I. INTRODUCTION

Haas Environmental, Inc. (the “Debtor”) commenced its Chapter 11 Case by filing a voluntary Chapter 11 petition under the United States Bankruptcy Code 11 U.S.C. §§ 101, et seq. (the “Bankruptcy Code”), on August 6, 2013. Chapter 11 of the Bankruptcy Code allows a debtor, and under some circumstances, Creditors and other parties in interest, to propose a plan of reorganization. A plan may provide for the debtor to reorganize by continuing to operate, to liquidate by selling assets of the estate, or a combination of both. The Debtor is the party proposing the Plan. THE DOCUMENT YOU ARE READING IS THE DISCLOSURE STATEMENT (the “Disclosure Statement”) FOR THE PLAN WHICH IS ATTACHED HERETO AS EXHIBIT “A” (the “Plan”).¹

Under the Plan, the Debtor seeks to reorganize and continue operations. In other words, the Debtor seeks to accomplish payments under the Plan by providing payments to Creditors from cash on hand on the Effective Date, the New Value Contribution, and ongoing operations. The Effective Date of the proposed Plan is the later of: (a) fourteen days after entry of the Confirmation Order; (b) the date the Plan Administrator executes the Plan Administrator Agreement; and (c) the date the New Value Contribution is deposited with Sherman Silverstein.

A. Purpose of This Document

This Disclosure Statement summarizes what is in the Plan, and tells you certain information relating to the Plan and the process the Court follows in determining whether to confirm the Plan.

**READ THIS DISCLOSURE STATEMENT CAREFULLY IF YOU WANT TO
KNOW ABOUT:**

¹ Unless otherwise defined herein, all capitalized terms shall have the meanings ascribed to them in the Plan.

- (1) **WHO CAN VOTE OR OBJECT;**
- (2) **THE PROPOSED TREATMENT OF YOUR CLAIM (i.e., what your Claim will receive if the Plan is confirmed), AND HOW THIS TREATMENT COMPARES TO WHAT YOU WOULD RECEIVE IN LIQUIDATION;**
- (3) **THE HISTORY OF THE DEBTOR;**
- (4) **WHAT THE COURT WILL CONSIDER WHEN DECIDING WHETHER TO CONFIRM THE PLAN;**
- (5) **THE EFFECT OF CONFIRMATION; AND**
- (6) **THE FEASIBILITY OF THE PLAN.**

This Disclosure Statement cannot tell you everything about your rights. You should consider consulting your own lawyer to obtain more specific advice on how this Plan will affect you and what is your best course of action.

Read the Plan as well as the Disclosure Statement. If there are any inconsistencies between the Plan and the Disclosure Statement, the Plan's provisions will govern.

Bankruptcy Code Section 1125 requires that a disclosure statement contain "adequate information" concerning the Plan. The term "adequate information" is defined in Section 1125(a) as "information of a kind, and in sufficient detail," about a debtor, its operations, and potential tax implications of the Plan on the debtor, any successor of the debtor and on hypothetical investors typical of Claim holders that would enable such hypothetical investor of the debtor to make an informed judgment about accepting or rejecting the Plan. The Court has determined that this Disclosure Statement satisfies the adequate information requirement, and as further set forth below, the Court has scheduled a Confirmation Hearing to consider the Plan. A copy of the Order approving this Disclosure Statement is attached as Exhibit "B".

This Disclosure Statement is provided to each Creditor whose Claim has been scheduled by the Debtor or who has filed a proof of claim against the Debtor and to each Equity Interest Holder of record as of the date of approval of this Disclosure Statement. Under the Bankruptcy Code, your acceptance of the Plan may not be solicited unless you receive a copy of this Disclosure Statement prior to or concurrently with such solicitation.

B. Confirmation Procedures

1. Persons Potentially Eligible to Vote on the Plan

In determining acceptance of the Plan, votes will only be counted if submitted by a Creditor whose Claim is duly scheduled by the Debtor as undisputed, non-contingent and unliquidated or who prior to December 18, 2013, has filed with the Court a proof of claim which has not been disallowed or suspended prior to computation of the votes on the Plan. The ballot form that you received does not and will not constitute a proof of claim. If you are uncertain whether your Claim has been correctly scheduled, you should check the Debtor's Schedules which are on file at the Office of the Clerk of the Bankruptcy Court located at United States Bankruptcy Court, U.S. Courthouse, 402 East State Street, Trenton, New Jersey 08608. The Clerk of the Court will not provide this information by telephone.

THE COURT HAS NOT YET CONFIRMED THE PLAN DESCRIBED IN THIS DISCLOSURE STATEMENT. IN OTHER WORDS, THE TERMS OF THE PLAN ARE NOT YET BINDING ON ANYONE. HOWEVER, IF THE COURT LATER CONFIRMS THE PLAN, THEN THE PLAN WILL BE BINDING ON THE DEBTOR, ALL CREDITORS AND EQUITY INTEREST HOLDERS IN THE CHAPTER 11 CASE.

2. Time and Place of the Confirmation Hearing

The Confirmation Hearing will take place before the Court on _____, 2014, at 10:00 a.m. at the U.S. Courthouse, 402 East State Street, Trenton, New Jersey 08608.

3. Deadline For Voting For or Against the Plan

Any interested party desiring further information about the Plan should contact Arthur J. Abramowitz or Jerrold N. Poslusny, Jr. at Sherman, Silverstein.

C. Disclaimer

The financial data relied upon in formulating the Plan is based on review of the Debtor's projections and consultation with its Professional Persons. The Debtor represents that everything stated in the Disclosure Statement is true to the Debtor's best knowledge as of the date of this Disclosure Statement.

PLEASE NOTE THAT APPROVAL OF THIS DISCLOSURE STATEMENT BY THE COURT DOES NOT CONSTITUTE A RULING ON THE MERITS, FEASIBILITY OR DESIRABILITY OF THE PLAN.

II. BACKGROUND

A. The Debtor's Business

1. Description and History

The Debtor is a corporation established in 1996, and its headquarters and corporate offices are located at 7 Red Lion Road, Vincentown, New Jersey 08088. The Debtor performs industrial cleaning and maintenance at steel mills, and provides support services to companies involved in “fracking” operations. The Debtor’s steel mill operations are located in Trinity, Alabama; Armorel, Arkansas; and Burns Harbor, Indiana.

In 2010, the Debtor expanded into the oil and gas industry in the Marcellus Shale region. The Debtor is hired by major oil and gas companies in the region to haul fresh water for the hydraulic fracturing process. The Debtor also hauls the used water to disposal locations, and cleans frack tanks and waste water lagoons. The Debtor’s fracking operations are located in Northern and Western Pennsylvania and West Virginia.

By 2011, over 50% of the Debtor’s business was related to the oil and gas industry, totaling approximately \$16 million of the Debtor’s revenue. To be able to service the demand, and expecting this business to continue to grow, the Debtor made a significant investment in new equipment and vehicles, which purchases were financed largely by the Secured Creditors.

The Debtor had approximately 150 employees, as of the Petition Date.

2. The Debtor's Prepetition Financing and Use of Cash Collateral

Pursuant to the Peoples Loans, the Debtor granted a security interest to Peoples consisting of (as detailed in the Peoples Loans), inter alia, all rights to the Debtor’s tangible and intangible personal property, all of the Debtor’s cash and non-cash proceeds thereof. The Debtor acknowledges that the Peoples Liens are legal, valid, enforceable, non-avoidable, and duly

perfected security interests in and liens upon the Peoples Collateral. Peoples' Claims shall be deemed Allowed Secured Claims for all purposes under the Plan.

Pursuant to the CCG Loans, the Debtor granted a security interest to CCG consisting of (as detailed in the CCG Loans), inter alia, all rights to the Debtor's tangible and intangible personal property, all of the Debtor's cash and non-cash proceeds thereof. The Debtor acknowledges that the CCG Liens are legal, valid, enforceable, non-avoidable, and duly perfected security interests in and liens upon the CCG Collateral. CCG's claims shall be deemed Allowed Secured Claims for all purposes under the Plan.

On the Petition Date, the Debtor filed a motion for the use of Peoples', CCG's, and Santander's cash collateral (the "Cash Collateral Motion"). Peoples and CCG consented to the use of cash collateral so long as all such uses were subject to a budget acceptable to the Debtor on one hand and Peoples and CCG on the other. Santander did not appear and did not oppose the Cash Collateral Motion or the proposed form of any of the Cash Collateral Orders. The Cash Collateral Motion was granted on an interim basis on August 12, 2013, September 20, 2013, January 24, 2014, and February 26, 2014. The Debtor presently has authority to use cash collateral through May 31, 2014.

3. Principal of the Debtor's Business

Haas holds 100% of the Equity Interests of the Debtor.

4. Management of the Debtor Before and After the Bankruptcy

Haas has been responsible for the Debtor's operations since its formation. Haas has remained in control of the Debtor's operations since the Petition Date. Haas will continue to be responsible for the Debtor's operations after confirmation of the Plan.

B. Events Leading to the Chapter 11 Filing

The Debtor's Chapter 11 filing was precipitated by a number of factors.

In the second half of 2012 the price of natural gas declined significantly, and the Debtor's revenue related to the natural gas industry dropped to \$12 million in 2012. The Debtor's revenue from oil and natural gas in 2013 was \$4.8 million.

The decrease in revenue made it impossible for the Debtor to service its secured debt. Although the oil and natural gas business improved during 2013, such recovery has been slow, and thus made it necessary for the Debtor to file this Chapter 11 Case.

At the same time, certain unsecured creditors began to pressure the Debtor for payment of amounts that they were owed. Several unsecured creditors obtained judgments against the Debtor and began efforts to collect upon those judgments. On occasions where judgment creditors levied the Debtor's bank accounts, Santander compelled the Debtor to use these funds to reduce Santander's Secured Claim, instead of allowing the funds to be applied to the applicable judgment. As a result, the Debtor was forced to attempt to resolve the judgments on a piecemeal basis, but found that this course was not tenable.

On or about July 31, 2013, CCG began efforts to repossess certain of the Debtor's vehicles and equipment. If CCG had continued with those efforts, the Debtor would have been forced to cease operations.

All of these factors left the Debtor with no option other than seeking to reorganize pursuant to Chapter 11.

C. Significant Legal Events

1. Other Current Legal Proceedings

a. Bankruptcy Proceedings

On the Petition Date, the Debtor filed several motions including the Cash Collateral Motion (Dkt. No. 2), a motion to pay pre-petition wages (Dkt. No. 3), and a motion to ensure that

the Debtor's utility providers would not suspend providing services to the Debtor (Dkt. No. 4). All of these motions were granted by the Court.

On August 23, 2013, the United States Trustee appointed the Committee. The Committee retained Lowenstein Sandler ("Lowenstein"), as its attorneys, as of August 23, 2013, and Amper Politziner ("Amper"), as its financial advisor, as of January 1, 2014. Upon retaining Lowenstein, the Committee took an active role in the Chapter 11 Case and began a review of Debtor's financial history. The Committee's investigation included document requests and meetings with the Debtor. At the conclusion of its investigation, the Committee raised certain claims that could be asserted against Haas and other insiders, at which time, the parties entered in negotiations in an attempt to reach a consensual plan. At the conclusion of those negotiations, the parties reached the Plan Settlement.

On September 6, 2013, Ford filed a motion for relief from the automatic stay seeking authority to exercise its state law remedies against the thirty-three vehicles that the Debtor financed through Ford. The Debtor and Ford reached an agreement pursuant to which the Debtor turned over approximately fifteen of the vehicles and agreed to resume the regular monthly payment on account of the vehicles that the Debtor retained.

On May 19, 2014, the Debtor filed a motion for approval of the Cleveland Brothers Equipment Company Settlement. Pursuant to the terms of the Cleveland Settlement, the Debtor agreed to pay Cleveland \$12,500, with Debtor retaining approximately \$50,000 from escrow funds. Upon receipt of the funds by Cleveland, Debtor shall retrieve an Excavator in Cleveland's possession. The Debtor and Cleveland provided mutual releases with respect to the Settlement.

On May 21, 2014, the Debtor filed a motion for approval of the NLRB Settlement. Pursuant to the terms of the NLRB Settlement, the Debtor agreed to pay approximately \$400 as

an Allowed Administrative Expense and approximately \$6,000 as an Allowed Priority Non-Tax Claim to current and former employees and Longshoremen Local 2038 on account of alleged inappropriate requirements by the Debtor and Laborers Local 81 forcing the employees to join Laborers Local 81. The Debtor disputed the allegations but determined that the NLRB Settlement was cost-effective in light of the potential costs and risks of further litigating the issues.

Because the Debtor has been able to resolve many potential issues without the necessity of involving the Court, there have been few other legal issues to date in the Chapter 11 Case. However, the following matched motions were filed and ruled upon by the Court.

The Court has approved the employment of the following professionals on Debtor's behalf: Cozen O'Connor ("CO"), the Debtor's initial counsel was retained from the Petition Date through December 8, 2013; Sherman Silverstein from December 9, 2013 to the present; Woodworth & St. John ("W&S") was retained as the Debtor's accountants as of the Petition Date; Guida Realty was retained as the Debtor's realtor to assist with the sale of the Debtor's real property in Steubenville, Ohio.

Other than may be discussed above, no significant motions are currently pending.

b. Other Legal Proceedings

The Debtor is aware of the following legal proceedings that were pending on the Petition Date:

- (1) Cintas Corporation v. Haas Environmental, Inc., Docket No. GD-13-5133, Court of Common Pleas of Allegheny County, Pennsylvania.
- (2) Cummings Land and Development Company v. Haas Environmental, Inc., Docket No. 13cv000070, Court of Common Pleas of Bradford County, Pennsylvania.

(16) Steven R. Steele v. K. Investments WV, LLC, Haas Environmental, Inc. and John Doe 1-3, Docket No. 13-C-79, Circuit Court of Wetzel County, West Virginia

2. Actual and Projected Recovery of Preferential or Fraudulent Transfers

The Debtor is aware of approximately \$800,000 of transfers that may be considered to be Avoidance Actions. A list of those transfers and the specific transferee is attached to the Debtor's schedules, which are on file with the Clerk of the Court. This is a gross amount which the Debtor believes would be substantially, if not totally, reduced by affirmative defenses. Because of the significant defenses available, and the negative impact that pursuing Avoidance Actions against current suppliers would likely have on the Debtor's operations after the Effective Date, the Debtor has determined to waive the pursuit of Avoidance Actions on its behalf and on behalf of its estate if a Confirmation Order is entered.

3. Procedures Implemented to Resolve Financial Problems

The Debtor has taken several steps in an effort to remedy the problems that led to the bankruptcy filing. The Debtor with the consent of Peoples, CCG, and Wells Fargo, retained Hunyady to conduct an auction sale of certain of its assets. The Auction was held on December 18, 2013, and resulted in gross sales of approximately \$1.9 million. After accounting for Hunyady's commissions and costs, Peoples received \$618,360.07 in partial settlement of its Secured Claim; CCG received \$1,037,304.69 in partial settlement of its Secured Claim; Wells

Fargo received \$84,469.72 in partial settlement of its Secured Claim; and the Debtor received \$9,868.72, which Sherman Silverstein is holding in its trust account, pending further Court order.

After the Auction, the Debtor on one hand, and Peoples and CCG on the other, entered into the Plan Settlement, pursuant to which the Debtor, Peoples, and CCG agreed to the treatment of Peoples and CCG under the Plan, and agreed to the timing and amounts of payments to be made to Peoples and CCG prior to confirmation of the Plan, which terms were included in the February 26, 2014 Cash Collateral Order. The Committee consented to the terms of the February 26, 2014 Cash Collateral Order, but reserved all of its rights related to the Plan Settlement and the proposed Plan treatment of Peoples and CCG that is set forth in the Plan Settlement.

The Debtor has negotiated new contracts with certain of its customers, expanding services or increasing the Debtor's rates.

The Debtor has continued efforts it began prior to the Petition Date to increase its efficiency in billing and collecting its accounts receivable. The Debtor has made significant strides in this area and is presently collecting at a rate more efficient than prior to the Petition Date.

4. Current and Historical Financial Conditions

As of the Petition Date, the Debtor scheduled the value of its assets at approximately \$10.1 million, consisting primarily of cash, accounts receivable, vehicles, and equipment. The Debtor notes that the value of its assets were their book values, and did not represent their liquidation value, which because of the Debtor's business, may be substantially less. Based upon its schedules and the claims register maintained by the Bankruptcy Clerk's office, the Debtor estimates total liabilities as of the Petition Date of approximately \$11.1 million (after completing

objections to Claims) consisting primarily of debt to the Secured Lenders, and Unsecured Claims of trade accounts payable.

III. SUMMARY OF THE PLAN OF REORGANIZATION

A. What Creditors and Equity Interest Holders Will Receive Under the Proposed Plan

The Plan classifies Claims and Equity Interests in various classes, states whether each class is Impaired or unimpaired, and provides the treatment of each class.

B. Unclassified Claims

Certain types of Claims are not placed into voting classes. They are not considered Impaired and are not entitled to vote on the Plan because they are entitled under the Bankruptcy Code to specific treatment. As such, the Debtor has not placed the following Claims in a class:

1. Administrative Expenses and Fees

Under section 503(b) of the Bankruptcy Code, Administrative Expenses are Claims for fees, costs or expenses of administering the Chapter 11 Case, including all Professional Claims pursuant to sections 327, 330, 328, 331, 503(b) or 1103 of the Bankruptcy Code. The Bankruptcy Code requires that all Administrative Expenses including fees payable to the Court and the Office of the United States Trustee that are incurred during the pendency of the Chapter 11 Case be paid on the Effective Date of the Plan, unless a particular Claimant agrees to a different treatment.

a. 503(b)(9) Claims

A 503(b)(9) Claim is a Claim for goods provided to the Debtor within twenty days before the Petition Date. The Debtor is not aware of any 503(b)(9) claims, however, to the extent a Creditor believes it holds a 503(b)(9) Claim, it must file a request for payment with the Court, and serve such request upon the Debtor's counsel and the Committee's counsel, not later than thirty days after the Effective Date. Not later than 60 days after the Effective Date the Debtor or the Reorganized Debtor shall either: (a) file an objection to any 503(b)(9) Claim for any reason;

or (b) pay the 503(b)(9) Claim. Contested 503(b)(9) Claims will be paid (in the amount allowed by the Court) within ten Business Days of a Final Order allowing such 503(b)(9) Claim.

b. Professional Persons

The following chart lists all of the Debtor's anticipated Professional Claims through the Effective Date. All Allowed Professional Claims will be paid in full on the later of: (i) Effective Date or (ii) within ten days upon Court approval of said fees and expenses, or (iii) to the extent not paid in accordance with (i) or (ii) above, in equal payments to be made in June, September, and December, 2014. The U.S. Trustee's fees, by statute, must be paid on the Effective Date.

NAME	AMOUNT ESTIMATED THROUGH THE EFFECTIVE DATE	PREVIOUSLY APPROVED PROFESSIONAL CLAIMS	ESTIMATED PROFESSIONAL CLAIM TO BE PAID
CO	\$184,164.07	\$184,164.07	\$119,605.69
Sherman Silverstein	\$150,000.00	\$0.00	\$150,000.00
W & S	10,000.00	0.00	10,000.00
Guida Realty	\$16,200.00	\$0.00	\$0.00
Lowenstein Sandler	\$125,000.00	\$0.00	\$125,000.00
Amper	25,000.00	0.00	25,000.00
Hunyady	\$197,696.80	\$197,696.80	\$0.00
Office of U.S. Trustee Fees	\$30,000.00	\$0.00	\$30,000.00
TOTAL:	\$738,060.87	\$381,860.87	\$459,605.69

CO received a pre-petition retainer of \$67,909.00. CO applied this retainer to the amount of its Allowed Professional Claim. The Debtor estimates it will be responsible for payment of \$459,606.00 of Allowed Professional Claims after confirmation. Payment of Allowed Professional Claims will be made from the Plan Payment Fund.

On the Effective Date, any funds that the Debtor had previously escrowed on account of Professional Fees or otherwise which had not previously been distributed will be placed into the Plan Payment Fund. To the extent that the Plan Payment Fund is insufficient to pay all Allowed Professional Claims, such Allowed Professional Claims will be paid pro rata from the Plan

Payment Fund. If the Plan Payment Fund does not contain sufficient funds to make Distributions to satisfy Allowed Professional Claims, the Debtor shall provide an amount equal to the lesser of up to \$60,000 or the remaining balance owed on account of Allowed Professional Claims on each of August 15, 2014, October 15, 2014, and December 15, 2014, which funds shall be used solely for the payment of Allowed Professional Claims. The Debtor shall be reimbursed any amount that it contributes to the Plan Payment Fund upon availability of funds in the Plan Payment Fund.

Court Approval of Professional Claims Required:

Pursuant to the Bankruptcy Code, the Court must rule on and allow all Professional Claims whether listed in the above chart or otherwise before the fees and expenses will be owed by the Debtor. Professional Persons must file and serve a properly noticed fee applications for compensation and reimbursement of expenses and the Court must rule on those applications. Only the amount of compensation and reimbursement of expenses allowed by the Court will be owed and required to be paid under the Plan as an Administrative Expense.

Each Professional Person who asserts a Professional Claim that accrues before the Effective Date shall file with the Bankruptcy Court, and serve on all parties required to receive notice, an application for compensation and reimbursement of expenses no later than thirty days after the Effective Date. No motion or application is required to fix the fees payable to the Clerk's Office or Office of the United States Trustee. Such fees are determined by statute.

c. Other Administrative Expenses

Other Administrative Expenses may include certain amounts owed to the Debtor's employees for time worked after the Petition Date or claims of Persons that provided goods or services to the Debtor after the Petition Date. Because substantially all Administrative Expenses

have been and will continue to be satisfied on a current basis, the Debtor does not believe that there will be other significant Administrative Expenses.

The Debtor's ordinary course Administrative Expenses will be paid in the ordinary course of its business after the Effective Date. If there is a dispute as to the amount owed to a particular holder of an alleged Administrative Expense, the party claiming an entitlement to an Administrative Expense must file a motion within thirty days of the Effective Date requesting a determination of the amount of the Administrative Expense which motion will be determined by the Court.

The Administrative Expense portion (\$394) of the NLRB Settlement will be due and payable to the NLRB within ten Business Days of the Effective Date.

2. Priority Tax Claims

Priority Tax Claims are certain unsecured income, employment and other taxes described by Bankruptcy Code Section 507(a)(8). 2. **Priority Non-Tax Claims**

Class 7 consists of Priority Non-Tax Claims against the Debtor.

CLASS	DESCRIPTION	IMPAIRED	TREATMENT

Unsecured Claims are Claims that are not secured and are not entitled to priority under 11 U.S.C. § 507(a). These Claims are to be treated as follows:

CLASS	DESCRIPTION	IMPAIRED	TREATMENT
8	Unsecured Claims include trade debt and other general Unsecured Claims, excluding Unsecured Claims held by Haas. Estimated Class 8 Claims = \$3.8 million after objections to Claims. The amount of the Distribution to be made on account of Allowed

CLASS	DESCRIPTION	IMPAIRED	TREATMENT
			Class 8 Claims is dependent on several factors including: (a) the amount remaining in the Plan Payment Fund after payment of Allowed Professional Claims, Allowed Priority Tax Claims, Allowed Class 7 Claims, and the costs of the Plan Administrator; (b) the net proceeds from the sale of the Inventory; (c) the net proceeds from the sale of the Steubenville Property; and (d) net proceeds of any Causes of Action. The Debtor estimates that holders of Allowed Class 8 Claims will receive 9-11% of their Allowed Claims.

4. Equity Interest Holders

Equity Interest Holders are the parties who hold ownership interest (i.e., Equity Interest) in the Debtor. The following chart identifies the Plan's treatment of the class of Equity Interest Holders:

CLASS	DESCRIPTION	IMPAIRED	TREATMENT
9	Equity Interest Holders	Yes	In exchange for the New Value Contribution, Class 9 Equity Interests Holders will retain such Class 9 Equity Interests.

D. Acceptance or Rejection of Plan

Each impaired class of Creditors with Claims against the Debtor's estate shall be entitled to vote separately to accept or reject the Plan. A class of Creditors shall have accepted the Plan if at least two-thirds in the aggregate dollar amount and more than one-half in number of holders of the allowed Claims of such class that actually voted on the Plan cast their vote in favor of confirmation. In the event that any impaired class of Creditors or Equity Interest Holders shall

fail to accept the Plan in accordance with 11 U.S.C. § 1129(a), the Debtor reserves the right to request that the Bankruptcy Court confirm the Plan in accordance with 11 U.S.C. § 1129(b).

E. Means of Effectuating the Plan

1. Funding for the Plan

Payments required under the Plan will be made from the following sources: (a) cash on hand on the Effective Date; (b) funds held in escrow by Sherman Silverstein prior to the Effective Date; (c) the New Value Contribution; (d) net proceeds of the sale of the Inventory (if not sold prior to the Effective Date); (e) net proceeds of the sale of the Steubenville Property (if not sold prior to the Effective Date); and (f) proceeds from Causes of Action. With respect to (b), (c), (d), (e) and (f), above, such funds shall comprise the Plan Payment Fund as further set forth below.

2. Post Effective Date Sources and Uses of Cash

Payments Under the Plan

The Debtor will fund its ongoing operations and all payments to holders of Class 1-5 claims from funds in its possession on the Effective Date and after the Effective Date.

Payments to Class 6 will be made by Haas from his personal funds.

Payments on account of Allowed Professional Claims, Allowed Priority Tax Claims, Allowed Class 7 Claims, and Allowed Class 8 Claims will be made from the Plan Payment Fund. The Plan Payment Fund will be initially funded by funds held in escrow by Sherman Silverstein on the Effective Date, which includes: the Debtor's share of the net proceeds from the Auction, the net proceeds of the sale of the Inventory (if such sale occurs prior to the Effective Date), the net proceeds of the sale of the Steubenville Property (if such sale occurs prior to the Effective Date), New Value Contribution, and proceeds from any Causes of Action. If the sale of the

Inventory or the sale of the Steubenville Property occurs after the Effective Date, the net proceeds of such sale shall be deposited into the Plan Payment Fund upon closing of such sale.

Distributions to Allowed Professional Claims, Allowed Priority Tax Claims, Allowed Class 7 Claims, and Allowed Class 8 Claims shall be made in the following order:

- a. Payment, in full, of all Allowed Professional Claims;
- b. Payment, in full, of all Allowed Priority Tax Claims;
- c. Payment, in full, of all Allowed Class 7 Claims; and
- d. Distributions on account of Allowed Class 8 Claims.

The Plan Administrator may initiate payments to lower levels of priority so long as the Plan Administrator reserves sufficient funds in the Plan Payment Fund to pay all alleged, but not yet Allowed Claims in all senior levels of priority. By way of example, if there are alleged Professional Claims of \$300,000, the Plan Administrator may initiate payments on account of Allowed Priority Tax Claims so long as the balance in the Plan Payment Fund equals at least \$300,000 after such Distributions to holders of Allowed Priority Tax Claims.

If the Plan Payment Fund does not contain sufficient funds to make Distributions to satisfy Allowed Professional Claims, the Debtor or Reorganized Debtor shall provide an amount equal to the lesser of \$60,000 or the remaining balance owed on account of Allowed Professional Claims on each of August 15, 2014, October 15, 2014, and December 15, 2014, which funds shall be used solely for the payment of Allowed Professional Claims. The Debtor or Reorganized Debtor shall be reimbursed any amount that it contributes to the Plan Payment Fund upon availability of funds in the Plan Payment Fund.

3. Post-Confirmation Management

Upon the Effective Date, Haas will be deemed appointed as the Plan Administrator and will be responsible for making Distributions from the Plan Payment Fund under the Plan

pursuant to 11 U.S.C. § 1123. The Plan Administrator will also have the responsibility to initiate and/or conclude any objections to Claims and pursue any Causes of Action whether or not discussed in the Disclosure Statement or listed in the Debtor's schedules or statements of financial affairs. The Plan Administrator will not be required to obtain a bond. Payment of the Plan Administrator's expenses, including expenses of his retained professionals who shall be paid reasonable hourly fees for services rendered and reasonable expenses incurred pursuant to the Plan shall be paid from the Plan Payment Fund or proceeds of any litigation pursued by the Plan Administrator. The Plan Administrator and his professionals will not be required to obtain Court authority for such retention nor have to obtain Court approval for their fees and expenses.

Management of the Debtor's operations after the Effective Date will continue to be run by Haas as its President.

4. Disbursing Agent

The Plan Administrator shall act as the Disbursing Agent for the purpose of making all Distributions required to be made from the Plan Payment Fund. Any administrative costs or fees of the Disbursing Agent shall be paid from the Plan Payment Fund.

F. Other Provisions of the Plan

1. Executory Contracts and Unexpired Leases

a. Assumptions

The Debtor will assume the Executory Contracts listed on Exhibit "A" of the Plan as of the Effective Date and Reorganized Debtor will pay the Cure Claim listed in that exhibit.

The Cure Claim amounts listed in Exhibit "A" of the Plan are the amounts that the Debtor believes will be payable as of the Effective Date for each Executory Contract thereon. Unless otherwise ordered by the Court, if a non-Debtor party to an Executory Contract listed in Exhibit "A" of the Plan objects to the assumption of such Executory Contract or disagrees with the Cure

Claim listed in Exhibit "A" of the Plan for its Executory Contract, such non-Debtor party must file an objection to the assumption of such Executory Contract or to the Cure Claim with the Court and serve the objection on the respective counsel of the Debtor, and the Committee so as to be received by the deadline for objecting to the Plan. Any non-Debtor party to an Executory Contract that fails to timely file and serve an objection with the Court to the assumption of such party's Executory Contract, shall be deemed to consent to the assumption of such Executory Contract. Any non-Debtor party to an Executory Contract listed in Exhibit "A" of the Plan that fails to timely file and serve a Cure Claim objection shall be bound by the amount listed in Exhibit "A" of the Plan and shall be forever barred, estopped and enjoined from asserting any other or additional Cure Claim and no objection to a late Claim shall be necessary. Within thirty (30) days after the Effective Date, all undisputed Cure Claims due and owing under any assumed Executory Contracts shall be paid, and all Cure Claims that are the subject of dispute shall be paid upon further agreement of the parties or upon entry of an order of the Court allowing such Cure Claims. No portion of any disputed Cure Claim will be paid unless and until the amount of such Cure Claim is fixed by agreement of the parties or Final Order of the Court. The Debtor estimates that Cure Claims will total \$0.00.

The Debtor shall have the right to modify the list of assumed Executory Contracts up to three (3) Business Days prior to the Confirmation Hearing, by filing a modified schedule with the Court and serving the modified schedule upon the Committee, and any counter-party that is added to, or deleted from, the schedule.

b. Rejections

Except for those Executory Contracts listed on Exhibit “A” of the Plan, the Debtor will not assume any Executory Contracts. On the Effective Date, all Executory Contracts not listed on Exhibit “A” of the Plan shall be deemed to be rejected.

The Confirmation Order shall constitute an order approving the assumption or rejection of all Executory Contracts as set forth herein. A party objecting to the assumption or rejection of its Executory Contract or to the proposed Cure Claim set forth above must file and serve an objection to the Plan within the deadline established for objecting to the confirmation of the Plan.

THE BAR DATE FOR FILING A PROOF OF CLAIM BASED ON A CLAIM ARISING FROM THE REJECTION OF AN EXECUTORY CONTRACT IS THE LATER OF THE BAR DATE OR THIRTY DAYS AFTER THE EFFECTIVE DATE OF THE DEBTOR’S REJECTION OF THE EXECUTORY CONTRACT.

Any Claim based on the rejection of an Executory Contract will be barred if the proof of claim is not timely filed, unless the Court later orders otherwise.

2. Waiver of Avoidance Actions

Upon the Effective Date, the Debtor and the Reorganized Debtor on their own behalf and on behalf of the estate to commence and/or prosecute Avoidance Actions are irrevocably released, waived and discharged. The Debtor has reviewed the payments made to Creditors during the 90 days prior to the Petition Date and to Insiders during the one year prior to the Petition Date and believes that the potential defendants would have substantial affirmative defenses.

3. Changes in Rates Subject to Regulatory Commission Approval

The Debtor is not subject to government approval of its rates.

4. Retention of Jurisdiction

The Court shall retain jurisdiction over the Chapter 11 Case pursuant to Sections 105(a) and 1127 of the Bankruptcy Code for the following purposes:

- a. To determine the extent, validity and amount of any and all objections to Claims.
- b. To determine any and all applications for allowance of Professional Claims.
- c. To determine any and all pending or subsequently filed adversary proceedings, Causes of Action of the Debtor against third persons, and/or contested and litigated matters.
- d. To determine any pending applications for assumption or assignment of Executory Contracts and the allowance of any Claims resulting from the rejection of any Executory Contracts.
- e. To enforce and interpret the provisions of this Plan, to resolve any disputes arising under or in connection with the Plan, to effectuate payments under the Plan, and/or to compel performance of any Person in accordance with the provisions of the Plan.
- f. To resolve any cases, controversies, suits, or disputes with respect to the provisions contained in Articles IV. G and H of the Plan and to enter orders that may be necessary or appropriate to implement such releases and other provisions.
- g. To correct any defect, cure any omission, and reconcile any inconsistency in the Plan or in the Confirmation Order as may be necessary to carry out the purposes and intent of the Plan.

h. To determine such other matters and for such other purposes as may be provided in the Confirmation Order or as may be authorized under the provisions of the Bankruptcy Code.

i. To enter a final decree closing the Chapter 11 Case.

5. Procedures for Resolving Contested Claims

Any objections to the validity and/or amount of Claims shall be filed by the Debtor and/or the Plan Administrator and served upon each holder of a Claim to which objection is made (a "Disputed Claim") no later than 120 days after the Effective Date. The Debtor on its behalf and on behalf of the Plan Administrator reserves the right to seek extensions of the deadline from the Court. The failure to object to any Claim prior to the start of the Confirmation Hearing for the purpose of voting shall not be deemed to be a waiver of the right to object thereafter to such Claim in whole or in part for the purpose of Distribution. Creditors whose Claims are objected to by either the Debtor or the Plan Administrator will not receive a Distribution under the Plan until the objection has been resolved, although the Plan Administrator will reserve necessary funds pending a determination of the amount of the Claim as if the Claim, as filed, is Allowed.

The Bar Date was December 18, 2013. Pursuant to Local Bankruptcy Rules 3016-2(a) and (b), the Debtor has reviewed the scheduled Claims and the proofs of claim filed against it up to the date of this Disclosure Statement. The Debtor or the Plan Administrator may object to certain of the Claims in the Chapter 11 Case. A list of Disputed Claims to which the Debtor and/or the Plan Administrator may object is attached as Exhibit "D". The Debtor, in cooperation with the Committee, will attempt to resolve the Disputed Claims prior to the Effective Date.

The Debtor and/or the Plan Administrator may object to any Claim listed on Exhibit "D" for any reason whether such reason is listed on Exhibit "D". Moreover, the Debtor, on its own

behalf and on behalf of the Plan Administrator, reserves the right to dispute and object to any Claim scheduled or filed against the estate whether listed on Exhibit "D".

6. Effective Date

The Plan will become effective on the Effective Date which is the later of: (a) fourteen days after entry of the Confirmation Order; (b) the date of execution of the Plan Administration Agreement; and (c) the date the New Value Contribution is deposited into escrow with Sherman Silverstein.

7. Modification

The Debtor may alter, amend or modify the Plan at any time prior to the Confirmation Hearing and thereafter as provided in section 1127(b) of the Bankruptcy Code.

G. Tax Consequences of Plan

CREDITORS AND EQUITY INTEREST HOLDERS CONCERNED WITH HOW THE PLAN MAY AFFECT THEIR TAX LIABILITY SHOULD CONSULT WITH THEIR OWN ACCOUNTANTS, ATTORNEYS, AND/OR ADVISORS. THE DEBTOR IS UNAWARE OF ANY TAX ISSUES THAT THE PLAN PRESENTS TO THE DEBTOR. The Debtor CANNOT and DOES NOT represent that the tax consequences contained herein are the only tax consequences of the Plan because the Tax Code embodies many complicated rules which make it difficult to state completely and accurately all the tax implications of any action.

In accordance with the Plan, holders of Allowed Unsecured Claims in Class 7 shall be entitled to receive their pro rata share of Distributions from the New Value Contribution in full and final satisfaction of such Allowed Class 7 Claims. Each holder of an Allowed Unsecured Claim will recognize gain or loss upon receipt of such pro rata share equal to the difference between the "amount realized" by such Creditor and such Creditor's adjusted tax basis in its Claim. The amount realized is equal to the value of such Creditor's pro rata share of the

respective contribution. Any gain or loss realized by a Creditor should constitute ordinary income or loss to such Creditor unless such Claim is a capital asset. If a Claim is a capital asset, and it has been held for more than one year, such Creditor will realize long term capital gain or loss.

The tax consequences to Creditors will differ and will depend on factors specific to each such Creditor, including but not limited to: (i) whether the Claim (or a portion thereof) constitutes a Claim for principal or interest, (ii) the origin of the Claim, (iii) the type of consideration received by the Creditor in exchange for the Claim, (iv) whether the Creditor is a United States person or a foreign person for tax purposes, (v) whether the Creditor reports income on the accrual or cash basis method, and (vi) whether the Creditor has taken a bad debt deduction or otherwise recognized a loss with respect to the Claim.

THERE ARE MANY FACTORS THAT WILL DETERMINE THE TAX CONSEQUENCE TO EACH CREDITOR. FURTHERMORE, THE TAX CONSEQUENCES OF THE PLAN ARE COMPLEX AND, IN SOME CASES, UNCERTAIN. THEREFORE IT IS IMPORTANT THAT EACH CREDITOR OBTAIN ITS OWN PROFESSIONAL TAX ADVICE REGARDING THE TAX CONSEQUENCES TO SUCH CREDITOR AS A RESULT OF THE PLAN.

H. Exculpation

The Debtor, the Committee, the Plan Administrator, and their respective members, officers, directors, employees, attorneys, accountants, financial advisors, and agents (but only in their capacity as such) shall not have, or incur, any liability to any holder of a Claim or Equity Interest Holder for any act or omission in connection with, related to, or arising out of, the Chapter 11 Case, the pursuit of confirmation of the Plan, the consummation of the Plan or the administration of the Plan or the Property of the Estate, except for willful misconduct or gross

negligence, and, in all respects, the Debtor, the Committee, the Plan Administrator, and their respective members, officers, directors, employees, attorneys, accountants, financial advisors, and agents shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.

I. Releases

WHETHER LIQUIDATED OR UNLIQUIDATED, FIXED OR CONTINGENT, MATURED OR UNMATURED, KNOWN OR UNKNOWN, FORESEEN OR UNFORESEEN, THEN EXISTING OR THEREAFTER ARISING, IN LAW, EQUITY OR OTHERWISE THAT ARE BASED IN WHOLE OR PART ON ANY ACT, OMISSION, TRANSACTION, EVENT OR OTHER OCCURRENCE TAKING PLACE ON OR PRIOR TO THE EFFECTIVE DATE THAT REFER, RELATE OR PERTAIN TO (A) THE DEBTOR; (B) THE CHAPTER 11 CASE; (C) ANY OBLIGATION OR LIABILITY OF THE DEBTOR TO ANY RELEASEE; (D) THE NEGOTIATION, FORMULATION AND PREPARATION OF THE PLAN, OR ANY AGREEMENTS, INSTRUMENTS OR OTHER DOCUMENT RELATED TO THE PLAN; OR (E) THE PLAN OR ANY AGREEMENTS, INSTRUMENTS OR OTHER DOCUMENT RELATED TO THE PLAN; PROVIDED, HOWEVER, THAT THESE RELEASES WILL HAVE NO EFFECT ON THE LIABILITY OF ANY RELEASEE ARISING FROM ANY ACT, OMISSION, TRANSACTION, AGREEMENT, EVENT OR OTHER OCCURRENCE CONSTITUTING WILLFUL MISCONDUCT, GROSS NEGLIGENCE, FRAUD OR CRIMINAL CONDUCT; PROVIDED FURTHER, HOWEVER, THAT THE FOREGOING SHALL NOT CONSTITUTE A WAIVER OR RELEASE OF ANY RIGHT OF THE HOLDER OF AN ALLOWED CLAIM TO PAYMENT UNDER THIS PLAN ON ACCOUNT OF SUCH ALLOWED CLAIM.

Pursuant to Bankruptcy Code section 1146(a): (a) the issuance, transfer, or exchange of notes or equity securities under the Plan; (b) the creation of any mortgage, deed of trust, lien, pledge, or other security interest; (c) the making or assignment of any contract, lease or sublease; or (d) the making or delivery of any deed or other instrument of transfer under, in the furtherance

of, or in connection with, the Plan, including, without limitation, the transfers to be made under Article III of the Plan, any merger agreements, agreements of consolidation, restructuring, disposition, liquidation, or dissolution, stock purchase agreements, stockholders agreements or stockholders rights agreements; deeds, bills of sale, or transfers of tangible property will not be subject to any stamp tax, or other similar tax or any tax held, to be a stamp tax or other similar tax by applicable law. For avoidance of doubt, this exemption shall apply to the sale of the Inventory, the sale of the Steubenville Property, and any other sales, of real or personal property, by the Debtor or the Plan Administrator in furtherance of the Plan.

K. Retention, Enforcement and Waiver of Claims

Except as provided otherwise in the Plan, the Debtor and its estate shall retain, and the Plan Administrator pursuant to 11 U.S.C. § 1123 on behalf of the Debtor and its estate shall enforce, any and all claims of the Debtor and/or the debtor-in-possession. Upon notice and consent or entry of a Final Order, the Plan Administrator shall direct the prosecution, settlement or other compromise of any proceeding commenced in the exercise of his authority under the Plan. Upon Notice and Consent or Entry of a Final Order, the proceeds of any recovery shall be deposited into the Plan Payment Fund and distributed according to the terms of the Plan.

L. Risk Factors

The following discussion is intended to be a non-exclusive summary of certain risks attendant upon the consummation of the Plan. You are encouraged to supplement this summary with your own analysis and evaluation of the Plan and Disclosure Statement, in their entirety, and in consultation with your own advisors. Based on the analysis of the risks summarized below, the Debtor believes that the Plan is viable and will meet all requirements of confirmation. Because of the funds available at the time of confirmation or the Effective Date and the minimal

amount of anticipated Administrative Expenses and Priority Claims, the Debtor does not foresee any risk in insufficient funds being available on the Effective Date.

There are several other risks the parties in interest should consider, including that: (a) the Debtor is not able to pay the Allowed Secured Claims of the Secured Creditors; (b) the Debtor's revenues are not as high as anticipated; and (c) the New Value Contribution is not provided.

The Debtor submits that each of these risks is minimal. First, the Debtor has reached an agreement with the Peoples and CCG to provide for payment of their Secured Claims over time. In addition, the Debtor believes that the amounts, timing, and terms of payments to be made to Wells Fargo, Santander, and Ford are reasonable and within the Debtor's ability to pay.

As discussed above, the Debtor made internal changes, to its operations to reduce costs and increase profit margins. The Debtor has also reached new agreements with its customers to increase the rates that the Debtor is paid. Therefore, the Debtor is confident that it will be able to continue operations going forward.

The Debtor does not believe that there will be an issue related to receiving the New Value Contribution because of Haas's historic involvement with the Debtor and his commitment to the Debtor's continued operations. The New Value Contribution will be funded by Haas leasing oil and gas rights associated with his real property located in Bradford, Pennsylvania, to a third party. Haas has investigated the value of rights to be leased and believes that obtaining an amount at least equal to the New Value Contribution is likely.

Finally, the Debtor believes that its projections, attached as Exhibit "E", although conservative, show that the Debtor will have sufficient funds on and after the Effective Date to fund operations after the Effective Date and to fund amounts necessary under the Plan. These projections include: (a) payment of Allowed Professional Claims; and (b) availability of funds to maintain ongoing operations.

IV. CONFIRMATION REQUIREMENTS AND PROCEDURES

PERSONS OR ENTITIES CONCERNED WITH CONFIRMATION OF THIS PLAN SHOULD CONSULT WITH THEIR OWN ATTORNEYS BECAUSE THE LAW ON CONFIRMING A PLAN OF REORGANIZATION IS VERY COMPLEX. The following discussion is intended solely for the purpose of alerting readers about basic confirmation issues, which they may wish to consider, as well as certain deadlines for filing Claims. The Debtor CANNOT and DOES NOT represent that the discussion contained below is a complete summary of the law on this topic.

Many requirements must be met before the Court can confirm a Plan. Some of the requirements include that the Plan must be proposed in good faith, that Creditors or Equity Interest Holders have accepted the Plan, that the Plan pays Creditors at least as much as they would receive in a Chapter 7 liquidation, and that the Plan is feasible. These requirements are not the only requirements for confirmation.

A. Who May Vote or Object

1. Who May Object to Confirmation of the Plan

Any party in interest may object to the confirmation of the Plan, but as explained below not everyone is entitled to vote to accept or reject the Plan.

2. Who May Vote to Accept/Reject the Plan

A Creditor or Equity Interest Holder has a right to vote for or against the Plan if that Creditor or Equity Interest Holder has a Claim that is both (a) allowed or allowed for voting purposes and (b) classified in an Impaired class.

a. What Is an Allowed Claim/Interest

As noted above, a Creditor or Equity Interest Holder must first have an Allowed Claim or Allowed Equity Interest to have the right to vote. Generally, any proof of claim or Equity Interest will be Allowed, unless a party in interest brings a motion objecting to the Claim or

Equity Interest. When an objection to a Claim or Equity Interest is filed, the Creditor or Equity Interest Holder cannot vote unless the Court, after notice and hearing, either overrules the objection or allows the Claim or Equity Interest for voting purposes.

b. What Is an Impaired Claim/Interest

An Allowed Claim or Allowed Equity Interest only has the right to vote if it is in a class that is Impaired under the Plan. A class is Impaired if the Plan alters the legal, equitable, or contractual rights of the members of that class. For example, a class comprised of general Unsecured Claims is Impaired if the Plan fails to pay the members of that class 100% of their Claim, plus interest.

The Debtor believes that Classes 1-5, 7 and 8 are Impaired and that holders of Claims or Equity Interests in these classes are therefore entitled to vote to accept or reject the Plan. The Debtor believes that Class 6 is unimpaired and that holders of Claims in that class, therefore, do not have the right to vote to accept or reject the Plan. Parties who dispute the Debtor's characterization of their Claim or Equity Interest as being Impaired or unimpaired may file an objection to the Plan contending that the Debtor has incorrectly characterized that class.

3. Who Is Entitled to Vote

The following four types of Claims are not entitled to vote under the Plan: (a) Claims in unimpaired classes; (b) Claims entitled to priority pursuant to the Bankruptcy Code, and (c) Claims in classes that do not receive or retain any value under the Plan. Claims in unimpaired classes are not entitled to vote because such classes are deemed to have accepted the Plan. Claims entitled to priority pursuant to Bankruptcy Code Section 507(a)(1), (2), and (7) are not entitled to vote because such Claims are not placed in classes and they are required to receive certain treatment specified by the Bankruptcy Code. EVEN IF YOUR CLAIM IS OF THE

TYPE DESCRIBED ABOVE, YOU MAY STILL HAVE A RIGHT TO OBJECT TO THE CONFIRMATION OF THE PLAN.

4. Completing and Returning Ballots

Holders of Claims or Equity Interests entitled to vote on the Plan received a ballot with the Disclosure Statement. All votes to accept or reject the Plan must be cast by using the ballot enclosed with the Disclosure Statement (or manually executed copies thereof). No other votes will be counted.

Please fill out the ballot and return it to:

Sherman, Silverstein, Kohl Rose & Podolsky, P.A.
308 Harper Drive
Suite 200
Moorestown, NJ 08057
Attn: Debbie Reyes

DO NOT RETURN ANY OTHER DOCUMENTS WITH YOUR BALLOT.

TO BE COUNTED, BALLOTS MUST BE COMPLETED, SIGNED AND ACTUALLY RECEIVED BY THE DEBTOR AT THE ABOVE ADDRESS on or before the Voting Deadline, which is 4:00 p.m. (Eastern Time) on _____, 2014 which deadline may be extended only by the Debtor or the Court. If delivery is by mail, enough time should be allowed to ensure timely delivery. Ballots received after the Voting Deadline will not be counted in the voting unless the Debtor extends the Voting Deadline, or the Court so orders. If you have any questions about procedures for voting, or if you did not receive a ballot, received a damaged ballot or have lost your ballot, or have any questions about the Plan or Disclosure Statement please call Ms. Reyes at (856) 662-0700.

Unless the ballot being furnished with this Disclosure Statement is timely submitted on or prior to the Voting Deadline, the Debtor may reject such ballot as invalid and, therefore, decline to utilize it in connection with seeking confirmation of the Plan by the Court.

5. Revocation of Ballots

Notwithstanding Bankruptcy Rule 3018(a), a Claimant that has previously cast a ballot may change or re-cast its ballot prior to the above deadline. However, only the last timely filed ballot received from a Claimant will be considered. Thereafter, ballots may only be changed or revoked by order of the Court.

6. Who Can Vote in More Than One Class

A Creditor whose Claim is allowed partially in one class and partially in another class is entitled to accept or reject a Plan in both capacities by casting one ballot for each class it holds a Claim.

7. Incomplete Ballots

Any ballot received that does not indicate either an acceptance or rejection of the Plan will be deemed as an acceptance of the Plan.

8. Waivers of Defects, Irregularities, Etc.

Unless otherwise ordered by the Court, all questions as to the validity, form, eligibility (including time of receipt), acceptance, and revocation or withdrawal of ballots will be determined by the Debtor in its sole discretion. The Debtor reserves the right to contest the validity of any revocation or withdrawal. The Debtor also reserves the right to reject any and all ballots not in proper form, the acceptance of which would, in the Debtor's opinion, be unlawful or prejudicial. The Debtor further reserves the right to waive any defects or irregularities or conditions of delivery as to any particular ballot. The Debtor's interpretation, unless otherwise ordered by the Court, will be final and binding on all parties. Unless waived, any defects or irregularities in connection with deliveries of ballots must be cured within such time as the Debtor (or the Court) determines. Neither the Debtor nor any other Person will be under any duty to provide notification of defects or irregularities with respect to deliveries of ballots nor will any of them incur any liabilities for failure to provide such notification. Unless otherwise

directed by the Court, delivery of such ballots will be deemed not to have been made until such irregularities have been cured or waived.

9. Votes Necessary to Confirm the Plan

The Court cannot confirm the Plan unless (a) all Impaired classes have voted to accept the Plan or (b) if at least one Impaired class has accepted the Plan without counting the votes of any insiders within that class, the Plan is eligible to be confirmed by “cramdown” on non-accepting classes, as discussed below.

10. Votes Necessary for a Class to Accept the Plan

A class is considered to have accepted the Plan when more than half in number and at least two-thirds in dollar amount of the Allowed Claims that actually voted, voted in favor of the Plan. A class of Equity Interests is considered to have accepted the Plan when at least two-thirds in amount of the allowed interest-holders of such class which actually voted, voted to accept the Plan.

11. Treatment of Nonaccepting Classes

As noted above, even if all Impaired classes do not accept the proposed Plan, the Court may nonetheless confirm the Plan if the nonaccepting classes are treated in the manner required by the Bankruptcy Code. The process by which nonaccepting classes are forced to be bound by the terms of the Plan is commonly referred to as “cramdown.” The Bankruptcy Code allows the Plan to be “crammed down” on nonaccepting classes if it meets all consensual requirements except the voting requirements of Section 1129(a)(8) if one non-insider Impaired class accepts the Plan, if the Plan does not “discriminate unfairly” and is “fair and equitable” toward each Impaired class that has not voted to accept the Plan as referred to in 11 U.S.C. § 1129(b) and applicable case law.

12. Request for Confirmation Despite Nonacceptance by Impaired Class(es)

The Debtor will request that the Court confirm this Plan by cramdown on Impaired classes if any Impaired class(es) do not vote to accept the Plan.

B. Liquidation Analysis

Another confirmation requirement is the “Best Interest Test”, which requires a liquidation analysis. Under the best interest test, a Claimant or Equity Interest Holder in an Impaired class that does not vote to accept the Plan, must receive or retain under the Plan property of a value not less than the amount that such holder would receive or retain if the debtor were liquidated under Chapter 7 of the Bankruptcy Code.

In a Chapter 7 case, the debtor's assets are usually sold by a Chapter 7 trustee. Secured Claims are paid first from the sales proceeds of properties on which the Secured Creditor has a lien. Administrative Expenses are paid next. Next, unsecured Creditors are paid from any remaining sales proceeds, according to their rights to priority. Unsecured Creditors with the same priority share in proportion to the amount of their allowed Claims. Finally, Equity Interest Holders receive the balance that remains after all Creditors are paid in full, plus interest.

In order for the Court to be able to confirm this Plan by cram-down, the Court must find that all Creditors and Equity Interest Holders in classes that do not accept the Plan will receive at least as much under the Plan as such they would receive under a Chapter 7 liquidation. The Debtor submits that this requirement is met because a conversion to Chapter 7 would also add a layer of Professional Claims to this case for the trustee's attorneys as well as the trustee's commission which would likely result in significantly less funds being available for distribution to Unsecured Creditors in Chapter 7. The Plan estimates for a distribution to Unsecured Creditors of 9-11% which amount is greater than the 1% that Unsecured Creditors would expect under a Chapter 7 liquidation. Attached as Exhibit “F” is a liquidation analysis that shows that in

a Chapter 7 liquidation, Creditors would receive less in a Chapter 7 case than they would under a Chapter 7 liquidation.

C. Feasibility

Another requirement for confirmation involves the feasibility of the Plan, which means that confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of the Debtor unless such liquidation or reorganization is proposed in the Plan. As discussed, the Debtor has taken steps to reduce costs and has implemented numerous procedures to improve revenue. These changes will enable the Debtor to operate profitably going forward.

There are at least two other important aspects of a feasibility analysis. The first considers whether the Debtor will have enough cash on hand on the Effective Date to pay all the Claims and Administrative Expenses that are entitled to payment at that time. The Debtor maintains that this aspect has been satisfied because the Debtor is substantially current with all operating expenses since the Petition Date. This coupled with funds that are or will be on hand on the Effective Date ensures sufficient funds to pay all Administrative Expenses and to make all Distributions required on the Effective Date.

The second aspect considers whether the Debtor will have enough cash over the life of the Plan to make the required Plan payments. Attached as Exhibit "E" is the Debtor's financial forecast showing operations for the 2nd - 4th quarters of 2014 and yearly for 2015 and 2016. The forecast shows that the Debtor's continued operations are likely and that it should have sufficient funds to make all payments required under the Plan.

The Debtor contends that the financial projections for continued operations are feasible because they are based on the Debtor's historical income which is adjusted to reflect cost saving measures and changes in the Debtor's business model.

V. EFFECT OF CONFIRMATION OF PLAN

A. Discharge

Except as otherwise provided for in this Plan, the Confirmation Order, or any other order of the Bankruptcy Court in accordance with section 1141(d) of the Bankruptcy Code, entry of the Confirmation Order acts as a discharge effective as of the Effective Date of all debts, Claims against, and liens on the Debtor, its assets and property, which debts, Claims, and liens arose at any time before the entry of the Confirmation Order. The discharge of the Debtor shall be effective as to each Claim, regardless of whether a proof of claim was filed or whether the Claim is Allowed or whether the holder of the Claim votes to accept the Plan. On the Effective Date, as to each and every discharged Claim, any holder of such Claim shall be precluded from asserting such Claim against the Debtor or the Reorganized Debtor or its assets or properties.

B. Confirmation Injunction

On and after the Effective Date, except to enforce the terms and conditions of the Plan before the Court, or as permitted under an order of the Court, all Persons or entities who have held, hold or may hold any Claim against the Debtor are, with respect to any such Claim, permanently enjoined from and after the Effective Date from: (a) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind (including, without limitation, any proceeding in a judicial, arbitral, administrative or other forum) against the Reorganized Debtor or any of its properties, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Persons or entities and all of their respective direct and indirect parents, subsidiaries and affiliates, together with each of their respective shareholders, members, managers, general partners, limited partners officers, directors, employees, agents, representatives, attorneys and advisors or consultants or any property of any of the foregoing (collectively, the "Protected Parties"); (b) enforcing, levying, attaching (including, without limitation, any pre-judgment

attachment), collecting or otherwise recovering by any manner or means whether directly or indirectly, against any of the Protected Parties of any judgment, award, decree or order; (c) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against any of the Protected Parties; (d) asserting any right of setoff, subrogation, or recoupment of any kind, directly or indirectly, against any obligation due to any of the Protected Parties; and (e) taking any actions in any place and in any manner whatsoever that do not conform to or comply with the provisions of the Plan.

C. Revesting of Property in the Debtor

Upon entry of the Confirmation Order, the property of the estate shall vest in the Reorganized Debtor pursuant to 11 U.S.C. § 1141(b). Except as otherwise provided in the Plan, the property dealt with by this Plan will be free and clear of all Claims and interests of Creditors of the Debtor, as set forth in 11 U.S.C. § 1141(c).

D. Modification of Plan

The Debtor may modify the Plan at any time before confirmation. However, the Court may require a new disclosure statement and/or revoting on the Plan if the Debtor modifies the Plan in a significant or material manner before confirmation.

The Debtor may also seek to modify the Plan at any time after confirmation so long as (1) the Plan has not been substantially consummated, and (2) the Court authorizes the proposed modification after notice and a hearing. The Debtor further reserves the right to modify the treatment of any Allowed Claims at any time after the Effective Date of the Plan upon the consent of the Creditor whose Allowed Claim treatment is being modified, so long as no other Creditors are materially adversely affected.

E. Post-Confirmation Quarterly Fees

Quarterly fees pursuant to 28 U.S.C. § 1930(a)(6) continue to be payable to the office of the United States Trustee post-confirmation until such time as the Chapter 11 Case is converted, dismissed, or closed pursuant to a final decree.

F. Dissolution of the Committee

As of the Effective Date, the Committee shall be dissolved except to the extent that the Debtor seeks to modify the Plan after the Effective Date, and shall have no further rights or obligations in the Chapter 11 Case, except that thereafter members of the Committee and the Committee's professionals may seek allowance of Professional Claims for compensation and reimbursement of expenses.
