#### FOURTH PERIODIC REPORT REGARDING VALUE, OPERATIONS AND PROFITABILITY OF ENTITIES IN WHICH THE DEBTORS HOLD A SUBSTANTIAL OR CONTROLLING INTEREST

AMR Corporation, American Airlines, Inc., AMR Eagle Holding Corporation, and certain of their subsidiaries, as debtors and debtors in possession in the above-captioned Chapter 11 cases (collectively, the "Debtors," and together with their non-Debtor subsidiaries, "AMR"), hereby file this report, dated as of September 4, 2013 (the "Periodic Report") pursuant to Rule 2015.3 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") reporting the value, operations and profitability of certain non-debtor entities ("Non-Debtors") in which one or more Debtors hold a substantial or controlling interest. The Debtors directly hold all or substantially all of the equity interests in the following entities:

	Interest of the	<u>Exhibit</u>

This Periodic Report contains separate reports (the "Entity Reports") on the valuation, profitability and operations of each Non-Debtor entity listed above. The Periodic Report does not include information for five Non-Debtors in which a Debtor maintains a joint venture or minority interest and is bound by confidentiality obligations from publicly disclosing their financial statements. These entities include the following:

Entities in which a joint venture or minority interest is held by Debtors	Interest of the Estate
Texas Aero Engine Services, LLC	50%
oMC Venture, LLC	50%
oneworld Alliance, LLC	25.6%
oneworld Management Company, Inc.	25.6%
Aerolineas Pacifico Atlantico, S.A.	25%

Each Entity Report consists of three exhibits. Exhibit A contains a valuation estimate for the Non-Debtor entity as of a date not more than two years prior to the date of this report. It also contains a description of the valuation method used. Exhibit B contains a balance sheet (Exhibit B-1), a statement of income (loss) (Exhibit B-2), a statement of cash flows, and a statement of changes in shareholders' or partners' equity (deficit) for the period covered by the Entity Report, along with summarized footnotes. Exhibit C contains a description of the Non-Debtors' business operations.

Please note with respect to Exhibit A, it would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations of the Non-Debtors in which the Debtors hold a direct interest of 20% or more; therefore, the net book value of the assets of these entities is the basis for the valuation.

With respect to Exhibit B, the balance sheet and statements of income have been included when available for each Non-Debtor entity. Statements of cash flow and statements of changes in shareholders' or partners equity are not prepared for each Non-Debtor entity. System and resource constraints preclude the Debtors from preparing these statements at the entity level; therefore, these statements have been excluded from this report.

The financial information in this Period Report filing is based upon the Debtors' books and records. The financial information is unaudited and does not purport to show the financial statements of any of the Non-Debtors in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), and therefore may exclude items required by U.S. GAAP, such as certain reclassifications, eliminations, accruals, valuations, and disclosure items. Although management has made reasonable efforts to ensure that the financial information is accurate and complete based on information that was available to them at the time of the preparation, subsequent information or discovery may result in material changes to the information, and inadvertent errors or omissions may exist. Moreover, because the financial information included in this filing is unaudited information that is subject to further review and potential adjustment, there can be no assurance that the information is accurate and complete. Nothing contained in this filing shall constitute a waiver of any rights of the Debtors, specifically including the Debtors' right to amend the information.

The undersigned, having reviewed the above listing of entities in which the Debtors' estates directly hold a substantial or controlling interest, and being familiar with the Debtors' financial affairs, verifies under the penalty of perjury that the listing is complete, accurate and truthful to the best of her knowledge.

#### Exhibit A Valuation Estimate for Non-Debtor Entities

The basis for the valuation of each entity is the net book value calculated as total liabilities of each entity subtracted from its total assets as of June 30, 2013. The book balances for the assets and liabilities of each entity are maintained based on historic cost as adjusted in accordance with U.S. GAAP. The Debtors have no available analyses prepared within the past two years supporting any comprehensive alternative valuation method for the entities.

- 1. Condensed Statements. The condensed financial statements contained in the Periodic Report are unaudited. While management of the Debtors and their affiliates has made every reasonable effort to ensure that these financial statements are accurate and complete based upon information that was available at the time of preparation, the subsequent receipt of information may result in material changes in the data contained in these financial statements, and inadvertent errors or omissions may exist. To the extent the Debtors discover additional information that may differ materially from the information set forth in the financial statements contained herein, the Debtors may amend, supplement or otherwise modify this Periodic Report to reflect such changes. Accordingly, the Debtors reserve all rights to amend, supplement or otherwise modify this Periodic Report as they deem necessary or appropriate.
- 2. Basis of Presentation. The accompanying unaudited financial information presented on Exhibits B-1 and B-2 represents the financial position and statements of the operations (collectively, the "Financial Information") of the Non-Debtor entities in which the Debtors hold a substantial or controlling direct or indirect interest except for joint venture and minority interest entities listed in the certification to this report (the "Form 26 Reporting Entities").

The Financial Information has been assembled from the general ledgers of the Form 26 Reporting Entities and is presented on an unconsolidated separate legal entity basis. The Financial Information has generally been maintained in accordance with U.S. GAAP, except for elimination of the required footnotes.

Receivables and payables <u>between</u> the Non-Debtors and Debtors and/or <u>among</u> the Non-Debtors have not been eliminated. No conclusion as to the legal obligation related to these intercompany transactions is made by the presentation herein.

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date the financial statements, as well as the reported amounts of revenues and expenses during the reporting period. Actual amounts and results could differ from those estimates.

The Financial Information contained herein was not intended to reconcile to any financial statements otherwise prepared or distributed by the Debtors or any of the Debtors' affiliates. Significant efforts have been put forth to attribute the assets and liabilities to the proper legal entity. However, because the Debtors' accounting systems, policies, and practices were developed with a view to producing consolidated reporting, rather than by legal entity, it is possible that not all assets or liabilities have been recorded in the books and records of the correct legal entity. Accordingly, the Debtors reserve all rights to supplement or amend any financial statements contained in this Periodic Report.

## Exhibit B-3 Notes to Exhibits B-1 and B-2 (Continued)

Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Non-Debtor entity shows more assets than liabilities, this is not an admission that the Non-Debtor entity was solvent on November 29, 2011 (the "Petition Date") or at any time prior to the Petition Date, including the date as of or for the period of any financial statements or other financial information included in this Periodic Report. Likewise, to the extent that a Non-Debtor entity shows more liabilities than assets, this is not an admission that the Non-Debtor entity was insolvent at the Petition Date or at any time prior to the Petition Date, including the date as of or for the period of any financial statements or other financial information included in this Periodic Report.

The accompanying Financial Information does not include all footnotes and certain financial presentations normally required by U.S. GAAP.

3. Current values. Unless otherwise indicated, the basis for all current values included in this Periodic Report was the net book value from relevant corporate books and records as of the close of business on June 30, 2013. The net book value as of June 30, 2013 may not reflect the current value of the respective assets. In particular, for amounts receivable by Non-Debtor entities from Debtor entities, no consideration has been made as to whether the Chapter 11 bankruptcy filing will result in the amount ultimately receivable being less than the amount stated in the Financial Information. Additionally, interest on intercompany loans to Debtor entities are reflected at contractual amounts and not adjusted for the impact of the Chapter 11 bankruptcy filing.

For the reasons discussed above, the Debtors caution readers not to place undue reliance upon the information contained in this Periodic Report. For further information, please refer to the consolidated financial statements and footnotes thereto in the Annual Report on Form 10-K for the fiscal year ended December 31, 2012, for AMR Corporation and other filings by AMR Corporation with the Securities and Exchange Commission.
