\*\* RG Steel has not received any information from the State of West Virginia regarding use of these funds to pay workers compensation claims that the State has assumed liability for. As a result of the Stipulation with the State of WV, under which it has agreed to take over the claims, the control over this collateral account has been transferred to the State, and it has been removed from the Debtor's books.

\*\*\* RG Steel has not received complete current information from AIG regarding the use of these funds to pay workers compensation claims that AIG has assumed liability for, and therefore, RG Steel does not have a record of a remaining balance to reconcile to the financial statements.

\*\*\*\* The Wheeling Wesbanco Pension Disbursement account was used as a pass through account for certain benefit payments including certain pension payments. Over several years the account balance has reconciled to the outstanding checks. The Company is now in the process of reviewing all outstanding checks that have aged past the stated "void if cashed after" date and expects to update the balance when the process is completed.
