**Schedule A/B: Assets - Real and Personal Property**

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER  
REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF  
FINANCIAL AFFAIRS<sup>2</sup>

**GENERAL**

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements," and together with the Schedules, the "Schedules and Statements") filed by Freedom Communications, Inc. ("FCI") and each of its affiliated Debtors and Debtors-in-Possession in these jointly administered chapter 11 cases (each a "Debtor" and collectively, the "Debtors") pending in the United States Bankruptcy Court for the Central District of California, Santa Ana Division (the "Bankruptcy Court"), including the above-captioned Debtor, were prepared pursuant to section 521 of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure, by management of the Debtors, with the assistance of the Debtors' advisors, and are unaudited.

While the Debtors' management has made every reasonable effort to ensure that the Schedules and Statements are accurate and complete as possible under the circumstances, based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may exist. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statements are complete, without inadvertent errors, omissions or inaccuracies.

The Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim that may or may not be reflected in the Schedules and Statements as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent,"

<sup>2</sup> These notes are in addition to the specific notes contained in the Debtors' Schedules and Statements. The fact that the Debtors have prepared a General Note with respect to a particular Schedule (or Statement) and not to others does not reflect and should not be interpreted as a decision by the Debtors to exclude the applicability of such General Note to any or all of the Debtors' remaining Schedules (or Statements), as appropriate.

or "unliquidated." Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the chapter 11 cases, including, but not limited to, issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers.

The Schedules and Statements have been signed by Richard E. Mirman, the Chief Executive Officer of 2100 Freedom, Inc., the ultimate parent company of the Debtors, who is either a director, officer, or authorized person acting on behalf of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Mirman necessarily relied upon the efforts, statements, and representations of the Debtors' other personnel and professionals. Mr. Mirman has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors, classification of such amounts, and their addresses.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Debtors' Schedules and Statements (the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of, the Schedules and Statements. These Global Notes should be referred to, and reviewed in connection with, any review of the Schedules and Statements.

#### **Description of the Cases**

On November 1, 2015, and November 2, 2015 (the "Petition Dates"), the Debtors filed voluntary petitions in this Bankruptcy Court under chapter 11 of the Bankruptcy Code. The cases are being jointly administered under Case No. 8:15-15311-MW. The Debtors currently are operating their businesses and managing their properties as debtors in possession pursuant to the Bankruptcy Code.

#### **Basis of Presentation**

For financial reporting purposes, prior to the Petition Dates, the Debtors generally prepared consolidated financial statements that were audited annually and including financial information for the parent and all subsidiaries. Unlike the consolidated financial information used for the Debtors' financial reporting purposes, the Schedules reflect the assets and liabilities of each Debtor on the basis of such Debtor's accounting records, except if otherwise stated. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP") nor are they intended to fully reconcile to the financial statements the Debtors may have prepared and issued to financial institutions or other parties-in-interest. Information contained in the Schedules and Statements have been derived from the Debtors' books and records and historical financial statements.

#### **Accuracy**

Although every effort has been made to file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement their Schedules and Statements as is necessary and appropriate. The financial information disclosed in the Schedules and Statements has not been required to be prepared in accordance with federal or state securities law or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons or entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations between any information and reports prepared for any other disclosure purpose or for any evaluations of the Debtors based on this financial information or any other information.

#### **Reporting Date**

Unless otherwise indicated, the Schedules have been prepared as of the close of business on October 31, 2015,

which represented the close of the Debtors' October accounting period, and is the day immediately prior to the Petition Dates.

**Undetermined Amounts**

The description of an amount as "unknown," "TBD" or "undetermined" is not intended to reflect upon the materiality of such amount.

**Disputed, Contingent and/or Unliquidated Claims**

Certain claims listed on the Schedules may be designated as contingent, unliquidated, and/or disputed. A failure to designate a claim on the Schedules as contingent, unliquidated, and/or disputed does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules as to nature, amount, liability, or status, either by amending the Schedules or, if permitted by the Bankruptcy Court, filing an objection to the claim.

**Recharacterization**

The Debtors reserve all rights to recharacterize, reclassify, recategorize or redesignate items reported in the Schedules and Statements at a later time as is necessary or appropriate.

**Causes of Action**

Certain of the Debtors have set forth on the Schedules causes of action or litigation rights that they may have against third parties. Each of the Debtors reserves all of its rights with respect to any and all causes of action and litigation rights it may have, whether or not such cause of action or litigation right has been listed on the Schedules. Neither these General Notes nor the Schedules and Statements shall be deemed a waiver by any of the Debtors of any cause of action, litigation right, or of any other right.

**Insiders**

The Debtors have included all payments made during the one-year period preceding the Petition Dates to any individual deemed an "insider." Persons listed as "insiders" have been included for informational purposes only. The Debtors do not take any position with respect to (a) such persons' influence over the control of the Debtors, (b) the management responsibilities or function of such individuals, (c) the decision-making or corporate authority of such individuals or (d) whether such individuals could successfully argue that they are not "insiders" under applicable law.

**Setoffs**

During the 90 days prior to the Petition Dates, the Debtors may have been involved in certain transactions that could be construed as setoffs. Such transactions could take the form of payment setoff. The Debtors are in the process of reviewing all transactions in the 90 days prior to the Petition Dates to determine if any of the transactions should be challenged under any of the provisions of the Bankruptcy Code.

**Current Market Value**

It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, cost values are reflected on the Debtors' Schedules and Statements. For this reason, amounts ultimately realized will vary and such variance may be material. In addition, the amounts shown for liabilities exclude items identified as "Unknown" or "Undetermined" and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.

**Property and Equipment – Leased**

In the ordinary course of their businesses, the Debtors may lease equipment from third-party lessors for use in the daily operation of their businesses. Any such leases are set forth in Schedule B. Nothing in the Schedules is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any of such issues.

**Totals**

All totals that are included in the Schedules represent totals of all known amounts included in the Debtors' books and records as of the Petition Dates. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.

**Claims Paid Under Authority of "First Day Order"**

The Schedules list amounts that were owed as of the Petition Dates but have since been paid in whole or part and, thus, are not owed or are only partially owed as of the date hereof. Such payments were made pursuant to authorizations granted by the Bankruptcy Court in various "first day" orders. Even though paid in whole or part, such amounts are not designated as contingent, unliquidated, and/or disputed, and the absence of such designation is without prejudice to the Debtors' right to assert such amounts have been paid in whole or part and to the extent paid are not entitled to further treatment in these cases.

**Schedule A**

It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtors' property interests. Accordingly, appraisal values completed as of specific prepetition dates are so noted and are reflected on the Schedules, which may not equate to the current market values.

**Schedule B**

The Debtors reserve all of their rights with respect to any and all causes of action, litigation rights, and other rights regardless of whether they have been listed on Schedule B.

**Schedule D – Creditors Holding Secured Claims**

The Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any inter-company agreement) related to such creditor's claim. In certain instances, the Debtors may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of an affiliate, and no claim set forth on Schedule D of the Debtors is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the General Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. The Debtors reserve the right to supplement and/or amend their Schedules and Statements to list such amounts on Schedule D.

The Debtors have not listed on Schedule D the claims of certain entities to whom the Debtors provided security deposits and who may have secured claims to the extent of such security deposits. The claims of such entities have been listed on Schedule B. Statutory or inchoate lien rights may exist in favor of certain creditors. The Debtors have not listed on Schedule D any creditors who may have secured claims based on any such statutory or inchoate lien rights.

Schedule D does not include secured tax claims owing to governmental units. All tax claims, if any, are listed on Schedule E without regard to whether they are secured claims, priority claims, priority unsecured claims, or nonpriority unsecured claims. Any listing on Schedule E is without prejudice to the right of the Debtors to recognize any such claim as a secured claim or a nonpriority unsecured claim if so asserted by the applicable taxing authority in a proof of claim. In addition, if applicable, the Debtors reserve the right to amend Schedule E to recharacterize any listed claim as a nonpriority unsecured claim or to object to any proof of claim asserting priority unsecured status if such claim is determined to be a nonpriority unsecured claim.

Except as provided in the amended final cash collateral order dated as of December 17, 2015, the Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on Schedule D as to nature, amount, liability or status.

**Schedule E – Creditors Holding Unsecured Priority Claims**

The listing of creditors on Schedule E is preliminary and is subject to reconciliation and, if necessary, amendment by the Debtors. The Debtors reserve their rights to dispute or challenge whether such creditors are entitled to priority claims.

**Schedule F – Creditors Holding Unsecured Non-priority Claims**

On Schedule F, the Debtors have listed amounts payable to general unsecured creditors as of the Petition Dates. In an attempt to obtain the most accurate and reliable information by allowing adequate time for all pertinent information to be received and reflected in the Debtors' books and records, the Debtors searched their records as of the Petition Dates to determine their unpaid, unsecured obligations as of the Petition Dates. The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While best efforts have been made, determination of each date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors may not list a date for each claim listed on Schedule F.

**Schedule G – Executory Contracts and Unexpired Leases**

Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or over-inclusion may have occurred. The presence of a contract, agreement or lease on Schedule G does not constitute an admission that such contract, agreement or lease is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Dates or is valid or enforceable. Any and all of the Debtors' rights, claims and causes of action with respect to the contracts, agreements and leases listed on Schedule G are hereby reserved and preserved, and as such, the Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement such Schedules as necessary.

The Debtors may have entered into various other types of agreements in the ordinary course of their businesses, such as indemnity agreements, supplemental agreements, amendments/letter agreements, and confidentiality agreements. Such documents may not be set forth in Schedule G. Moreover, the contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed on Schedule G.

Portions of some contracts and leases that are listed on Schedule G may have been fully performed, while other portions of the same contracts and leases may remain executory. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim, including, but not limited to, the contracts, agreements and leases listed on Schedule G.

In some cases the same entity appears multiple times in Schedule G. This multiple listing is to reflect distinct agreements between the Debtors and such entity.
