AGENDA ITEM TITLE:

1. 20/21-5059 - APPROVAL OF HYBRID INSTRUCTIONAL MODEL FOR THE REOPENING OF MUSD ELEMENTARY SCHOOLS

The Board of Education is requested to approve the proposed Elementary Hybrid Instructional Model to be implemented at all MUSD elementary schools.

Motion by _____, seconded by _____ Vote _____

Board Member Hammond____, Board Member Anderson____, Board Member Gholar____

Board Member Lockerbie____, Board President Travanti ____

Rationale:

At the March 10, 2021, Board of Education meeting, the Elementary Task Force presented a revised Hybrid Instructional Model to be implemented at all MUSD elementary schools, when students and teachers return to campus. Some advantages of this proposed model of instruction include the ability to meet the social-emotional needs of students, while allowing them to move fluidly between in-person synchronous, and asynchronous lessons.

Background:

On February 25, 2021, the Elementary Task Force introduced a proposed hybrid model of instruction to the MUSD community to mixed reviews. At the March 2, 2021, Special Board of Education meeting, guided by the voices of MUSD parents, the Board of Education requested the Elementary Task Force revise the proposed plan to increase instructional hours to a full day of instruction, a minimum of 2 days per week. This revised Hybrid Instructional model is being proposed for implementation at all MUSD elementary schools.

Additional Information:

The proposed elementary schedules are attached.
