advisors in determining the federal, state, local, and foreign income and other tax consequences of the transactions contemplated by the Plan.

15. ACCEPTANCE AND CONFIRMATION OF THE PLAN

15.1. CONFIRMATION HEARING

The Bankruptcy Court has scheduled a hearing on confirmation of the Plan on
______ at _______ Pacific Time. The hearing will be held at the United States
Bankruptcy Court for the District of Oregon, Courtroom 1, 1001 SW Fifth Avenue, Portland,
Oregon 97204, before the Honorable Elizabeth L. Perris, United States Bankruptcy Judge.
At that hearing, the Bankruptcy Court will consider whether the Plan satisfies the various
requirements of the Bankruptcy Code, including whether it is feasible and whether it is in the
best interest of Creditors and Interest holders of Debtor. Debtor will submit a report to the
Bankruptcy Court at that time concerning the votes for acceptance or rejection of the Plan by
the parties entitled to vote thereon. Any objection to confirmation of the Plan must be timely
filed as stated above.

15.2. REQUIREMENTS OF CONFIRMATION

At the hearing on confirmation, the Bankruptcy Court will determine whether the provisions of Section 1129 of the Bankruptcy Code have been satisfied. If all of the provisions of Section 1129 are met, the Bankruptcy Court may enter an order confirming the Plan. Debtor believes the Plan satisfies all of the requirements of Chapter 11 of the

Page 45 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

Bankruptcy Code, that it has complied or will have complied with all of the requirements of Chapter 11, and that the Plan has been proposed and is made in good faith.

15.2.1. The Best Interests of Creditors - Liquidation Alternative.

Notwithstanding acceptance of the Plan by each impaired Class, to confirm the Plan the Bankruptcy Court must determine that the Plan meets the requirements of Section 1129(a)(7) of the Bankruptcy Code; that is, that the Plan is in the best interests of each holder of a Claim or Interest in an impaired Class that has not voted to accept the Plan. Accordingly, if an impaired Class does not unanimously accept the Plan, the "best interests" test requires that the Bankruptcy Court find that the Plan provides to each holder of a Claim or Interest in such impaired Class a recovery on account of the holder's Claim or Interest that has a value at least equal to the value of the distribution that each such holder would receive if the debtor was liquidated under Chapter 7 of the Bankruptcy Code. In the opinion of Debtor, confirmation of the Plan is in the best interests of the holders of Claims and Interests because it provides to holders of impaired Claims a distribution having a present value as of the Effective Date of not less than the value such holders would likely receive if Debtor were liquidated under Chapter 7 of the Bankruptcy Code.

Debtor believes that Chapter 7 liquidation would result in a diminution in the value to be realized by holders of Claims and Interests due to, among other factors, (a) the loss of the going concern value of Debtor's assets; (b) additional costs and expenses in the appointment of a Chapter 7 trustee and attorneys, accountants and other professionals to assist such trustee in the Chapter 7 case; and (c) additional expenses and Claims, some of which would be entitled to priority in payment, which would arise by reason of the liquidation, including Claims resulting from the breach of Debtor's real estate leases and in connection with cessation of the Debtor's business. Consequently, Debtor believes the Plan, which provides for the continuation of Debtor's business, will provide a greater ultimate return to the holders of Claims and Interests than would a Chapter 7 liquidation.

Page 46 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

| At the confirmation hearing, the Bankruptcy Court will determine whether the holders |
|--|
| of impaired Claims and Interests receive a distribution under the Plan that is at least as great |
| as the distribution that such holders would receive upon liquidation of Debtor pursuant to |
| Chapter 7 of the Bankruptcy Code. |

15.2.2. <u>Feasibility of the Plan</u>. Debtor believes that confirmation of the Plan is not likely to be followed by the liquidation of Reorganized Debtor or a need for a further financial reorganization of Reorganized Debtor. The projections of Debtor's post-confirmation business, attached hereto as **Exhibit 2**, show sufficient earnings, investment, and cash flow from operations to support and meet the ongoing financial needs of Reorganized Debtor, which financial needs will be paid by both Debtor and General Auto Lessee, pursuant to the Tax Credit Documents. The projections indicate that the Plan as proposed by Debtor is feasible and that Reorganized Debtor will be financially viable after confirmation of the Plan.

15.3. CRAM DOWN

A Court may confirm a Plan, even if it is not accepted by all impaired classes if the Plan has been accepted by at least one impaired class of claims and the Plan meets the cram down requirements set forth in Section 1129(b) of the Bankruptcy Code. In the event any impaired Class of Claims does not accept the Plan, Debtor hereby requests the Bankruptcy Court to confirm the Plan in accordance with Section 1129(b) of the Bankruptcy Code or otherwise permit Debtor to modify the Plan.

15.4. RISK FACTORS

There are a number of risks associated with Debtor's proposed Plan. Each Creditor should carefully consider those risks in evaluating its vote on Debtor's Plan. All of the risks associated with Debtor's Plan are too numerous to identify, however, a few of those risks are set forth below.

Page 47 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

| 15.4.1. <u>General Financial Market Conditions</u> . The recent disruption with |
|---|
| numerous major financial institutions and the resulting crisis in the financial markets has |
| rippled through the economy, and has impacted the real estate industry in particular. While |
| the ultimate effects of this crisis on the owners and operators of buildings, such as Debtor, |
| are as yet unclear, it is possible that this financial market will prevent even qualified |
| borrowers from being able to obtain mortgages on affordable terms, if at all. A continued |
| freeze of the credit markets could have a significant adverse impact on the Debtor. |

15.4.2. Projected Financial Results. The Debtor's projected financial results reflect management's best estimate of Reorganized Debtor's future financial performance based on currently known facts and hypothetical assumptions about, among other matters, the timing, confirmation and consummation of the Plan in accordance with its terms, the anticipated future performance of the Reorganized Debtor, and the real estate market. Many of these factors are beyond the control of the Reorganized Debtor. As a consequence, the actual financial results may differ significantly from the projections. Specifically, the Reorganized Debtor may not be able to meet the projected financial results or achieve the revenue or cash flow that it has assumed in projecting future leases and lease rates. Further, in the event that the Court fixes an interest rate on the Class 3 Claim substantially higher than 4.5% per annum, then Debtor's ability to meet the projected financial results will be jeopardized.

16. ALTERNATIVES TO CONFIRMATION OF THE PLAN

If a Plan is not confirmed, Debtor or another party in interest may attempt to formulate or propose a different Plan or Plans of Reorganization. Such Plans might involve a reorganization and continuation of Debtor's business, a sale of Debtor's business as a going concern, an orderly liquidation of Debtor's assets or any combination thereof. If no Plan of Reorganization is determined by the Bankruptcy Court to be confirmable, the Chapter 11 case may be converted to a liquidation proceeding under Chapter 7 of the Bankruptcy Code.

Page 48 of 49 - DEBTOR'S FIFTH AMENDED DISCLOSURE STATEMENT (FEBRUARY 11, 2013)

| In a liquidation, a Chapter 7 Trustee would be appointed with the purpose of | | |
|---|--|--|
| liquidating the assets of Debtor. Typically, in a liquidation, assets are sold for less than their | | |
| going concern value and, accordingly, the return to Creditors and Interest holders is less than | | |
| the return in a reorganization, which derives the value to be distributed in a Plan from the | | |
| business as a going concern. Proceeds from liquidation would be distributed to Creditors and | | |
| Interest holders of Debtor in accordance with the priorities set forth in the Bankruptcy Code. | | |
| Debtor believes there is no currently available alternative that would offer holders of | | |
| Claims and Interests in Debtor greater than the Plan. In fact, the likely alternative to | | |
| confirmation of the Plan is that Park & Flanders will foreclose on the General Automotive | | |
| Building and no unsecured creditor will be paid anything. Debtor urges all parties entitled to | | |
| vote on the Plan to vote to accept the Plan. | | |

In such capacity, Property Manager may collect rents, communicate with tenants, pay expenses, purchase and maintain insurance, represent the Company in any discussions with governmental entities or adjacent landowners, and pay taxes.
- (iii) <u>Reimbursement of Manager's Expenses.</u> The Manager shall be reimbursed by the Company for reasonable out-of-pocket expenses and liabilities incurred by the Manager in connection with the Business of the Company, including without limitation expenses incurred in the organization of the Company. - (iv) <u>Limitation on Liability: Indemnification.</u> Neither the Manager nor any Affiliate of the Manager shall be liable, responsible or accountable in damages or otherwise to the Company or the Members for any act or omission by any such Person, except for matters constituting gross negligence, intentional misconduct or knowing violation of the law. The

Company shall indemnify and hold harmless the Manager, and each director, officer, partner, employee or agent thereof, against any liability, loss, damage, cost or expense incurred by them on behalf of the Company or in furtherance of the Company's interests without relieving any such Person of liability for gross negligence, intentional misconduct or knowing violation of the law. No member shall have any personal liability with respect to the satisfaction of any required indemnification of the above-mentioned Persons. Any indemnification required to be made by the Company shall be made promptly following the fixing of the liability, loss, damage, cost or expense incurred or suffered by a final judgment of any court, settlement, contract or otherwise. In addition, the Company may advance funds to a Person claiming indemnification under this Section for legal expenses and other costs incurred as a result of a legal action brought against such Person only if (i) the legal action relates to the performance of duties or services by the Person on behalf of the Company, (ii) the legal action is initiated by a party other than a Member, and (iii) such Person undertakes to repay the advanced funds to the Company if it is determined that such Person is not entitled to indemnification pursuant to the terms of this Agreement.

In no event shall any Person dealing with the Manager or the Manager's representative with respect to the business or property of the Company be obligated to ascertain that the terms of this Agreement have been complied with, and each such Person shall be entitled to rely on the assumptions that the Company has been duly formed and is validly in existence, that the Members have given any necessary approval incident to execution and delivery of any document or instrument of any nature whatsoever. Any Person dealing with the Company may rely (without duty of further inquiry) upon a certificate signed by any Manager as to the identity and authority of any Manager or other Person to act on behalf of the Company or any Member.
- (c) Removal of Manager from Responsibilities. The Members, by the act of those Members holding at least 75% of the Ownership Interests not held by the Manager, , shall have the right, which they may exercise in their reasonable judgment, to remove the Manager from any one or more of the Manager's responsibilities only if:
- (i) The Manager materially fails to fulfill or perform any duty, obligation, or responsibility under this Agreement and only after written notice of such failure is actually delivered to Manager (via certified mail, with return receipt) and Manager has not reasonably cured such failure to perform within 60 days after actual delivery of such written notice to Manager;
- (ii) The Manager assigns any interest in or under this Agreement without the Company's prior written consent.

Accordingly, the Manager is required to devote to the business of the Company only so much of the Manager's time and attention as the Manager reasonably deems necessary or advisable. The Manager and each Member may, during the continuance of the Company, engage in any activity for the Manager's or Member's own profit or advantage without the consent of the other Members, and neither the Company nor any Member shall have any right to any income or profit derived from the activity.
- (c) <u>Development Fee.</u> No Member shall be entitled to any salary for services rendered to the Company other than as a regular employee of the Company. Members shall not be personally liable for any debts, obligations or liabilities of the Company. In no event shall any other event or circumstance constitute an event of dissociation for purposes of the Act.
- (v) Competing Business of Members. The Members agree that any Members and the Manager may from time to time engage in real estate projects and investments, and may own, operate, or develop real estate for their own account that competes with real estate owned by the Company. Because the business of the Company is limited to the Property and the Project, no Member or Manager has a duty to offer to the Company any business or real estate opportunity. Any Manager and Member shall have the absolute right to engage in or possess an interest in other business ventures of every nature and description, independently or with others, including but not limited to, the ownership, financing, management, employment by, lending to or otherwise participating in businesses which are similar to and competitive with the business of the Company, and neither the Company nor any of the Members shall have any right by virtue of this Agreement in and to such independent ventures or to the income or profits therefrom, or to prevent such independent ventures.

Interest of such personally guaranteed debt. Such obligation may not be enforced by any of the Company's creditors and is a direct personal obligation between each of the Members which shall survive dissolution of the Company. If the holder of the debt makes a demand on any Member with respect to any such personally guaranteed debt, such Member shall be entitled to pay all or any portion thereof and all other Members hereby waive any defense which they might have to their obligation to reimburse the paying Member which might arise out of the invalidity of the guaranteed debt, the fact that there may have been defenses to the enforcement of the guaranteed debt, or any action or omission on the part of the paying Member with respect to the lender, excluding only fraud and breach of fiduciary duty.

- (d) <u>Income Tax Information</u>. The Company shall furnish each Member with information pertaining to the Company's taxable income or loss, including but not limited to the Company's informational tax returns and Schedule K-1, applicable to the Member. The information shall show each Member's distributive share of each class of income, gain, loss, deduction, or credit of the Company. The information shall be furnished to the Members as soon as is practicable after the close of the Company's taxable year.
- then the Member with the largest interest in Company profits, shall be the "tax matters partner" of the Company for purposes of Code Section 6221, et seq., and corresponding provisions of any state or local tax law. The Company shall indemnify and reimburse the tax matters partner for all reasonable expenses, including legal and accounting fees, claims, liabilities, losses and damages incurred in connection with any administrative or judicial proceeding with respect to the tax liability of the Members attributable to the Company. The payment of all such expenses shall be made before any distributions are made to Members (and such expenses shall be taken into consideration for purposes of determining Distributable Cash) or any discretionary Reserves are set aside by the Manager. Neither the tax matters partner nor any Member shall have any obligation to provide funds for such purpose. The provisions for exculpation and indemnification of the Manager set forth in Section 2(d)(iv) of this Agreement shall be fully applicable to the Member acting as tax matters partner for the Company.

5. Capital.

- (a) Initial Contributions. NPD has previously invested time and effort in obtaining for the Company the opportunity to acquire the Project and its associated real estate, all of which it will contribute to the Company as a non-cash capital contribution without any value stated in terms of dollars. The Members initially shall contribute to the Company's capital cash in the respective amount ("Initial Contribution") set opposite the Member's name on Schedule A. The total Initial Contributions from all Members other than the Manager is expected to be \$1,000,000. The Manager or its principals may contribute capital to bring the total capital contributions up to \$1,150,000 if required by the lender on the Project, and those capital contributions, when made in cash, will be considered Initial Contributions entitled to the Preferred Return (defined later in this Agreement) on the same terms as the Initial Contributions made by the other Members. Each Initial Contribution is due and payable within 5 days after the Member executes a counterpart of this Agreement. Any further money advanced by the Members for the acquisition of the Project may be treated as an advance and not a capital contribution at the election of the Company.
- (b) Additional Contributions. If the Manager determines additional capital is necessary to improve the Property or pay the Company's obligations, then this additional capital amount will be contributed by each Member in accordance with the ownership interest percentages of each Member. If one Member cannot meet its obligation, then the other(s) may (at their sole discretion) loan the Company the capital to meet the non-paying Member's obligation. The Company shall repay Member Loans prior to any distributions of Distributable Cash, as and when Distributable Cash is available, meaning that all cash which would otherwise be Distributable Cash under the definitions used in this Agreement shall be immediately paid on account of the Member Loans (in proportion to the relative principal balances of each of them), until all Member Loans are paid in full. All such payments shall be credited first to interest and then to principal.
- (c) <u>Interest Paid</u>. Except for the preferred returns described in this Agreement, no interest shall be paid on Initial Contributions or on any subsequent contributions to the Company's capital.
- (d) Return of Contributions; No Right to Withdraw Capital. Each Member shall look solely to the Company's assets for the return of the Member's capital contributions. If the Company's assets are insufficient to return the capital contributions, no Member shall have recourse against any other Member for that purpose. Except as specifically provided in this Agreement, a Member may not withdraw capital from the Company. To the extent any amount that any Member is entitled to receive from the Company pursuant to any provision of this Agreement constitutes a return of capital, each Member consents to the withdrawal of the capital. A Member shall not have the right to demand and receive property other than cash in return for the Member's capital contribution.
- (e) <u>Interest</u>. The Ownership Interest of each Member in the Company shall be as follows:

NAME

OWNERSHIP INTEREST

North Park Development, LLC

50%

Other Members

as identified on Schedule A

- (f) <u>Capital Accounts</u>. The Company shall maintain a separate capital account (a "Capital Account") for each Member in accordance with Treasury Regulation § 1.704-1. Each Member's Capital Account shall be equal to:
- (i) The amount of cash and the fair market value of the property contributed to the capital of the Company by the Member in accordance with this paragraph 5 (for which purpose no separate allowance will be made for NPD's time and effort); plus
- (ii) The Member's allocable share of any profits of the Company pursuant to paragraph 6 below; less
- (iii) The Member's allocable share of any losses of the Company pursuant to paragraph 6 below; and less
- (iv) The amount of cash and the fair market value of property distributed to the Member.

Upon a sale, exchange, transfer, assignment, gift, or other disposition of an interest in the Company (subject to the restrictions in this Agreement on assignment and transfer), the Capital Account associated with the interest so transferred, whether the Capital Account has a positive or negative balance, shall be transferred to the transferree of the interest.

6. Allocation of Net Profits and Losses.

- (a) Operating profits (profits from the general operation of the Project and interest on retained funds, after depreciation, interest expense, and other costs of operations) will be allocated as follows:
- i. First to the Members, in proportion to their Initial Contributions, until they have received a 9% per annum internal rate of return (the "Preferred Return") on their Initial Contributions; and
 - ii. The remainder in proportion to the Members' Ownership Interests.
- (b) Losses will be allocated in accordance with the Ownership Interests, subject to the limitation that if the allocation of losses reduces a Member's capital account to zero while the capital accounts of other Members are positive, then further losses will be specially allocated to those members with positive capital accounts in proportion to their positive capital accounts until those accounts are reduced to zero. If the capital accounts of all Members

are reduced to zero, then further losses will be allocated in accordance with the Ownership Interests until later allocations of profits increase all capital accounts above zero.

7. <u>Distributions</u>.

(a) <u>Distribution of Net Cash Flow from Operations.</u>

After any reserves deemed appropriate by the Manager or required by the Company's lenders are set aside, the net cash flow from operations (excluding cash flow from the sale or refinancing of the Project) for any particular period will be distributed to the Members in the following order of priority:

- (1) first, to the Members in proportion to any capital contributions, other than the Initial Contributions, made after July 1, 2007 to the Company in response to cash shortfalls of the Company (the "Additional Capital Contributions") until the contributing Members have received an internal rate of return of nine percent (9%) on the Additional Capital Contributions;
- (2) next to the Members in proportion to and in return of their Additional Capital Contributions until their Additional Capital Contribution balances have been reduced to zero;
- (3) next, to the Members, in proportion to their Initial Contributions (which for this purpose will be reduced by any previous distributions made pursuant to Section 7(b)(4) below), in payment of the Preferred Return until the Preferred Return balance has been reduced to zero for all members (that is, until they have received the Preferred Return on the Initial Contributions);
 - (4) next, to the Members in accordance with their Ownership Interests.

(b) <u>Distribution of Capital Proceeds</u>.

If the Project is sold or refinanced, the resulting capital proceeds will be distributed to the Members in the following order:

- (1) first, to the Members in proportion to their Additional Capital Contributions (if any) until the contributing Members have received an internal rate of return of nine percent (9%) on the Additional Capital Contributions;
- (2) next, to the Members in proportion to and in return of their Additional Capital Contributions until their Additional Capital Contribution balances have been reduced to zero:

- (3) next, to the Members, in proportion to their Initial Contributions (which for this purpose will be reduced by any previous distributions made pursuant to Section 7(b)(4) below), in an amount sufficient to provide them with a nine percent (9%) internal rate of return on their Initial Contributions, taking into account any payments received by them on their Preferred Return, including payments previously received by them that exceed the Preferred Return of nine percent;
- (4) next, to the Members, in proportion to their Initial Contributions, in return of the Initial Contributions until their Initial Contributions have been reduced to zero, and any distributions made pursuant to this Section 7(b)(4) will be deemed to reduce the Initial Contributions of the Members to whom they are made, but not below zero, for purposes of calculating future distributions under Sections 7(a)(3) and 7(b)(3) above:
- (5) next, to any Members in proportion to any positive balance in their positive capital accounts until their capital accounts have been reduced to zero; and
 - (6) next, to the Members in accordance with their Ownership Interests.
- (c) <u>Transfer of Company Interest</u>. If a Member transfers all or part of the Member's interest in the Company, then the net profit or net loss of the Company allocable to the interest will be prorated between the transferor and the transferee for the fiscal year in which the transfer or adjustment occurs in proportion to the number of days in the fiscal year that each owned the interest. However, the gain or loss from any sale of the principal asset of the Company will be allocated to the persons or entities who were Members on the day that the gain or loss is realized.

8. <u>Dissolution of Company</u>.

- (a) <u>Events Causing Dissolution</u>. The Company shall be dissolved only upon the Manager's decision to dissolve the Company. The Manager may not dissolve the Company if dissolution would breach any loan agreement (however titled) that then binds the Company.
- 9. Winding Up. Liquidation and Distribution of Assets. Upon dissolution, the Manager shall immediately proceed to wind up the affairs of the Company. The Manager shall sell or otherwise liquidate all of the Company's assets as promptly as practicable (except to the extent the Manager may determine to distribute any assets to the Members in kind) and shall apply the net proceeds of such sale and the remaining Company assets in the following order of priority:
- (a) Payment of creditors, including Members and Managers who are creditors, to the extent otherwise permitted by law, in satisfaction of liabilities of the Company, other than liabilities for distributions to Members;
- (b) To establish any Reserves that the Manager deems reasonably necessary for contingent or unforeseen obligations of the Company and, at the expiration of such period as

the Manager shall deem advisable, the balance then remaining in the manner provided in Paragraph (c) below;

- (c) By the end of the taxable year in which the liquidation occurs (or, if later, within 90 days after the date of such liquidation), to the Members as provided in Section 7.
- (d) No Obligation to Restore Negative Capital Account Balance on Liquidation. Notwithstanding anything to the contrary in this Agreement, upon a liquidation within the meaning of Regulation Section 1.704-1(b)(2)(ii)(g), if any Member has a negative Capital Account balance (after giving effect to all contributions, distributions, allocations and other Capital Account adjustments for all taxable years, including the year during which such liquidation occurs), such Member shall have no obligation to make any Capital Contribution to the Company, and the negative balance of such Member's Capital Account shall not be considered a debt owed by such Member to the Company or to any other Person for any purpose whatsoever.
- (e) <u>Termination.</u> The Manager shall comply with any applicable requirements of applicable law pertaining to the winding up of the affairs of the Company and the final distribution of its assets. Upon completion of the winding up, liquidation and distribution of the assets, the Company shall be deemed terminated.
- (f) <u>Certificate of Cancellation.</u> When all debts, liabilities and obligations have been paid and discharged or adequate provisions have been made therefor and all of the remaining property and assets have been distributed to the Members, the Manager shall file a certificate of cancellation as required by Section 25.15.080 of the Act. Upon filing the certificate of cancellation, the existence of the Company shall cease, except as otherwise provided in the Act.
- (g) <u>Return of Contribution Nonrecourse to Other Members.</u> Upon dissolution each Member shall look solely to the assets of the Company for the return of its Capital Contribution. If the property remaining after the payment or discharge of liabilities of the Company is insufficient to return the contributions of members, no Member shall have recourse against any other Member.

10. Buy/Sell; Member's Right to Dissociate from the Company

(a) Right to Dissociate: Electing to Invoke Dissociation and the Buy-Sell Provisions. On and after July 1, 2012, any Member except the Manager may notify the other Members that the Member wishes to dissociate from the Company, and the Members and the Company will then follow the procedure described in this Section 10 unless the consummation of the procedure would breach any loan agreement (however titled) to which the Company is then a party. A Member electing to invoke this procedure is referred to herein as the "Initiator" and the other Members, including the Manager, are the "Respondents." The Initiator may trigger the Buy-Sell procedures set forth herein by delivering written notice (the "Election Notice") to the Respondents. In no event shall any Member have a right to deliver an Election Notice if such Member is materially in breach of its obligations hereunder, or has been disassociated from the Company.

- (b) <u>Contents of Election Notice</u>. The Election Notice, to be valid, shall state an amount (the "Assumed Amount") which the Initiator believes (in its sole opinion) would be available for distribution to the Members under Section 7 and otherwise under this Agreement after sale of all of the assets of the Company and payment of all liabilities of the Company. The price to be paid for the Ownership Interest of the Initiator (the "Buy-Sell Price") shall equal the amount that the Initiator would receive if the Assumed Amount was allocated among the Members in accordance with Section 7 of this Agreement.
- (c) <u>Effect of Election Notice</u>. An Election Notice shall constitute an irrevocable offer by the Initiator to sell all, but not less than all, of the Initiator's Ownership Interest to the Company or to the Respondents (in that case, to each Respondent in proportion to its Ownership Interest) for an amount equal to the Buy-Sell Price calculated for the Initiator's Interest The terms of the Election Notice shall be irrevocable for a ninety (90) day period.
- (d) Response to Election Notice. The Company and the Respondents shall respond in writing (the "Response") to the Election Notice within the ninety (90) day period by either (1) accepting the offer and indicating whether the Company or the Respondents will be the purchase of the Ownership Interest, or (2) declining the offer, in which case the Manager will forthwith organize the affairs of the Company, offer the Property for sale, and proceed to liquidate and dissolve the Company. If the Response is to purchase the Ownership Interest of the Initiator, then closing of the transfer of the Interest ("Closing") in accordance with Respondents' election shall take place no earlier than thirty (30) days and no later than ninety (90) days after receipt by the Initiator of the Response. The amount to be paid for the Ownership Interest of the Initiator shall be established as of the date of the Election Notice.
- (e) <u>Failure to Respond.</u> If the Company and the Respondents fail to issue the Response within said ninety (90) day period, the Company and the Respondents shall be deemed to have given the Response on the last day of such period electing to sell the Property and sthen liquidate and dissolve the Company.
- Closing. The closing of the purchase and sale of the Initiator's Ownership Interest shall occur on a date and at a time mutually agreeable to the Initiator, the Company, and the Respondents, but not later than the ninetieth (90th) day following the date of the Response. Unless all parties agree on a different place for Closing, Closing will occur at the principal office of the Company. At the closing, the Company or the Respondents (as appropriate) shall pay to the Initiator, by cash, or other immediately available funds, the Buy-Sell Price as calculated for the Initiator's Ownership Interests. If there is more than one purchasing Member, the purchasing Members may acquire the selling Members' Ownership Interests in such proportion as they may separately agree or, in the absence of such agreement, in proportion to the relative Ownership Interest of each purchasing Member immediately prior to the commencement of this procedure. The Initiator shall deliver to the purchasing Members good title, free and clear of any liens, claims, encumbrances, security interests, or options (other than those created by this Agreement), to the Initiator's Ownership Interest thus purchased. In the event the purchasing Members fail to perform their obligation to purchase hereunder, the Initiator will not be obligated to sell any portion of its Ownership Interest to the purchasing Members. At the closing the Members shall execute such documents and instruments of conveyance as may be necessary or appropriate to effect the transactions contemplated hereby, including, without limitation, the transfer of the Ownership Interest of the Initiator to the purchasing Members and the assumption by each

purchasing Member of each Initiator's obligations with respect to the Initiator's Ownership Interests transferred to the purchasing Members. The reasonable costs of such Transfer and closing incurred on behalf of the Company, including, without limitation, costs to obtain any third-party consents required as a result of obligations of the Company, shall be divided equally between the Initiator (on one hand) and the purchasing Members (on the other hand). Each Member shall be responsible for its own costs in connection with such transfer and closing including, without limitation, its attorneys' and advisors' fees and costs to obtain any third-party consents required as a result of obligations of such Member (as opposed to the Company) or its Affiliates. Any real estate excise tax owing on such Transfer shall be divided equally between the Initiator and the purchasing Members.

- (g) <u>Failure to Perform.</u> Failure of an Initiator or Respondent to perform on either side according to the provisions of this Section will result in a twenty-five percent (25%) forfeiture of the defaulting party's Ownership Interest to the non-defaulting party.
- (h) Right of First Refusal. As an alternative to the Buy-Sell provisions described in this Section, if a Member desires to sell its Ownership Interest to an outside party, then the other Members are given a first right of refusal to purchase the other party's Ownership Interests. The selling party shall notify the non-selling party by written notice, certified mail, return receipt requested, and the non-selling party shall have thirty (30) days from receipt of notice to exercise his/her first right of refusal by delivering notice to the other party within such time period by written notice, certified mail, return receipt requested. In the event the right is exercised, the closing shall occur within ninety (90) days after delivery of such notice of exercise. In the event the right is not exercised, then the selling party may not sell to a third party unless agreed to by all of the non-selling Member(s). If the selling Member still wishes to sell its Ownership Interests, the selling member could do so only by commencing the Buy-Sell procedures described in this Section 10.
- Manager's Right to Purchase. On and after July 1, 2014, the Manager may elect to purchase, or may cause the Company to purchase, the entire Ownership Interest of any Member who is neither a tenant in the Project nor an affiliate (owner, principal, shareholder, and so forth) of a tenant in the Project, on the following terms and conditions: (1) The selling Member has received the full Preferred Return attributable to that Member's Initial Contribution; (2) the purchase price is that amount which the selling Member would receive if the Project were sold for its fair market value, the expenses of sale and the debts of the Company were paid, and the profits from the sale of the Project and remaining capital of the Company were fully distributed to the Members and the Company were liquidated. The "fair market value" is the most likely cash price that the Company would receive from a willing buyer after the Project is exposed to the market for a reasonable time, with neither the seller nor the buyer being under compulsion to sell or buy, as determined by an appraiser who is a Member of the Appraisal Institute and who has at least ten years' experience in appraising commercial property in Portland, Oregon. The Manager will pay the expense of the appraisal. If the Member disagrees with the Manager's appraisal, then the Member may commission an appraisal from a similarly qualified appraiser of the Member's choosing. If the higher appraisal is less than ten percent (10%) higher than the lower appraisal, then the average of the two appraisals shall be the deemed sale price of the Project. If the higher appraisal is ten percent or more above the lower appraisal, then the two appraisers shall select a third similarly qualified appraiser, and the third appraiser

shall appraise the Project. The middle of the three appraisals will be the deemed sale price. The selling Member will pay the cost of the appraiser selected by the selling Member. The Company will pay the cost of the third appraisal.

11. Assignment of Member's Interest.

- (a) Restriction on Assignment. Except as expressly permitted under paragraph 10 above or this paragraph 11, no Member shall assign, transfer, sell, exchange, pledge, give, or otherwise dispose of or encumber in any manner or by any means whatsoever, to one who is not a Member, and whether by operation of law or otherwise, all or any part of the Member's interest in the Company, without obtaining the prior written consent of a majority in interest of the other Members, which consent must in any event include the consent of the Manager.
- (b) <u>Rights of Assignee</u>. In accordance with ORS 63.255, no person to whom a Member's interest is transferred or assigned (other than as permitted under paragraph 10above or this paragraph 11) shall be a Member or otherwise be entitled, during the continuance of the Company, to participate in the management or administration of the business or internal affairs of the Company, to require any information or account of Company's transactions, or to inspect the Company's books and records. The assignee shall merely be entitled to receive, in accordance with the terms of the assignment or other transfer, the profits, losses, and distributions to which the assigning or transferring Member would otherwise be entitled.
- 12. Admission of Additional Members. After the initial Members are admitted (which may be done by the Manager acting without the consent of the Members), then except as permitted by this paragraph 12, no person may be admitted as a Member without the execution by all Members, and by such new Member, of an amendment to this Agreement, as this Agreement may be amended, pursuant to which the existing Members agree to the admission of such new Member and the new Member agrees to be bound by all provisions of this Agreement, as amended. The Manager may, however, amend this Agreement and admit new Members without the consent of the other Members if the Manager deems it necessary to qualify the Company or the Project for the federal program commonly known as New Markets Tax Credits or other income tax credit-related financing programs. Also, Manager, or any entity controlled by Manager may transfer it's interests to any new Member as manager deems necessary.

13. Meetings of Members

- (a) <u>Authority for Call; Location; Meetings</u>. Meetings of the Members, for any purpose or purposes, may be called either by the Manager or by the Members holding at least 40% of the total Units held by all Members. The place of meeting shall be the principal office of the Company. Any Member may participate in person or by telephone.
- (b) Notice of Meetings. Written notice stating the place, day and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called shall be delivered not less than 7 nor more than 50 days before the date of the

meeting, either personally or by mail, by or at the direction of the Manager or the Members calling the meeting, to each Member entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered five calendar days after being deposited in the United States Mail, addressed to the Member as specified on Schedule A (or to a replacement address of which the Member has given notice to the other Members), with postage thereon prepaid.

- (c) Record Date. For the purpose of determining Members entitled to notice of or to vote at any meeting of Members or any adjournment thereof, or Members entitled to receive payment of any distribution, the date on which notice of the meeting is mailed or the date on which the resolution declaring such distribution is adopted, as the case may be, shall be the record date for such determination of Members. When a determination of Members entitled to vote at any meeting of Members has been made as provided in this Section 15, such determination shall apply to any adjournment thereof.
- (d) Quorum. A Majority of the Ownership Interest represented in person or by proxy shall constitute a quorum at any meeting of Members. In the absence of a quorum at any such meeting, a majority of the Ownership Interest held by Members so represented may adjourn the meeting from time to time for a period not to exceed 60 days without further notice. However, if the adjournment is for more than 60 days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each Member of record entitled to vote at the meeting. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally noticed. The Members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal during such meeting of that number of Units whose absence would cause less than a quorum.
- (e) <u>Manner of Acting.</u> If a quorum is present, the affirmative vote of Members holding more than 50% of the Ownership Interests is represented at the meeting in person or by proxy shall be the act of the Members, unless the vote of a greater or lesser percentage is required by this Agreement or the Act.
- (f) <u>Proxies.</u> At all meetings of Members a Member may vote in person or by proxy executed in writing by the Member. Such proxy shall be filed with the Manager before or at the time of the meeting. No proxy shall be valid after 11 months from the date of its execution, unless otherwise provided in the proxy.
- (g) Action by Members without a Meeting. Action required or permitted to be taken at a meeting of Members may be taken without a meeting if the action is evidenced by one or more written consents describing the action taken, executed by Members entitled to vote thereon and delivered to the Manager for inclusion in the Company's minutes. Action taken under this Section 15 is effective when all Members entitled to vote thereon have signed such consents, unless such consents specify a different effective date.
- (h) Waiver of Notice. When any notice is required to be given a Member, a waiver thereof in writing signed by the Member entitled to such notice, whether before, at, or after the time stated therein, shall be equivalent to the giving of such notice.

14. <u>Investment Representations.</u> The Member Ownership Interests have not been registered under the Securities Act of 1933, the Securities Act of Oregon, the Securities Act of Delaware, or any other state securities laws (collectively, the "Securities Acts") because the Company is issuing the ownership interests in reliance upon the exemptions from the registration requirements of the Securities Acts, and the Company is relying upon the fact that the ownership interest are to be held by each Member as an experienced real estate investor for investment purposes. Accordingly, each Member hereby confirms the ownership interests have been acquired for such Member's own account, for investment and not with a view to the resale or distribution thereof and may not be offered or sold to anyone unless there is an effective registration or other qualification relating thereto under all applicable Securities Acts or unless such Member delivers to the Company an opinion of counsel, satisfactory to the Company, that such registration or other qualification is not required. The Members understand that the Company is under no obligation to register the ownership interests or to assist any Member in complying with any exemption from registration under the Securities Acts.

15. Miscellaneous.

- (a) <u>Waiver of Right of Dissolution by Court Decree</u>. Each Member accepts the provisions of this Agreement as the sole and exclusive basis for dissolution of the Company and for determination of Members' relative rights and obligations from and after dissolution. Each Member waives and renounces the right to seek a decree of dissolution by a court or appointment by a court of a liquidator for the Company.
- (b) <u>Application of Oregon and Delaware Law</u>. This Agreement, and the application and interpretation of it, shall be governed by its terms and by the substantive laws of Delaware. However, any action involving this Agreement will be brought only in the state courts of Multnomah County, Oregon, where the Project is located, and will be subject to the procedural rules of those courts.
- (c) <u>Construction</u>. Whenever the singular number is used in this Agreement and when required by the context, it shall include the plural and vice versa, and the masculine gender shall include the feminine and neuter genders and vice versa. The word "including" means including without limitation or exclusion.
- (d) <u>Counterparts</u>. This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument.
- (e) <u>Execution of Additional Documents</u>. Each Member shall execute all other and further statements of interest and holdings, designations, powers of attorney, and other instruments necessary to comply with any laws, rules, or regulations.
- (f) <u>Headings</u>. The headings in this Agreement are inserted for convenience only and are in no way intended to describe, interpret, define, or limit the scope, extent, or intent of this Agreement or any provision of this Agreement.

- (g) Notices. Any notice, demand, or communication required or permitted to be given by any provision of this Agreement shall be deemed to have been sufficiently given or served for all purposes if delivered personally to the Party or to an executive officer or partner of the Party to whom it is directed or, if sent by mail, postage prepaid, addressed to the addresses shown on Schedule A, or to any other address the Manager or a Member may designate by notice to the other parties. Except as otherwise provided in this Agreement, any such notice shall be deemed to be given three Business Days after the date on which it was deposited in a regularly maintained receptacle for the deposit of United States mail, addressed and sent in accordance with this paragraph.
- (h) <u>Rights and Remedies Cumulative</u>. The rights and remedies provided by this Agreement are cumulative, and the use of any one right or remedy by any party shall not preclude or waive the right to use any or all other remedies. These rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance, or otherwise.
- (i) <u>Severability</u>. If any provision of this Agreement or its application to any person or circumstance shall be invalid, illegal, or unenforceable to any extent, the remainder of this Agreement and its application shall not be affected and shall be enforceable to the fullest extent permitted by law.
- (j) <u>Waivers</u>. A provision of this Agreement may be waived only by a written instrument executed by the party waiving the provision. No waiver of any provision of this Agreement shall constitute a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver. Failure to enforce any provision of this Agreement shall not operate as a waiver of that provision or of any other provision.
- (k) <u>Arbitration</u>. If any controversy or claim arising out of this Agreement or the membership relationship cannot be settled, the controversy or claim shall be settled by arbitration before a single arbitrator in accordance with the rules of the American Arbitration Association then in effect, and judgment on the award may be entered in any court having jurisdiction. Nothing in this Agreement, however, shall prevent a party from resort to a court of competent jurisdiction in those instances where injunctive relief may be appropriate.
- (l) Attorney Fees. If arbitration or injunctive relief is instituted to enforce or determine the Parties' rights or duties arising out of the terms of this Agreement, the prevailing party shall recover from the losing party reasonable attorney fees incurred in the proceeding to the extent permitted by the arbitrator or judge.
- (m) <u>Effectiveness; Heirs, Successors, and Assigns</u>. This Agreement shall be effective as of the Effective Date, after it has been signed by the Manager and the Initial Members. Each and all of the covenants, terms, provisions, and agreements contained in this Agreement bind and benefit the parties and, to the extent permitted by this Agreement, their respective heirs, legal representatives, successors, and assigns.

- (n) Amendment. Except for amendments entered into at or near the commencement of the Company's operations for the sole purpose of admitting the initial members (which amendments may be executed by the Manager without the consent of the Members), this Agreement may be amended, restated, or modified from time to time only by a written instrument adopted by the all the Members. The Members agree and acknowledge that the Project may involve tax credit utilization that could require that the Company and/or members agree to property transfers, leases or other transactions that could require an amendment or restatement of this Agreement or the execution of other related agreements or documents by the Company and/or Members, and the Members agree to reasonably cooperate in executing such amendments or documents. No Member shall have any vested rights in this Agreement that may not be modified through an amendment to this Agreement.
- (o) <u>Entire Agreement</u>. This Agreement is the entire agreement between the parties with respect to its subject matter, and it supersedes and terminates any and all prior agreements between them about those matters.

AMENDMENT NO. 2 TO LIMITED LIABILITY COMPANY OPERATING AGREEMENT

OF

GENERAL AUTO BUILDING, LLC

This Amendment No. 2 to Limited Liability Company Operating Agreement (this "Amendment No. 2") is made as of June 5, 2008 between North Park Development, LLC a Washington limited liability company ("NPD"), David Howitt, ("Howitt"), KTP Development, L.L.C., an Oregon limited liability company ("KTP"), David Sniderman ("Sniderman") (each of which may be referred to herein as a "Member" and collectively as "the Members") and Robert C. Brewster, Jr. ("Brewster").

The Members are all of the members of General Auto Building, LLC (the "Company"), an Oregon limited liability company for which Articles of Organization were filed in Oregon effective September 20, 2007. Articles of organization were filed under the name "General Automotive Building, LLC" in Delaware on April 25, 2007 and for which a Certificate of Cancellation was filed in Delaware effective September 28, 2007. The Members are all parties to that certain "Limited Liability Company Operating Agreement" of the Company, dated April 23, 2007, as amended by that certain "Amendment No. 1 to Limited Liability Operating Agreement" dated September 20, 2007 (collectively, the "LLC Operating Agreement"). All capitalized terms shall have the meanings set forth in the LLC Operating Agreement unless otherwise defined herein.

The Members and Brewster hereby agree to amend the LLC Operating Agreement as follows:

- 1. New Member. The Members acknowledge and agree that Robert C. Brewster, Jr. ("Brewster") is hereby admitted to the Company as a Member. Accordingly, the "Exhibit A" (List of Members, Addresses, Contributions, and Ownership) attached to the LLC Operating Agreement is hereby deleted in its entirety and replaced with the "Exhibit A" List of Members, Addresses, Contributions, and Ownership attached hereto. Brewster hereby agrees to be bound by all of the provisions of the LLC Operating Agreement. The Members also acknowledge and agree that the entity identified in the deleted Exhibit A to LLC Operating Agreement as "RCB Development LLC" is not an actual entity and is not (and never was) a Member of the Company but was instead inserted as a placeholder entity name in anticipation of the admission of Brewster to the Company.
- 2. Development Fee. The Members agree that the \$250,000 in development fees described in the LLC Operating Agreement at Section 3(c) shall be paid as follows: (i) \$100,000 shall be paid to NPD from the HomeStreet Bank construction loan draws; and (b) the remaining \$150,000 of these development fees shall be paid to NPD as a Company operations expense prior to any distributions to other Members. These Section 3(c) development fees are separate from the "Development Fees" described in the "Development Agreement" that is to be entered into by

and between the Company and NPD in connection with the tax credit closing and Project development.

- 3. Representations with Respect to Legal Counsel. The parties executing this Amendment No. 2 acknowledge that Real Property Law Group PLLC has represented exclusively Robert C. Brewster, Jr. individually and in his capacity as Member of NPD in connection with this Agreement and has prepared or commented on certain other documents in connection with the Project as an accommodation to the parties and the Company. Each of the other parties acknowledges that the rights created by the LLC Operating Agreement and related transaction documents are complex and may well require the assistance of counsel to understand the full implications. Each of the Members further acknowledges and agrees that the interests created under the LLC Operating Agreement are not freely transferable and may have limited market value. Notwithstanding such fact, the interests created hereby have important legal consequences, and may well subject Members to federal income tax consequences, and each Member has been advised to seek his or her independent counsel with respect thereto. In the event of any litigation arising out of or in connection with this Agreement or the Company, Real Property Law Group PLLC may in its discretion represent only Robert C. Brewster, Jr. and each of the other Members hereby consents to such representation.
- 4. Counterparts. This Amendment No. 2 may be executed in any number of counterparts and transmitted electronically or by facsimile and all counterparts shall be deemed to constitute a single agreement. The execution and delivery of one counterpart by any party shall have the same force and effect as if that party had signed all other counterparts. The signatures to this Amendment No. 2 may be executed on separate pages and when attached to this Amendment No. 2 shall constitute one complete document.
- 5. LLC Operating Agreement Affirmed; No Other Amendments. Except as modified by this Amendment No. 2, the LLC Operating Agreement remains in full force and effect and has not been modified or amended.

EXHIBIT 2 TO THE FIFTH AMENDED PLAN OF REORGANIZATION

FIRST AMENDMENT TO LEASE

This Amendment to Lease ("Amendment") is dated ______, 2013 by and between General Auto Building, LLC ("Landlord") and General Auto Lessee, LLC ("Tenant").

RECITALS:

- A. Landlord and Tenant are parties to a certain Lease dated June 13, 2008 (the "Lease").
- B. On March 2, 2012, Landlord filed its petition under Chapter 11 of the United States Bankruptcy Code and commenced Case No. 12-31450-elp before the United States Bankruptcy Court for the District of Oregon (the "Bankruptcy Case").
- C. Landlord and Tenant desire to amend the Lease as set forth below to conform the Lease to the circumstances of Landlord, Tenant, the Building, and the Premises, and to the terms of Landlord's plan of reorganization confirmed in the Bankruptcy Case (the "Plan of Reorganization").

AGREEMENTS:

In consideration of the mutual promises, covenants, and conditions set forth herein, the parties hereto agree as follows:

- 1. The following amendments shall take effect as of the Effective Date of the Plan of Reorganization.
- 2. Landlord hereby assigns, transfers, and delivers to Tenant all of Landlord's right, title, and interest in, to, and under the leases listed on Exhibit A to this Amendment (for all purposes under the Lease and this Amendment the "Existing Leases") from and after the Effective Date, subject, however, to the security interests and liens of Park & Flanders, LLC ("Park & Flanders") as provided in the Plan of Reorganization.
 - 3. Section 3.3 of the Lease is hereby replaced with the following:

Section 3.3: Landlord's Termination Option

(a) Notwithstanding the aforesaid Term, in the event of (i) a sale or other direct or indirect transfer of all of Landlord's interest in the Premises to an unrelated buyer on arms' length terms; or (ii) the exercise by General Auto Development Manager, LLC of its call option or the exercise by TCC Historic Tax Credit Fund VII, L.P. of its put option pursuant to the Purchase Agreement dated June 13, 2008, and executed by and between them, but in no other case, and except as set forth in Section 3.3(c) below, Landlord shall have the right to terminate this Lease upon the giving of notice thereof in writing to Tenant ("Lease Termination Notice"). The termination of the Lease shall be effective sixty (60) days from and after the giving of the Lease Termination Notice provided that in

the event of a sale or other direct or indirect transfer of all of Landlord's interest in the Premises to an unrelated buyer on arms' length terms, Landlord shall have made to Tenant a payment (the "Lease Termination Payment") equal to thirty percent (30%) of the amount of net proceeds actually received by Landlord from the sale or other transfer of its interest in the Premises. The amount actually received by Landlord shall be determined after payment of (i) all transactional and closing costs paid to third parties in connection with such sale; (ii) all obligations secured by the Building or Premises; and (iii) any unpaid obligations remaining owing by Landlord under the Plan of Reorganization. In the event the consideration to be received by Landlord in connection with such sale or other transfer is to be paid over time, the Lease Termination Payment shall be paid in installments (and evidenced by a note setting forth Landlord's obligations in connection therewith) proportionate to such payments as are scheduled to be actually received from time to time by Landlord after payment and satisfaction of closing costs, secured obligations, and Plan of Reorganization obligations hereinbefore described. Notwithstanding the foregoing or any other provision of this Lease, Landlord may sell or transfer all or any portion of its interest in the Premises at any time to any party at Landlord's sole discretion; provided that (i) such conveyance is not to a tax-exempt entity, or to an entity controlled by a tax-exempt entity, if such conveyance would result in a Recapture Event to Tenant and/or Investor Member; (ii) such conveyance is not to any other entity where the transfer would result in a Recapture Event to Tenant and/or Investor Member; and (iii) such transferee assumes all of Landlord's rights and obligations under the Lease, as amended by this Amendment, and so long as the provisions of this sentence are satisfied, no transfer payment or fee of any kind shall be owed to Tenant by Landlord or its transferee.

- (b) In the event Landlord gives the Lease Termination Notice as provided in subparagraph (a) of this Section 3.3, then within sixty (60) days from and after the giving of the Lease Termination Notice Tenant shall (i) surrender possession of the Premises to Landlord and otherwise perform its obligations under Article 9 of the Lease; (ii) assign, surrender, or deliver to Landlord all reserves held by Tenant in connection with the Building and Premises; and (iii) assign to Landlord all leases as between Tenant and subtenants, including any remaining Existing Leases.
- (c) Notwithstanding subparagraph (a) or subparagraph (b) of this Section 3.3, the Lease may not be terminated prior to the fifth anniversary of the date on which the last "qualified rehabilitation expenditures" ("QRE"), as such term is defined in Section 47(c)(3) of the Code, with respect to the Building are first placed in service (such date referred to herein as the "QRE Completion Date") without the prior written consent of Tenant signed by all the partners or members of Tenant.

Section 4.3: Modified Net Lease

- This Lease is called a "modified net lease," it being understood that (a) Landlord shall receive the Base Rent set forth in Section 4.2 hereof free and clear, after the Effective Date, of any and all other Impositions (as defined in Section 5.2 below), taxes (other than property taxes), assessments, liens, charges, or expenses of any nature whatsoever in connection with the ownership, maintenance, repair, and operation of the Premises, except as otherwise provided herein. From and after the Effective Date, Tenant shall be solely responsible for and shall pay all operating charges, maintenance charges, rental under equipment or similar leases, and any other charges, costs, and expenses that arise or may be contemplated under any provisions of this Lease during the portion of the Term following the Effective Date. All such charges, costs, and expenses when due shall constitute additional rent ("Additional Rent"), even though not necessarily payable to Landlord, and upon the failure of Tenant to pay any such costs, charges, or expenses, Landlord shall have the same rights and remedies as otherwise provided in this Lease for the failure of Tenant to pay Base Rent. Base Rent, Additional Rent, and all other sums payable hereunder by Tenant shall be paid (except as otherwise provided for herein) without notice or demand and without setoff, counterclaim, abatement, suspension, deduction or defense. Nothing herein contained shall obligate Tenant for the payment of any expenses payable by Landlord pursuant to Section 7.4 hereinbelow or any income or franchise taxes payable by Landlord under applicable law.
- (b) Landlord shall be responsible for paying (i) property taxes for the Building and/or Premises; (ii) insurance premiums for property and casualty insurance for the Building and/or Premises; (iii) debt service pursuant to Section 7.4; (iv) costs incurred for tenant improvements associated with Existing Leases and (to the extent approved by Landlord) leases executed by Tenant with subtenants after the Effective Date; (v) lease commissions associated with Existing Leases and (to the extent approved by Landlord) leases executed by

Tenant with subtenants after the Effective Date; and (vi) any capital expenses that are not the obligation of Tenant under Section 8.2(a) or Article 13, it being understood that the cost of alterations, additions and improvements made in connection with tenant improvements and approved by Landlord shall be paid by Landlord.

6. Section 5.2 of the Lease is hereby replaced with the following:

Section 5.2: Payment by Tenant

For each calendar year during which any portion of the Term following the Effective Date falls, Tenant shall pay Landlord, as additional rent for the Premises, "Tenant's Share of Impositions." For purposes hereof, Tenant's Share of Impositions for any such calendar year shall mean all Impositions for such year (or portion of such year following the Effective Date). The term "Impositions" shall mean all taxes (except property taxes for the Building and/or Premises), and assessments, general and special, water rates, and all other impositions, ordinary and extraordinary, of every kind and nature whatsoever, which may be levied, assessed, charged, or imposed during the Term of the Lease (following the Effective Date) upon the Premises, or any part thereof, or upon any improvements at any time situated thereon. Impositions shall also include fees and costs incurred by Landlord pursuant to Section 5.6 hereinbelow during the Lease Term for the purpose of contesting or protesting Impositions, to the extent such fees and costs relate to savings anticipated by Landlord during the Term of the Lease. Impositions "for" a given calendar year shall mean Impositions that are due for payment or paid in such calendar year, regardless of when the same are assessed.

- 7. Section 5.3 is deleted.
- 8. Section 7.3 of the Lease is hereby replaced with the following:

Section 7.3: Operating Expenses

Without limitation of any other provision herein, and except as otherwise herein specified, from and after the Effective Date Tenant shall pay all expenses of operation of the Premises including, without limitation, all utility charges, operating charges, maintenance and repair charges, costs for replacements, and other charges, and all other charges, whether or not contemplated under this Lease. It is specifically acknowledged and agreed that Tenant shall be responsible for paying all amounts payable to the Project Manager under the Project Management Agreement.

9. A new Section 7.5 is hereby added to the Lease as follows:

Section 7.5: Tenant Reserves

Tenant shall deposit a minimum of \$5,000 per month to a reserve until a reserve of \$100,000 has been established. Such reserve shall be maintained for

the sole purpose of paying Base Rent. The reserve shall be available to Tenant and used only for the purpose of paying Base Rent in the event that monthly cash flow from rents is not sufficient to pay Base Rent.

- 10. Section 14.2 is hereby modified to be consistent with this Amendment so that alterations, additions, or improvements that are tenant improvements made in connection with an Existing Lease or the execution, renewal, or extension of a lease shall be paid by Landlord unless otherwise agreed between Landlord and Tenant.
 - 11. Section 19.8 of the Lease is hereby replaced with the following:

Section 19.8: Grant of Security Interest by Tenant

- (a) To secure its obligations under this Lease, Tenant hereby grants to Landlord a security interest in all of Tenant's right, title, and interest in, to and under the following-described property (the "Collateral"):
 - (i) All of Tenant's interest (whether presently existing or hereafter acquired) in all FF&E which is or becomes attached to, installed in, or used on or in connection with the Premises;
 - (ii) All cash, deposits, and reserves held by Tenant, including the reserve established and maintained pursuant to Section 7.5;
 - (iii) All security deposits held by Tenant for the benefit of subtenants;
 - (iv) Tenant's right, title, and interest to rent, and other payments under the Existing Leases and any and all leases or subleases hereafter entered into by or assigned to Tenant;
 - (v) Tenant's right, title, and interest in and under the Project Management Agreement, and any contracts to the extent they may be pledged or assigned;
 - (vi) Tenant's rents, revenues, incomes, proceeds, profits, and other sums or benefits paid or payable to Tenant in connection with Tenant's operation of the Premises; and
 - (vii) All proceeds, including insurance or condemnation proceeds, that arise out of the sale, liquidation, or other transfer of, or damage to, condemnation of, or destruction of, or sale, use, or enforcement of the above-described Collateral, or any proceeds thereof, including cash proceeds.
- (b) Tenant shall execute and deliver to Landlord within twenty (20) days after Landlord's request, in form and substance satisfactory to Landlord, such financing statements as Landlord may consider reasonably necessary to create,

protect, and preserve Landlord's security interest herein granted, and Landlord may cause such statements to be recorded and filed at such times and places as may be required or permitted by law to so create, perfect and preserve such security interest.

- (c) The security interest granted pursuant to this Section 19.8 is a collateral security interest only, and Tenant shall have full use of and control over the Collateral prior to the occurrence of, and following the cure of, any Default by Tenant hereunder.
- (d) If requested to do so by Landlord, Tenant shall enter into a separate security agreement with Landlord to provide in greater detail the details of the security interest in the Collateral.
- 12. Section 20.1 is hereby replaced with the following:

Section 20.1: Subordination

- (a) Landlord has executed and delivered, and may hereafter from time to time execute and deliver, one or more mortgages, deeds of trust, and assignments of rents (hereinafter referred to together as a "Mortgage") against the Premises, any interest therein, the Existing Leases and any subleases hereafter executed. Tenant has entered into a subordination, non-disturbance, and attornment agreement on September 1, 2010 ("SNDA") with the predecessor-ininterest of Park & Flanders. Nothing in this Amendment is intended to alter or amend the terms of such SNDA. If Tenant is hereafter requested by a mortgagee under any Mortgage to enter into a subordination, non-disturbance, and attornment agreement with terms substantially similar to the current SNDA, Tenant will promptly execute and deliver such agreement or agreements as may be reasonably required by such mortgagee under any Mortgage in connection therewith.
- (b) Tenant acknowledges and agrees that Landlord has granted to Park & Flanders, and may hereafter grant to Park & Flanders or another mortgagee, a security interest in Landlord's interest in the Collateral in which Landlord has a security interest pursuant to Section 19.8 as security for Landlord's obligations under certain loan agreements. In the event of any foreclosure under any such security interest, General Auto Building, LLC (and no subsequent Landlord hereunder) shall be obligated to pay Tenant any damages suffered by Tenant as a result of such foreclosure, including, without limitation, the fair market value of all Collateral lost by Tenant in such transaction; provided, however, that the amounts due Tenant under this paragraph shall be offset by any amounts owed by Tenant to Landlord as a result of any Default by Tenant under this Lease.

13. Article 27 is hereby replaced with the following:

- 15. Except as modified or amended by this Amendment, the terms and conditions set forth in the Lease shall be and remain in full force and effect, and shall be enforceable by their terms; provided, however, that in the event of any inconsistency or ambiguity, the terms of this Amendment shall control and the Lease shall be construed in a manner to give effect to the terms of this Amendment.
